RE: Biennium Report 2009 and 2010

Dear Governor Tomblin,

The West Virginia Board of Physical Therapy is submitting our biennium report for the time period of July 1, 2008 – June 30, 2010. Below is an overview of our fiscal year 2009 and 2010 activities.

MISSION

The mission of our board is to promote and protect the public health, safety, and welfare through the examination, licensure, and regulation of physical therapists and physical therapist assistants.

MOVE

In September 2009, our office relocated from Clarksburg to Charleston, WV and hired a new executive secretary and an office assistant.

STATUTE & RULE CHANGES

On May 17, 2010, Governor Manchin signed into law HB 4140 that took effect June 11, 2010. This statute replaces the previous law. The new statute can be found on our website at www.wvbopt.com. Some highlights of the statute include updating definitions to match model practice act language, changing the composition of the Board, and removing the ratio of physical therapist to assistants and placing it in the rule.

Due to the changes in the law, the Board reviewed the current rules and made proposed changes, which were submitted to the Secretary of State's office. These rules were developed after long discussions and many hours of deliberation. Many factors were taken into account when these rules were developed, including looking at existing rules from surrounding states, reviewing the model practice act and most importantly, ensuring the safety of the citizens of West Virginia.

ATHLETIC TRAINERS

Effective June 11, 2010, H.B. 3152 was passed. This statute is to register athletic trainers and places them under our Board.

PHYSICAL THERAPIST & PHYSICAL THERAPIST ASSISTANTS

As of June 30, 2010, we had 1119 active licensed physical therapist and 795 active licensed physical therapist assistants. We had 97 physical therapist applicants and 229 physical therapist assistant applicants that are not licensed as of yet. Applicants are licensed by endorsement or by exam (NPTE). License renewals are biennial and are offered online or by mail.

FSBPT

The Federation of State Boards of Physical Therapy develops and administers the National Physical Therapy Examination (NPTE) for both physical therapists and physical therapist assistants in 53 jurisdictions (the 50 states, the District of Columbia, Puerto Rico, and the Virgin Islands.) These exams assess the basic entry-level competence for first time licensure or registration as a PT or PTA within the 53 jurisdictions.

CE REQUIREMENTS

The board monitors licensee's compliance with continuing education requirements for 10 board approved CE hours per year. The board conducts an annual audit every year. Audits are conducted of 5% of active licensee's.

DISCIPLINARY

In fiscal years 2009 and 2010, the board received:

- 8 complaints
 - 2 disciplined
 - 2 pending hearings
 - 4 no probable cause.

Our disciplinary is listed in the National Practitioner Data Bank and on our website, www.wvbopt.com.

BOARD MEMBERS

As of July 1, 2010, we had 6 board members. H.B. 4140 added an additional board member of a physical therapist assistant. Our board has quarterly meetings with several meetings in between as needed. We have education, disciplinary, and sunset committees.

Please feel free to contact our office with any questions regarding this 2009 and 2010 fiscal year biennium report.

Sincerely,

Patricia Holstein

Executive Secretary

WV BOPT - BOARD NEWS

Fall/Winter 2008

Greetings to all PT's and PTA's,

(By: Lesleigh B. Sprouse PT, DPT, Board Chair)

I recently had the opportunity to attend the FSBPT (Federation of State Boards of Physical Therapy) meeting in Minneapolis, MN.

It was a great learning experience and I came home with a newfound direction and focus. It was very beneficial to network with Members from other States and learn the challenges they face. Wherever you live, in WV or CA, many Boards struggle with the same issues.

To discover how other States have tackled these issues was invaluable.

As the profession of Physical Therapy moves forward, I am certain new challenges will face us, but I am confident our Board is up to the task. We are dedicated to our mission of protecting the public and advancing our goals to meet the standards of other States.

Are you Competent?

**By: Lesleigh Sprouse PT, DPT
WVPT Board Chair**

This was the central question discussed at the Federation of State Boards of Physical Therapy (FSBPT) Annual Meeting. This discussion brought important questions to mind.

Are you competent? If you look at our daily lives, how many people do we come in contact with that we assume are competent? We assume the competency of the school teachers who teach our children, the accountant who does our taxes, and the electrician working on our house.

Now, what about competence in healthcare? This hit very close to home when my grandmother was in the hospital and some important decisions needed to be made regarding her care. Were we sure the health care providers helping us make these decisions were competent? People may ask the same question about us as Physical Therapists when we are working with them or their loved ones. Wouldn't it be nice to be able to have a standardized tool to evaluate if we were?

The FSBPT was asked by the delegate assembly to begin working on this issue. The process has continued for a number of years and through much work and research the FSBPT has developed a tool to assist Therapists in evaluating their competence.

Are you Competent?

(Cont.)

Although in West Virginia all Licensees are required to complete ten continuing education hours a year, continuing competence is much more than just taking a weekend class.

In 2000, the FSBPT defined continuing competence as the ongoing application of professional knowledge, skills, and abilities which relate to the occupational performance objectives in a range of possible encounters that is defined by individual scope of practice and practice setting. A Therapist's competence may change as time passes, when a new patient with a new condition is scheduled for an evaluation, or when you need to perform a test you have not completed since PT school. We all need to appreciate our strengths and weaknesses and need to be able to evaluate in which areas we need a "refresher".

There are three tools to evaluate competence. The first is the PRT, (Practice Review Tool). This is a new initiative created by the FSBPT to help Therapists assess their ongoing competence. It affords them an opportunity to compare their current knowledge, skills and abilities to entry level practice. The tool is comprised of scenarios and multiple choice questions that emphasize clinical application of content knowledge.

When you have completed the PRT, you receive feedback on your strengths and areas where you may need more focused training. The current tool available addresses general practice, with one focusing on orthopedics in development.

FSBPT also hopes to develop a tool focusing on pediatrics and geriatrics, as well as having multiple versions of the same test. This is seen as just a resource for Physical Therapists and has not been developed to be a mandatory tool. For more information about the tool, you can go to www.fsbpt.org/PRT.

Another tool is the jurisprudence exam which covers laws, statutes, and rules governing Physical Therapy practice for a State. It is a 50 question multiple choice test. Currently, seven States offer the test and Ohio is in the process of developing one. The District of Columbia requires the exam for license renewals.

