INDEPENDENT AUDITORS' REPORT

Honorable Members of the Board
Public Defender Corporation
for the Eighth Judicial Circuit
Welch, West Virginia

We have audited the basic financial statements of the Public Defender Corporation for the Eighth Judicial Circuit (the "Corporation"), a component unit of the State of West Virginia as of, and for the years ended, June 30, 2010 and 2009 as listed in the table of contents. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2010 and 2009, and the changes in its financial position and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis on pages 5 through 7 is not a required part of the basic financial statements, but is supplementary information required by accounting principles generally accepted in the United States of America. This supplementary information is the responsibility of the Corporation's management. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit such information and we do not express an opinion on it.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 1, 2010, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

FOR THE EIGHTH JUDICIAL CIRCUIT
MANAGEMENT'S DISCUSSION & ANALYSIS
YEARS ENDED JUNE 30, 2010 AND 2009

This discussion and analysis of the Public Defender Corporation of the Eighth Judicial Circuit of the State of West Virginia financial performance provides an overview of the Corporation's financial activities for the fiscal years ended June 30, 2010 and 2009, and identifies changes in the Corporation's financial position.

Overview of Basic Financial Statements

These statements are in two parts - *management's discussion and analysis* (this section) and the *basic financial statements*. The Corporation's financial statements are prepared on the accrual basis of accounting and are reported in accordance with accounting principles generally accepted in the United States of America. These statements include the *statement of net assets*, the *statement of revenues, expenses and changes in net assets*, the *statement of cash flows* and the notes to the financial statements.

The *statement of net assets* presents the Corporation's assets, liabilities and net assets as of the financial statements date. Through this presentation one can decipher the health of the Corporation by taking the difference between the assets and liabilities. An increase or decrease in the Corporation's net assets from one year to the next is an indicator of whether its financial health is improving or deteriorating.

The *statement of revenues, expenses, and changes in net assets* reports revenues and expenses when earned or incurred. This means that all of the current year's revenues and expenses are included regardless of when cash is paid or received, thus providing a view of financial position that is similar to that presented by most private-sector companies. This statement summarizes the cost of providing legal defense services to those individuals charged with a violation of the law but who cannot afford an attorney to defend themselves or to represent indigent persons or juveniles and mental hygiene cases as appointed by the court.

Detailed Financial Analysis of the Corporation

Cash held by the Corporation increased by approximately \$50,000 as a result of an increase in funding from the WVPDS and a increase in liabilities due to timing of when bills were paid. All other assets and liabilities remained consistent with the two prior periods.

Operating revenue for the fiscal year increased by approximately \$25,000, due to increased funding from WVPDS.

Operating expenses for the fiscal year increased by approximately \$17,000. This increase is attributable to support services increasing by approximately \$18,000 for the fiscal period due to legal fees paid in connection with an Internal Revenue Service audit during fiscal year 2010. All other expenses remained consistent with the prior fiscal year.

Capital Asset and Debt Activity

As of June 30, 2010, 2009 and 2008, the Corporation had capital assets amounting to approximately \$50,000, \$48,000 and \$44,000, respectively. The Corporation's capital assets include furniture and fixtures and computer equipment. The assets were being depreciated over useful lives of three to ten years. The accumulated depreciation on the assets amounted to approximately \$43,000, \$40,000 and \$39,000, respectively. There were no disposals during the current year.

Purchases of capital assets for the years ended June 30, 2010, 2009 and 2008 totaled approximately \$2,000, \$4,000 and \$-0-, respectively.

The Corporation has no long term debt. More detailed information is presented in the notes to the financial statements.

PUBLIC DEFENDER CORPORATION
FOR THE EIGHTH JUDICIAL CIRCUIT
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2010 AND 2009

NOTE 1 - ORGANIZATION

The Public Defender Corporation for the Eighth Judicial Circuit (the 'Corporation') is a not-for-profit Corporation created under authority of Article 21, Chapter 29 of the West Virginia State Code. The Corporation is a discretely presented component unit of the State of West Virginia and is funded by West Virginia Public Defender Services. The purpose of the Corporation is to provide high quality legal assistance to indigent persons, at no cost, who would be otherwise unable to afford adequate legal counsel.

Approximately 77% of the Corporation's revenues are utilized for program related purposes and 23% are for management and general purposes.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Corporation have been prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board ("GASB"), including Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. The financial statement presentation required by GASB Statements No. 34 provides a comprehensive, entity-wide perspective of the Corporation's assets, liabilities, net assets, revenues, expenses, changes in net assets and cash flows.