The last tool available is CAPS (Competence Assessment Portfolio System). It is a guided self reflection tool and develops strengths and weaknesses. It has been piloted in four States.

It is important for all of us to maintain our competence and realize it is more than taking continuing education classes one time a year. This focus on competency improves our practice, makes us accountable to our patients, and reassures the public we are dedicated to maintaining our skills and improving our knowledge.

Are you Competent?

(Cont.)

Just a reminder that the WVPT Board does perform yearly random audits to check for a Licensee's completion of the required continuing education. If you are not actively practicing due to certain circumstances, please contact the Board Office and get information regarding how to place your license in WV on Inactive Status.

The Model Practice Act

By: Melanie Taylor PT

During the Federation of State Boards of Physical Therapy (FSBPT) Meeting in September 2007, I had the privilege to attend an informational seminar on the Model Practice Act (MPA). Both Clark Vaughan of the West Virginia Chapter of the APTA, and Frankie Cayton, Board Administrator, also attended the seminar.

The three of us were given tools and assistance to compare the West Virginia State Practice Act with the MPA. One tool was a crosswalk between the MPA and our Practice Act. The crosswalk was used to assess if our Practice Act addressed each topic in the four articles of the MPA. With utilization of the tool, there were five sections of the MPA that are not addressed in our Practice Act. These areas included: changes in name and address, reinstatement of license, substance abuse programs, rights of consumers, and direct access.

Changes in name and address may not be discussed in the Practice Act, but it is covered on the Board of Physical Therapy web page, www.wvbopt.com. Reinstatement of license would be used, for example, in disciplinary cases if a license is suspended for a duration of time specified in a Consent Agreement between the Board and a Licensee. Once the stipulations are met, the license would be reinstated. We have not addressed a substance abuse program at this time. Rights of the consumers and public protection are not specified in the Practice Act but are indirectly discussed through the definitions of Physical Therapy and the scope of practice of Physical Therapy. Direct access has been obtained through the omission of the wording that requires a physician order for physical therapy.

The Board's Sunset Committee, which is comprised of Lesleigh Sprouse and myself, has met with members of the WVPTA to discuss needed changes to the WV State Practice Act. We hope that with a combined effort between the Board and the Association, we can have a clear and concise Practice Act that meets the needs of the residents and the practitioners of the State of West Virginia.

What Time is it?

Time to renew your License if it EXPIRES

Conda Mace - Retiring

By: Frankie Cayton, Administrator

It has been my pleasure for the past 13 years to work with Conda. She joined the Board as a part time employee when this job was still being worked in my home. For at least two years when we would take our family vacation in the summer, I would provide Conda with a key to our home in order that she could continue to let herself in and come to work to be of service to you, our

Licensees.

She has been with me when we were required to move the Office 3 times - - which is quite an undertaking for a State Government Agency Office. She has been the person who has worked on and organized so much of the Continuing Education submissions and processing. I am sure that many of you through the years have had the opportunity to speak with her over the phone and have appreciated her friendly disposition and her professionalism.

Conda has been a tremendous blessing to me and I will really miss her friendship, her encouragement, and her presence. She has such a tremendous work ethic and I could always count on her to do things above and beyond what was expected or required. She never watched the clock; but was always willing to remain engaged in whatever project she was working on until it was completed. She will be greatly missed in this Office.

Disciplinary Actions Taken By The Board:

Kim Chapman PTA

After due investigation of a written complaint, the Board determined that there was Probable Cause to believe that the Respondent did exhibit unprofessional and unethical conduct in the practice of Physical Therapy in violation of the provisions of WV Code §30-20-1 et seq. and the Rules of the Board, 16 CSR 16-1 et seq. In lieu of a hearing, the parties reached an agreement for the resolution of the matter by entering into a Consent Agreement and Order. Respondent's License was Suspended for a period of six (6) months - - which time is in effect until October 22, 2008; and Respondent was required to reimburse the Board for all administrative, procedural and legal costs associated with the Case.

Recently Asked Questions with Answers

- A. **Question:** Is it permissible for a PTA to perform screenings in SNF's. The state practice Act doesn't specifically address this, however, there is a broad belief throughout the State that the answer is "no". I feel that if the PTA is only reviewing objective information from the medical chart and documents this objective data onto the form for the PT to review and evaluate the patient based on, this certainly, in my opinion, is well within the State guidelines. However, the PTA should not be allowed to make any contact with the patient or make assessments based on his/her observations. Only objective data should be presented on the form to the supervising PT.

Answer: (previously supplied and documented in Winter 2000 Newsletter):

If the "screen" is evaluative, the answer is "NO". (See §16-1-8. Nature of Practice For Physical Therapists.)

Also in the Fall/Winter 2006 News Letter: the question was asked as to whether a PTA could complete a status report to a physician on a patient they are familiar with? Can the report include objective (ROM strength, etc...) measurements, as assessment (i.e. interpretation of objective data only, as to gains or lack of gains, w/o why the changes occurred) and a plan section w/o changing the plan of care from the primary PT? The Board Members agreed that the PTA may not interpret objective data; however, the PTA may state his/her findings. With that correction, the above answer would be "yes" as long as the supervising PT signs the report.

Answer supplied 05/14/2008): The Board unanimously agreed that the previous Answers documented were still the correct responses to the Questions asked.

- B. **Question:** I am an ATC. The following questions do not only pertain to ATC's, but also to any other persons asked to perform these duties. I have recently been told that I will be working the weekend rotation at the acute care hospital that I am currently employed at (in the outpatient Dept.) I was given a letter/note of what my Supervisor believes according to PT regulations on what I may do under "other Assistive Personnel" (CSR 1, Title 16-1- 2.5 & 2.6). I am writing the "interpretation" in regards to the questions that were given to me. I am in disagreement with this "interpretation" and I am quite sure that I am unable to legally function as asked, and any other person considered "other Assistive Personnel" would also be out of compliance with the law.

B. **Question (Cont.):**

The note to me contained the following:

1. As an Athletic Trainer, I would be able to assist the PT or PTA with treatments in the Acute care hospital setting and if I would see a patient independently, I must be supervised by the PT. The PT or PTA should write all notes in the chart?

Answer: The Board agreed that the Athletic Trainer can assist in the performance of the Physical Therapy treatments and or service, but can only be supportive in nature when with the PTA, i.e. holding wheelchair, assisting with transfers for safety, moving IV pole, etc.... The Members also agreed that the Athletic Trainer must be supervised by the PT and “supervision” is defined as “authoritative procedural guidance with initial direction and periodic inspection on a regular basis by a PT and that it requires the “actual physical presence of the PT in the immediate treatment area where the treatment is being rendered.” (According to §16-2.6. and WV Code §30-20-2.Definitions (h) (1).)

2. As for Medicare regulations in the acute care setting, I am able to function as “Other Personnel”, however, I am not permitted to see Medicare patients in a skilled setting or outpatient setting?

Answer: The Board agreed that the person asking the Question should check with the facility’s legal counsel and/or CMS and the third party intermediary for all guidelines as it pertains to what is billable and by whom is required to perform the treatment and/or service.

As I said I am sure this “interpretation” of the Law is incorrect. Other questions I have pertaining to the hospital acute care setting:

3. Supervision means: As long as a PT is in the hospital, it is ok for the PTA to see patients on any floor of the hospital? i.e....the PT is on the 5th floor and the PTA is on the 2nd floor treating patients that have already been evaluated by the PT.

Answer: The Board also agreed that the PTA must be supervised by the PT and “supervision” is defined as “authoritative procedural guidance with initial direction and periodic inspection on a regular basis by a PT and that the PT has to be on the premises.” (According to §16-2.6. , and §16-1-9.3(a).)

B. Question (Cont.):

4. The PTA can supervise (“other assistive personnel”) working with them treating patients, performing “other designated tasks related to Physical Therapy, as long as the PT is present in the hospital. Such “tasks” would include finishing ROM exercises, ambulating patients, and then charging for these services?

Answer: The Board agreed that the PT must supervise “Other Assistive Personnel”; not the PTA (According to §16-2.5. & 2.6)

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered

5. What is the definition of “other designated tasks related to physical therapy?” (An example for instance....)

Answer: The Board agreed that these would be tasks designated by PT’s that are not exclusive to PT’s and/or PTA’s and are within the training of Other Personnel such as Aides, (i.e., allowing “Other Personnel” to complete an Ultrasound once they are trained.) There are no “designated tasks” mentioned in the Law other than those that are “designated by the PT”.

Answer: (some parts of this Question were previously addressed and answered by the Board.) January 2006 - If a PT Aide is directly involved in patient care, then , he/she would count as one of the two assistive support personnel that the PT is legally allowed to supervise. However, if the PT Aide is not directly involved in patient care, then he/she would not count.

In February 22, 2006, the Board decided that fully licensed PTA’s could supervise PTA students (there was no mention of any other personnel that the PTA would be legally allowed to supervise).

- C. Question: I am writing in regards to the laws and duties of PTA’s and Functional Capacity Evaluations (FCE). Can a PTA perform an FCE or any part of the FCE?**

Answer: The Board agreed that a PTA cannot do an FCE; but can assist the PT under supervision according to §16-1-9.2.b.

Emergency Rule Change

By: Lesleigh Sprouse PT, DPT, Board Chair

Recently, the Board submitted an Emergency Rule change to the Physical Therapy Law regarding the English proficiency testing for foreign-educated applicants and fee schedule. The Emergency Rule was approved by the Secretary of State's Office and will now go through the normal Legislative process during the 2009 Session to make the changes permanent.

When the Board filed for this needed change, the entire Section 1 of the General Provisions at §16-1-1 et seq. was opened for scrutiny. The West Virginia Legislative Rule Making Committee reviewed our Rule and made some additional recommendations. One area where additional changes were needed was regarding supervision. There were discrepancies throughout the Rule and clarifications were made.

The Emergency Rule was amended to include these changes. The West Virginia Legislature will review the proposed changes during the 2009 Session beginning in February.

If you would like to review this Rule (the original Emergency Rule and the amended version), it can be found at: www.wvsos.com. If you have any questions, please submit them in writing to the Board via the Office.

WV BOPT - BOARD NEWS

Spring Summer 2009

Dear Physical Therapists and Physical Therapist Assistants:
(By: Lesleigh B. Sprouse PT, DPT, Board Chair)

CHANGES AND ANNOUNCEMENTS:

I am pleased to announce that many new positive changes have occurred at the Board. We have recently automated many forms and processes to improve the efficiency of our Office. You can download many of our forms, including PT and PTA applications from our website and print them out to be sent in to the Office instead of having to request them in writing. The exception is foreign trained Physical Therapists. The law requires a credential evaluation be performed and English proficiency test be taken prior to filling out an application which would still have to be requested through the Board Office. We sincerely believe this will speed up the process and make it easier for all new and current licensees. Of course, please feel free to call or email the office with any questions.

Those Licensees wishing to reactivate from an Inactive or Lapsed status, will still have to contact the office in order for the appropriate forms to be sent and completed.

Another feature added to the website is the capability to verify your license online. A free license search to find yours or anyone's license number is available; or pay the \$28.00* fee and verify your license with more detailed information including initial license date, expiration date, disciplinary actions - if any - and status of your license. JCAHO and other organizations require this information. When your information is printed out it will include an authentication number, which will prove it came directly from the West Virginia Physical Therapy Board. You can search this number as well on the website for verification. To view any of these new features visit our website at www.wvbopt.com

Those Licensees needing verifications to be sent to other State Boards will still need to make a written request and submit a \$25.00 fee (in the form of a Money Order or Cashier's Check) to the Office address. These verifications are mailed out directly from one State Board to another and are embossed with the SEAL of the Board.

Employers needing to verify those people working on a 90-day Temporary Permit will also have to contact the Office as the online system will have incomplete information until this individual has passed the NPTE and received his or her permanent License in the State of WV.