The Corporation follows all GASB pronouncements as well as Financial Accounting Standards Board ("FASB") Statements and Interpretations, Accounting Principles Board Opinions and Accounting Research Bulletins issued on or before November 30, 1989, and has elected not to apply the FASB Statements and Interpretations issued after November 30, 1989, to its financial statements.

Reporting Entity

The Corporation is a component unit of the State of West Virginia and is funded by West Virginia Public Defender Services. The West Virginia Public Defender Services is a part of the general fund of the state's comprehensive annual financial report. YEARS ENDED JUNE 30, 2010 AND 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Financial Statement Presentation

As required by GASB 34, the Corporation displays net assets in three components, if applicable: invested in capital assets, net of related debt; restricted, and unrestricted:

Invested in capital assets, net of related debt

This represents the Corporation's total investment in capital assets, net of outstanding debt obligations related to those capital assets. To the extent debt has been incurred but not yet expended for capital assets, such amounts are not included as a component of invested in capital assets, net of related debt.

Restricted net assets

Restricted net assets are assets whose use or availability has been restricted and the restrictions limit the Corporation's ability to use the resources to pay current liabilities. When both restricted and unrestricted resources are available for use, it is the Corporation's policy to use restricted resources first, then unrestricted resources as needed.

Unrestricted net assets

Unrestricted net assets represent resources derived from state appropriations. These resources are used for transactions relating to the providing of legal assistance to indigent persons, at no cost, who would otherwise be unable to afford adequate legal counsel, and may be used at the discretion of the board of directors to meet current expenses for any purposes.

Basis of Accounting

For financial reporting purposes, the Corporation is considered a special-purpose government engaged only in business-type activities. Accordingly, the Corporation's financial statements have been prepared on the accrual basis of accounting with a flow of economic resources measurement focus. Revenues are reported when earned and expenses when materials or services are received.

Cash and Cash Equivalents

For purposes of the statement of net assets, the Corporation considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

PUBLIC DEFENDER CORPORATION
FOR THE EIGHTH JUDICIAL CIRCUIT
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2010 AND 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets

Capital assets include property, plant, and equipment. Capital assets are stated at cost at the date of acquisition or construction, or fair market value at the date of donation in the case of gifts. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally 3 to 10 years. The Corporation's capitalization threshold is \$1,000. Depreciation expense for the years ended June 30, 2010 and 2009 was \$2,433 and \$1,492.

Compensated Absences

Estimated obligations arise for vacation leave at the current rate of employee pay. Employees earn vacation leave based on years of service. Employees with less than 5 years of continuous full-time employment during any period earn 15 days per year. Employees with 5 years, but less than 10 years of full-time employment during any continuous 10-year period, earn 18 days. Employees with 10 years, but less than 15 years of full-time employment during any continuous 10-year period, earn 21 days, and employees with more than 15 years of full-time employment during any continuous period of 15 years or more, earn 24 days per year.

Employees with less than 10 years of employment vest in a maximum of 30 days of unused vacation leave which is paid at the time of separation from employment. Employees with 10 years, but less than 15 years of full-time employment vest a maximum of 35 days and employees with more than 15 years of full-time employment or more vest a maximum of 40 unused vacation days.

Also, the Corporation grants sick leave based on time worked. Full-time employees earn 18 sick days per year of service with no maximum accumulation. The Corporation does not accrue any liability for sick leave because no amount is paid at the time of separation of employment. The estimated expense and expense incurred for the vacation leave is recorded as a component of employee benefits expense on the statement of revenues, expenses and changes in net assets.

The Corporation has no postemployment benefits under GASB Statement No. 45 *Accounting and financial Reporting by Employers for Postemployment Benefits Other than Pensions* with using Blue Cross/Blue Shield for its health coverage and not participating in PEIA.

Risk Management

The Corporation has obtained general, property, casualty and liability coverage for itself and its employees thru a third party insurance company. Any loss in excess of the \$2,000,000 policy limit will be the responsibility of the Corporation.

In addition, through its participation in Blue Cross/Blue Shield, the Corporation has obtained health, life, prescription drug coverage, and coverage for job related injuries for its employees. In exchange for payment of premiums to Blue Cross/Blue Shield, the Corporation has transferred its risks related to health, life, prescription drug coverage, and job related injuries.

West Virginia had a single private insurance company, BrickStreet Insurance, which provided workers' compensation coverage to all employers in the state. Other private insurance companies began to offer coverage to private-sector employers July 1, 2008 and can begin to offer coverage to government employers beginning July 1, 2010. Nearly every employer in the State, who has a payroll must have coverage. The cost of all coverage is paid by the employers. BrickStreet retains the risk related to the compensation of injured employees under the program.