Another very important announcement is that the Legislature passed and Governor Manchin recently signed our Emergency Rule Bill that was filed last summer. Throughout the Legislative process a few amendments were added; but again, the Board feels these in no way substantially change the current practice of Physical Therapy in our State. To view the new language of the Rule, please visit the Secretary of State's website at www.wvsos.com

Lesleigh Sprouse PT, DPT
Board Chair

* \$28.00 = license verification fee of \$25.00 + \$3.00 convenience fee that the Treasurer's Office collects

The Practice Review Tool

By: Melanie Taylor PT, Vice Chair

The Federation of State Boards of Physical Therapy (FSBPT) has formulated a tool that is comparable to the format of the licensing exam. The FSBPT refers to the Practice Review Tool (PRT) as a tool rather than a test, because its goal is to identify areas that a Licensee needs to refresh their knowledge base and/or skills. For best results, it is recommended that the tester should not study but take the test using their own general knowledge base. The results of the tool could then be used to target CEU courses to areas that the tool defines as insufficient knowledge.

There are now several different versions of the test being produced, but I took the general PRT to see if this tool could be utilized by the Board in future disciplinary cases. The general PRT has questions covering each system in all age groups. You can take the PRT in testing centers that give the Licensing Exam. You are allowed 3 hours to complete the PRT and after completion you are given a print out of your results. The test is broken up into systems and types of questions. You can identify the systems you did well on or those in which you may want to improve. You are also given an overall result of either sufficient knowledge or insufficient knowledge.

It is the hope that the PRT would be utilized by Licensees to determine areas of knowledge that have diminished over the years. The Licensee could then take CEU courses or simply review at their own will to bring all areas of knowledge up to sufficiently competent. I do also know at this time that the FSBPT is working on an Orthopedic and Pediatric version of the test. The PRT is not free and that may be a deterrent to utilizing the tool, but as always you must weigh the benefit against the cost to see its worthiness. For more information about the tool, you can go to www.fsbpt.org/PRT.

Disciplinary Actions Taken by the Board

Ferdinand Sorongon PT

After due investigation of a written complaint, the WV Board of Physical Therapy determined that there was Probable Cause to believe that Respondent has exhibited unprofessional and unethical conduct in the practice of Physical Therapy in violation of the provisions of WV Code § 30-20-1 et seq. and the Rules of the Board §16-1 et seq.

In lieu of a Hearing, the parties reached an agreement for the resolution of the above matter.

Respondent shall be on a 2-year probationary period until February 5, 2010. Random and unannounced visits to the Respondent's facility at KVPTC to take place. Respondent not permitted to have any PT or PTA students employed or in any volunteer capacity during this two-year probationary period.

Respondent to reimburse the Board all costs involved with the dissolution of the matter.

Recently Asked Questions with Answers

1. **Question:** How much supervision is required for a PT Tech to provide physical therapy services in an acute care or acute rehab setting?

Answer: The Board agreed that the PT Tech can assist in the performance of the Physical Therapy treatments and or service, but can only be supportive in nature when with the PTA, i.e. holding wheelchair, assisting with transfers for safety, moving IV pole, etc.... The Members also agreed that the PT Tech must be supervised by the PT and "supervision" is defined as "authoritative procedural guidance with initial direction and periodic inspection on a regular basis by a PT and that it requires the "actual physical presence of the PT in the immediate treatment area where the treatment is being rendered." (According to §16-2.6. and WV Code §30-20-2. Definitions (h) (1).)

2. **Question:** Can a PT or PTA bill for an exercise group done solely by a PT Tech? Such as a 15-20 person group in the middle of the gym while the PTAs and PTs are working with other patients? Does a PT need to be in the same room or participating in the group?

Answer: The Board agreed that the supervising PT must initiate, monitor and participate in the activity; and that the activity cannot be physical therapy if done by a PT Tech.

The Board agreed that the PT must supervise "Other Assistive Personnel"; not the PTA (According to §16-2.5. & 2.6)

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered.

3. **Question:** Is there a limit on the number of patients that can be seen in a group setting for exercises?

Answer: The Board agreed that there is no provision in the Statute or Rules governing the practice of Physical Therapy; and that ultimately the PT should decide the appropriate number to safely allow in a group activity.

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered.

4. **Question:** Would it be unethical or improper for a PT to see patients (and not bill for the service) in order to “walk” or “ambulate” to maintain their skills? Documentation would show the service as being non-skilled service.

Answer: The Board agreed that there is nothing in the Statute or Rules governing the practice of Physical Therapy that would indicate this as being inappropriate. It would not be, therefore, in violation of the Physical Therapy Law.

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered

5. **Question:** Since the Ohio Board of PT has decided to drop the “licensure applicant status” for new grads, is the WV Board considering dropping a temporary License?

Answer: The Board agreed that this answer to this question is “No”.

6. **Question:** How long does a facility have to keep hard copy patient records? Records are being transferred to storage devices and they want to discard the hard copy records.

Answer: The Board agreed that the facility should pose this question to their own legal counsel.

(Have a question you would like the Board to Answer? Submit it in writing to the Board Office via email, postal mail or fax. Questions are added to the Agenda for the next, upcoming Board Meeting. Answers as agreed to by the whole Board are then documented and responses are mailed out to the person(s) inquiring. Answers are also printed in the next issue of the Board News Letter that is printed twice yearly.)

7. **Question:** I am a PT in a nursing home with 2 PTAs as well as another PT as our Director of Rehab. We will be having another PTA as weekend PRN help and I have a question regarding the legalities of the supervised visits. The practice act states that the PTA's first visit with the patient must be supervised by a PT. (#1) Is this direct supervision; and (#2) Must supervision be performed for 100% of the visit or is there a minute/unit guideline.

Answer: The Board agreed that the answer to the first part of the question is "Yes"; and the answer to the second part of the question is also "Yes".

As an example, could the patient, the PT and the PTA perform gait training together for approximately 15 minutes and the PTA be able to perform therapeutic exercises w/o the PT being present as long as instruction was given by the PT. Or, does the PT need to be present for the entire initial or joint visit?

Answer: The Board agreed that the PT needs to be present for 100% of the entire initial visit and also 100% for the joint visit.

According to §30-20-2.(h)(1) "As contained in this section, the term "direct supervision" means the actual physical presence of the physical therapist in the immediate treatment area where the treatment is being rendered.

8. **Question:** I am a PT practicing in WV. I am currently employed by a company holding several long term care contracts in my area. I supervise a PTA at one of these facilities. I am no longer interested in supervising this PTA secondary to a variety of issues, including delinquent documentation, frequent patient/family/staff complaints of poor physical therapy treatments, not adhering to plan of care, etc... The company employing both the PTA and myself have issued several improvement plans for the PTA - - none of which have been adhered to.

My questions are:

1. Can I legally pull my supervision from this PTA?
2. If so, am I required to give Notice, and if so, how much notice?
3. So long as I agree to see these patients independently, can I legally be subject to disciplinary action from my employer for refusing to supervise this PTA?

Answer: The Board agreed that the person inquiring should consult with a private attorney or an Employment Lawyer.

9. **Question:** Is it contradictory to utilize a laser on the knee if a patient has a pace maker?

Answer: After discussion, the Board Members determined that this is not within Board jurisdiction and that the person asking should contact the manufacturer.

10. **Question:** I would appreciate your input regarding the following scenario's legality:

A Physical Therapist is temporarily wheelchair mobility level with the inability to stand. In order to complete evals in the Home Health care setting, she has her PTA transfer and ambulate the patient while the PT observes. The PTA also does the muscle testing since the PT cannot achieve standing or assess leverage for testing in most circumstances. The PT then writes the POC and follows up with supervisory visits with the PTA.

Answer: According to Title 16-1-9.2 subsection b, a Physical Therapist Assistant shall not perform physical therapy initial evaluation and re-evaluation.

11. **Question:** In what settings do PTA's documentation needs cosigned?...i.e., daily notes, weekly notes, etc.... We are currently having everything cosigned and we were wondering if it is necessary. We work in a Rehab. setting with direct PT supervision.

Answer: The West Virginia State Practice Act does not require co-signature of PTA notes except as noted in §16-1-7.2. which states: ".....All progress notes written by the Physical Therapist Assistant with a temporary permit shall be cosigned by a Physical Therapist supervisor within twenty-four (24) hours."

Disclaimer: Please note that all responses the West Virginia Board of Physical Therapy (hereinafter "Board") gives to individual questions are based solely upon WV Code § 30-20-1 et seq. and the Code of State Rules 16-1-1 et seq. These Statutory and Regulatory provisions govern the jurisdiction of the Board, and its sole purpose of regulating the practice of Physical Therapy and the protection of the public. As such, the responses do not take into account any billing issues and the regulations that govern such reimbursement. Moreover, a provider should consult with his/her legal counsel for questions pertaining to billing for Physical Therapy services.

12. **Question:** The question I have is related to supervision. Can a physical therapist reside in another State and provide the required ongoing supervision to a PTA simply by visiting the State periodically? When I am referencing living in another State, I am asking about a driving distance of 6 - 6.5 hours from WV.

Answer: After discussion, the Board Members determined that the answer would be "yes" provided they are meeting the supervisory requirements and as long as they are working within the parameters of the work setting as stipulated in §16-1-9. Supervision of a Physical Therapist Assistant, assuming that the Physical Therapist is Licensed in WV.

CONTINUING EDUCATION AUDIT

F.Y.I. The number of Licensees who will be audited for the calendar year 2009 will be increasing. Please make sure that you are in compliance with the Law and with the Board's requirement to achieve ten (10) contact hours of Continuing Education. You do not have to provide proof of completion of CE unless your name comes up in the Random Audit and you

receive a Certified Audit Letter. Audit Letters are mailed out in January of each year.

If you receive an Audit Letter, submit proof of compliance by sending into the Board Office notarized copies of all Certificates received which clearly state the name of the course, your name, and the number of contact hours awarded for participation in the course and/or study.

All Licensees who had an Active Status for all or any part of the calendar year are required by Law to obtain Continuing Education. It makes no difference if you did not practice in West Virginia during that time frame. If your License was Active, your name will be included in the random computer program that selects audit participants.

Failure to comply with the request to submit your Certificate (s), will result in your License status being changed to "Lapsed" effective January 1, 2010.

ONLINE LICENSE RENEWALS

Online License Renewals will be accessible beginning October 1, 2009 for those Licensees whose License expires 12/31/2009. The link is <http://www.wvlicense.com/sites/wvbopt> . Log in using the first letter of your first name and your last name as though it were one word: i.e. TBragg , this is your User Name. Your Pass Code is the last four digits of your Social Security Number.

Log in, then click the "License" link at the top, select license, and then click the option to renew online. From here it will guide you through the rest of the process. Anyone renewing after mid-night 12/31/2009 will automatically pay the higher fee.

If any of your permanent information has changed, you must send in the updated information to the Office by email, fax, or regular mail. A form that can be utilized is available via the Board's website at the Forms link that may be downloaded for changes to your address or work location. In the event your name has changed, then the form must be completed and sent into the Office along with the appropriate official documentation: i.e. divorce decree, marriage certificate, etc.... Any copies of official documents submitted to the Office must be notarized.

SIGNING OF H.B. 4140

Governor Signs New Physical Therapy Statute

(by: Lesleigh B. Sprouse, PT, DPT, Board Chair)

On May 17, 2010, Governor Manchin signed into law HB 4140 that took effect June 11, 2010. This statute replaces the previous law. For your convenience, the new statute can be found for your review on our website at www.wvbopt.com. Some highlights of the statute include updating definitions to match model practice act language, changing the composition of the Board, and removing the ratio of physical therapist to assistants and placing it in the rule. Please take the time to review the new statute and contact the Board with any questions or concerns you may have.

Due to the changes in the law, the Board reviewed the current rules and made proposed changes, which were submitted to the Secretary of State's office. These rules were developed after long discussions and many hours of deliberation. Many factors were taken into account when these rules were developed, including looking at existing rules from surrounding states, reviewing the model practice act and most importantly, ensuring the safety of the citizens of West Virginia.

Within these rules, the Board asked the Secretary of State to approve the ratio of the number of personnel a physical therapist can supervise from **2:1 to 4:1** to become effective immediately since it was removed from the statute. This rule was approved and became effective July 15, 2010. The new rule now states: "no more than four (4) persons, Physical Therapist Assistants, Physical Therapist Assistants holding a temporary permit, or physical therapy aides, or any combination thereof can be supervised at any one time". This is the only part of the rule that is currently in effect so practice should continue following the old rules.

The full series of proposed rules underwent a public comment period for 30 days after they were filed with the Secretary of State. After the public comment period expired, the Board met again, reviewed and discussed the comments, made changes to the rule based on comments received and then resubmitted the rules to the Secretary of State.