- Nonoperating revenues - Nonoperating revenues include activities that have the characteristics of non-exchange transactions, such as gifts and contributions, and other revenues that are defined as nonoperating revenues by GASB Statement No. 9, Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting and GASB Statement No. 34, such as state appropriations and investment income.

Income Taxes

The Corporation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Corporation is classified by the Internal Revenue Service as an other than a private foundation.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through September 1, 2010, the date the financial statements were issued.

NOTE 4 - DEFINED CONTRIBUTION RETIREMENT PLAN

The Corporation began contributing to the West Virginia Public Employees' Retirement System (PERS), a cost-sharing multiple-employer defined benefit pension plan administered by the West Virginia Consolidated Public Retirement Board, beginning July 2007. Chapter 5, Article 10 of the West Virginia State Code assigns the authority to establish and amend benefits provisions to the PERS Board of Trustees. Employees who retire at or after age 60 with five or more years of contributory service or who retire at or after age 55 and have completed 25 years of credited service are eligible for retirement benefits as established by State statute. Retirement benefits are payable monthly for life, in the form of a straight-line annuity equal to two percent of the employee's final average salary multiplied by the number of years of the employee's credited service at the time of retirement. PERS also provides deferred retirement, early retirement, death and disability benefits to plan members and beneficiaries. The West Virginia Consolidated Public Retirement Board issues a publicly available financial report that includes financial statements and required supplementary information for PERS. That report may be obtained by writing to the West Virginia Consolidated Public Retirement Board, 1900 Kanawha Boulevard East, Building Five, Charleston, West Virginia 25305 or by calling (304) 558-3570.

NOTE 4 - DEFINED CONTRIBUTION RETIREMENT PLAN (Continued)

FUNDING POLICY - The PERS funding policy has been established by action of the State Legislature. State statute requires that plan participants contribute 4.5% of compensation. The current combined contribution rate is 15.5% of annual covered payroll, including the Corporation's contribution of 11% which is established by PERS. Effective July 1, 2010, an increase in the contribution rate of 1.5% will raise the Corporation's contribution rate to 12.5%. Total contributions to PERS for the years ended June 30, 2010, 2009 and 2008 was \$42,836, \$40,639 and \$41,190 respectively, which consisted of \$30,400, \$28,447 and \$28,833 from the Corporation and \$12,436, \$12,192 and 12,357 from the covered employees.

Under the Plan guidelines, if an employee is hired by the Corporation and joins the Plan after they have been previously employed by another state agency, this employee has the ability to make a retroactive purchase of prior service time or "buy-back." Under the current contract with the West Virginia Public Defender Services office of the State of West Virginia, the Corporation will only fund the employer portion of such buy-backs on a case by case scenario after consideration by the West Virginia Public Defender Services. West Virginia Public Defender Services expressly declines to purchase retroactive service credit. For the years ended June 30, 2010 and 2009, the Corporation did not authorize the employer portion of any buy-backs for Plan participants.

NOTE 5 - CONCENTRATIONS

The Corporation maintains its account balance in one account at a local financial institution. The account is insured by the Federal Deposit Insurance Corporation up to \$250,000. The Corporation's bank balance at June 30, 2010 and 2009 was \$158,041 and \$111,224, respectively.

The Corporation receives virtually all of its funding from West Virginia Public Defender Services. A significant reduction in this level of support would have a significant adverse effect on the Corporation.

The Corporation is on a reimbursement plan with the State of West Virginia, Workforce WV, Unemployment Compensation Division, (Workforce) whereby they no longer pay quarterly premiums. When a liability arises regarding the payment of unemployment, the Corporation will be assessed 100% of the awarded claim filed and payment to Workforce would be made at that time. The Corporation's programs are funded from state sources, principal of which is programs of the West Virginia Public Defender Services. State grants received for specific purposes are subject to audit and review by grantor agencies. Such audits and reviews could result in requests for reimbursements to grantor agencies for expenditures disallowed under the terms of the grants. The amount, if any, of expenditures which may be disallowed by grantor agencies cannot be determined at this time, although management believes such amounts, if any, to be immaterial.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Honorable Members of the Board
Public Defender Corporation
for the Eighth Judicial Circuit
Welch, West Virginia

We have audited the basic financial statements of the Public Defender Corporation for the Eighth Judicial Circuit (the "Corporation") as of and for the year ended June 30, 2010, and have issued our report thereon dated September 1, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management of the Corporation in a separate letter dated September 1, 2010.

This report is intended solely for the information and use of the Public Defender Corporation for the Eighth Judicial Circuit Board of Directors, management of the Corporation, West Virginia Public Defender Corporation, Federal and State awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.