The rules will now be assigned to a legislative rule making committee and will be discussed at an upcoming interim meeting later this fall. The rules will then be introduced as a bill at the upcoming 2011 legislative session which begins in January, 2011, and will follow the full legislative process being reviewed in both the House and Senate, and then hopefully signed into law by the Governor. Please check our website frequently during this time for status updates.

INTRODUCTIONS & FAREWELLS

Dear Physical Therapists and Physical Therapist Assistants

(by: Lesleigh B. Sprouse, PT, DPT, Board Chair)

Dear PT's and PTA's:

Introductions and Farewells

There have been many new and exciting changes at the Physical Therapy Board over the course of the last six months. We relocated our office from Clarksburg to Charleston and hired a new Executive Secretary and Office Assistant. We are pleased to introduce Trish Holstein as our new Executive Secretary. Ms. Holstein has many years of experience with various state agencies and has made many positive changes in the day to day operations of the Board. Our new Office Assistant is Summar Steele. Ms. Steele's previous experience working in a physical therapy clinic has made her an excellent addition to our office. The Board is committed to ensuring the office operates efficiently and effectively. One of our goals is to ensure all licensees are made aware of current Board policies and any changes that may occur in our practice. In addition to posting our newsletters on our website, we will also be mailing our newsletters to all licensees. We hope this may answer any questions or concerns you may have. Please check our website at www.wvbopt.com as we will post any changes in policies or practices as they occur.

I would like to say farewell to our long serving Board member, Don Sensabaugh. Mr. Sensabaugh served on the Board for over 15 years and has provided invaluable input and advice over the course of his term. He will be greatly missed by all members. I would also like to say farewell to Frankie Cayton, Executive Secretary and Vicki Maxwell, Office assistant for both of them have previously been a big part of the Board's achievements and goals. Frankie was dedicated and committed to the Board for over 20 years.

Governor Manchin has appointed D.C. Offutt to fill Don Sensabaugh's position. We would like to welcome Mr. Offutt, and appreciate his willingness to serve on the Board. Mr. Offutt will be joining us during an important time of many changes. I would also like to welcome Gina Brown, PTA to the Board. The new statute changed the composition of the Board by removing one lay member and adding a physical therapist assistant. The composition of the Board now consists of five physical therapists, one physical therapist assistant and one lay member. Ms. Brown will be the first physical therapist assistant to serve on the Board. We believe she can provide us with valuable input and advice from a different perspective.

**Question:**

What is a co-visit or joint visit in the telecommunication setting?

Answer:

The board believes a co-visit or joint visit in the telecommunication setting is to be a visit that is made by a PTA and their supervising PT to allow the PT to assess the PTA visit and the progress of the patient. The PT and PTA have to be in the home together for the entire physical therapy visit.

It is felt by the board that the PT should assess the patient's treatment by the PTA and then re-assess the patient to determine progress and discuss changes to the plan of care and the patient's progress with the previously set goals. The board believes the PT and PTA need to be in the home for 100% of the visit time together because unlike other settings with onsite supervision, the PT is not able to periodically observe the interaction between PTA and patient or re-assess the patient progress and tolerance to therapy sessions.

RECENT QUESTIONS & ANSWERS

Question:

When a Physical Therapist is conducting an on-site supervisory visit at the patient's home with a Physical Therapy Assistant, does the PT need to stay with the PTA for the entire visit?

Answer:

The Physical Therapist needs to be present for 100% of the entire initial visit and also 100% for the joint visits.

Question:

I took a class that was not approved by the WV Board of Physical Therapy. Do all of my CE's have to be board approved?

Answer:

The Board decided that continuing education courses sponsored from the following:

West Virginia Physical Therapy Association
American Physical Therapy Association (APTA),
CAPTE accredited colleges/universities

will be automatically approved and will not have to go through the approval and payment process.

If you chose to take a course that is not approved by the board, you can pay to submit the course and the course information to the board for review and approval. The CE form is located on our website www.wvbopt.com. If you take a class that is not approved and you do not submit the class for approval, your license may be suspended if you are selected for the yearly CE audit and your course was not pre-approved.

Question:

I recently completed my DPT taking several courses this year on-line. May I use this course work for my CEU requirement?

Answer:

Yes, if you are currently taking or have taken classes to forward your career in Physical Therapy within the same year that you need CE hours, then we can accept the course as CE credits.

Question:

My license will expire in December of this year and I will be renewing them online. Will you mail me a copy of my license after I have renewed them online?

Answer:

No, you will have 90 days to print a copy of your license after you have renewed them online. If you would like for the office to mail you a copy there is a \$5 fee.

Question:

I am a Physical Therapist in WV and I am currently supervising 2 PTA's. I heard that the supervision ratio was about to change, is this true?

Answer:

Effective July 15, 2010, the Secretary of State has approved the Emergency Rule for Series I "General Provisions for PT & PTA" section 16-1-8 "Supervision of a Physical Therapist Assistant". The Rule has changed the supervisory ratio for PT to PTA to 4:1.

Question:

I am a foreign applicant from the Philippines and would like to apply to your state for licensure. I have taken the TOEFL exam and did not pass in certain areas. However, after taking it again I passed in the areas that I failed in before. Will the Board take combined scores?

Answer:

The Board has made a decision during the June 7, 2010 quarterly Board meeting that effective June 7, 2010 all sections on the TOEFL need to have passing scores on one test and cannot be combined. However, anyone who has tested multiple times in the last 2 years prior to June 7, 2010 and has not passed all the scores in one test can have their passing scores combined.

Question:

Can you please define "on-site supervision"?

Answer:

"On-site supervision" means the supervising physical therapist is continuously on-site and present in the building where services are provided, is immediately available to the person being supervised, and maintains continued involvement in appropriate aspects of each treatment session.

REACTIVATE LAPSED LICENSE

In order to re-activate your lapsed license, please mail the following:

1. Typed request for an application to re-activate with a \$25 money order, cashier's check, or business check (no personal checks) payable to WV Board of Physical Therapy.
2. Include a list of states you are licensed (active or not) as a PT/PTA.
3. If you have not worked as a PT/PTA since that date, we need a statement to that effect.
4. If your name has changed, send a notarized copy of the legal document changing your name with your application request.

After requesting the application, we will need the following:

1. Application - Completed signed, & notarized.
2. Photo per application instructions (send with completed app).
3. Lapsed fee - (\$250 PT/ \$170 PTA) money order or business check (send with completed application).
4. Verifications from the state(s) you are licensed (active or not) as a PT/PTA. Verifications must come directly to us from the State Board(s). We do not accept faxed copies.
5. Continuing Education
 - Proof of Board approved ten contact hours for the previous year license is reactivated
 - Proof of Board approved ten contact hours for the current year license is reactivated
 - Ten Board approved contact hours per year thereafter is required.
 - Acceptable proof of CE is a **notarized** copy of the certificate(s) from course(s) attended that includes the name of the course, dates attended, number of hours awarded, and the name of the company.
 - To get a document notarized, take the original and a copy to a notary. The notary compares the two, puts a statement of the effect that they witnessed the original and this is a true copy, and then puts their signature and seal. They are notarizing their statement-not the document.

Once all the above requirements are met and satisfied, a license can be issued. If requested, a copy of your license can be faxed to your WV employer (only on the issue date).

TOEFL

The Board has made a decision during the June 7, 2010 quarterly Board meeting that effective June 7, 2010 all sections on the TOEFL need to have passing scores on one test and cannot be combined. However, anyone who has tested multiple times in the last 2 years prior to June 7, 2010 and has not passed all the scores in one test can have their passing scores combined.

CE APPROVED COURSES

(by: Melanie Taylor, PT, Vice Board Chair)

The board has made significant changes to CE approvals and additional changes will be occurring once the new Rule is in effect sometime near July 2011. We will note the changes on the website as they occur.

Courses sponsored by APTA, WVPTA, or CAPTE Accredited College/Universities are automatically approved for CE hours and are not required to go through the approval process or have to pay a fee. There is always a list of accepted CEU courses on the board's website.

If you chose to take a course that is not approved by the board, you can pay to submit the course and the course information to the board for review and approval.

If you take a class that is not approved and you do not submit the class for approval, your license may be suspended if you are selected for the yearly CE audit and your course was not pre-approved.

The board is taking a more aggressive stance on licensees not completing required continuing education.

CLARKSBURG, WV 26301
PH: (304) 627-2251

MEMBERS PRESENT: Lesleigh Sprouse, Melanie Taylor, Jack Spatafore, John Spiker, Don Sensabaugh

MEMBERS ABSENT: Shannon Snodgrass

NON-MEMBERS PRESENT: Kate Campbell, Attorney General's Office,
Michael B. Bates PT

MEETING CALLED TO ORDER BY: Lesleigh Sprouse;

MINUTES TAKEN BY: Frankie Cayton

(GUEST SPEAKER)

***Michael P. Bates PT will be speaking to the Board and addressing some areas of interest/concern.
(A copy of his notes may be circulated prior to the Meeting - - if they are provided.)

Mr. Bates spoke to the Board regarding his concerns regarding wording in the Law that addressed the supervision ratio of Physical Therapists to Physical Therapist Assistants. He had consulted with a lawyer and there was some clarification that he felt was needed regarding the one to two ratio. His questions and concerns dealt with:

1. On site supervision vs. indirect supervision for PTA's
2. The ratio of one to two that could be supervised
3. Does the ratio mean "at any one time"; "in any work setting", etc....
4. The fact that the wording in the Law seems to make supervision of PTA's in "the field" less stringent than the supervision requirements in a standing facility where oversight most generally occurs at all times.

*** When Mr. Bates left, the Board discussed his concerns and agreed that he had raised some interesting points. The Board also agreed that the Law is clear regarding the work settings in which on site supervision is required (such as in §16-1-9.3.a.)

The Board believes that they have repeatedly interpreted the Law to mean that the one to two ratio applies in any practice setting. The Board agreed that the Model Practice Act should be checked for wording on supervision and ratios of PT's to PTA's; and that other professions who also license Assistants may have wording that should be checked; i.e. Occupational Therapists.

Don Sensabaugh made Motion that a letter should be sent to Mr. Bates with Lesleigh Sprouse's signature indicating that the Board understands his concerns and also acknowledges that he has raised some interesting points. The letter should also indicate that the Board has a sub-committee in place to review the Law and that the Committee which is comprised of Lesleigh Sprouse and Melanie Taylor will take suggestions under advisement. John Spiker seconded the Motion and since there was No Dissent, it passed unanimously.

(OLD BUSINESS)

1. Minutes of the previous Board Meeting.

*** The Minutes of the previous meeting held May 14, 2008 were reviewed and Motion for approval was made by Don Sensabaugh and seconded by Melanie Taylor. There was No Dissent, so the Motion passed unanimously.

*** The Minutes of the previous meeting held via conference call June 11, 2008, were reviewed and Motion for approval was made by Melanie Taylor and seconded by Don Sensabaugh. There was No Dissent, so the Motion passed unanimously.

*** The Minutes of the previous meeting held via conference call June 18, 2008, were reviewed.

Melanie Taylor brought up the data that was collected and circulated to the Board which reflected fees charged connected with licensing. The spreadsheet reflected that surrounding States were charging less for licensure and related services. Kentucky was specifically looked at in regards to how many services/functions are automated compared to WV.

Lesleigh Sprouse mentioned that information gained from the Kentucky Board of PT indicated that they only have a couple of jobs automated that the WV Board does not - - one being online renewals and another being license verifications.

The Board agreed that they would continue to conduct research and discuss ways to streamline office functions. In lieu of this discussion:

Melanie Taylor made Motion that the Minutes from this Meeting also include the spreadsheet that listed other surrounding States and the Fees that they charge for services. Jack Spatafore seconded this Motion. There was No Dissent, so the Motion passed unanimously and the Minutes were approved as amended with the inclusion of this information.

2. Financial Report - Quarter ending: June 30, 2008

A. (The Financial Report includes expenditures made with the Purchasing Card.)
(Financial Reports kept by WV Financial Information Systems (WVFIMS) are the reports that I was told to utilize at the Sept. 26th, 2007 Licensing Board Meeting.)

Copies of specific transactions with cover sheets are available on site for review and inspection.

*** The Financial Report was reviewed and Motion for approval was made by Melanie Taylor and seconded by Jack Spatafore.

2. Financial Report - Quarter ending: June 30, 2008 (Cont.)

*** B. Additional (& Recent) Assessments to the Board (were listed in May 2008 Minutes)

Discussion needed regarding:

a. Budget Issues
(Continue Accredited School Visits?)

The Board discussed how presentations could still continue at the schools with input coming from the Office and yet curtailing the personal on site visits. It was agreed that perhaps a video presentation could be created at the next on site visit to be made at Fairmont State PTA Program. Jack Spatafore indicated that they more than likely had the equipment necessary to create a DVD that could then be copied and circulated to the instate schools along with "Commonly Asked Questions with Answers" compiled by Frankie Cayton based on the numerous school visits already made.

This concept was unanimously agreed to and there was No Dissent.

*** b. Change how the Wall Certificates are produced and created?

Frankie Cayton showed the Board the various forms that are currently being run directly from the licensure database or other created Word document programs. She also showed the Board the current Certificates being used for Wall Certificates and said that because of their size that they could not be run through the Printers and had to be typed. As a result of this job being done this way, it continues to be a 14-step process just to get one mailed out to a Licensee.

The Board agreed that the size and type of the Wall Certificates could be changed in order that they could be run from a computer program via the printers rather than having them continued to be typed. They also agreed that in addition to making them the correct size which would be 8 1/2" x 11" that the color for the PT Certificates be changed to "Blue"; and that the PTA Certificates would remain "Carmine" (Red).

c. Letterhead Stationery

Melanie Taylor inquired about the Letterhead Stationery and if it could be produced in a way to cut costs.

Frankie Cayton shared with the Board that the last Proof sent to the Office for the Letterhead came via email and that the Proof was saved to the Word Processing Program; which means that the Letterhead can now be produced in house directly from the Word Processing Program via the color laser printer.

2. Financial Report - Quarter ending: June 30, 2008 (Cont.)

*** B. Additional (& Recent) Assessments to the Board (were listed in May 2008 Minutes)

Discussion needed regarding:

d. Office Space (Rent amount)

*** General discussion was held regarding the Lease the Board currently has with Mr. David Allen and if it could be broken.

Don Sensabaugh said he would like to look over the Lease Agreement. Frankie Cayton gave him a copy to take with him.

e. Bills from Attorney General's Office for services

The Board also generally discussed the possibility of rationing time spent contacting Kate Campbell regarding issues and that perhaps this time could be cut back on thus reducing these costs.

f. The Board generally discussed the need to eliminate a staff position in order to free up some revenue immediately. No decision was made at this meeting; but it was decided to have a conference call in the near future to discuss this further.

g. Letter to the Board from Kate Campbell regarding Merit Increases for Board Staff.

The Dental Board had requested an Official Attorney General's Opinion in regards to whether or not Joe Smith of the Governor's Office had the authority to deny merit increases for Board staff/employees.

The Official Attorney General's Opinion stated that Joe Smith did not have the authority to deny merit increases for Board staff/employees.

The Board discussed the current financial situation regarding shortfall versus revenues. It was agreed that a conference call would be set up for September 3, 2008, at 12:30 p.m. to discuss the Board's finances further.

3. Legislative Updates and Reports.)

A. Athletic Trainers Legislation

*** Nothing to Report at this time.

B. Rules and Regulatory Law

*** 1. Status of Emergency Rule (made effective August 5, 2008)

(No comments received during public comment period. Approval needed by the Board to file in final format as per Kate Campbell.)

Kate Campbell shared with the Board that the next step in the process for filing the Rule in final form would be to have the Board vote on it. If the Board votes to approve the proposed Rule, then Lesleigh Sprouse as Board Chair would have to sign off on additional paperwork (and that the deadline to file is Friday, August 29, 2008).

Don Sensabaugh made Motion that the Board approve the proposed Rule in order that it can be filed in final form. John Spiker seconded the Motion. As there was No Dissent the Motion passed unanimously.

4. Continuing Education Updates.

John Spiker and Jack Spatafore are the two Members serving on this Committee. In the event of a "tie" where one votes to "approve" and one votes "not to approve", the material is then copied and sent to the Board Chair for review.

Frankie Cayton shared with the Board that in comparing WV to KY and their operations, that The Kentucky Board of Physical Therapy processes no continuing education submissions and that this is a very time consuming job in the office taking about 1/3 of the time spent.

John Spiker and Jack Spatafore agreed that they would decide upon a day when they could both come to the Office and review the continuing education submission, review, filing and documentation process to see if this process could be streamlined. They agreed to check their calendars and make contact with the Office for an upcoming visit.

4. Continuing Education Updates (Cont.)

*** (Cont. Education Audit Letters were mailed and responses were received)

27 - Physical Therapists Audited
13 - Physical Therapist Assistants Audited

6 had to be contacted a second time with a reminder notice. Notice was sent to the second address available in the database for contact purposes; or to the same address as the first time. The difference being that the first mailing was sent "Certified, Return Receipt Required"; the second mailing went First Class to their last known contact address which meets the Law requirement for contacting individuals.

As of this writing only two people did not return Proof of CE.

Cheryl Murto PT # 523 - submitted an explanation saying she has not worked due to Rheumatoid Arthritis condition; she plans to place her License on Inactive Status effective January 1, 2009. (Status changes only occur during Renewal Season.)

Amy E. Criddle PTA #647 - I spoke with her by phone and she has not worked as a PTA. She has started her own business (PostNet) and plans to place her License on Inactive Status effective January 1, 2009. (Status changes only occur during Renewal Season.)

*** Don Sensabaugh made Motion that the two individuals should be contacted by letter and should be instructed to do their required continuing education within 30 days of the receipt of the letter or send in a written request to go "Inactive". Melanie Taylor seconded this Motion. As there was No Dissent, the Motion carried unanimously.

The Board generally discussed how a situation like this should be handled in the future. Mention was made of increasing continuing education fees and posting them to the Web Site as well as in the Board News Letter. It was suggested and agreed that a fee should be added in regards to "Administrative Costs associated with processing" for those individuals who were found to not be in compliance with the CE requirement and that the fee should be \$100.00.

Melanie Taylor made Motion that in the future an Administrative Cost Associated with Processing be assessed those Licensees who were found to not be in compliance with the requirement to get ten contact hours of CE per calendar year. Jack Spatafore seconded this Motion. As there was No Dissent, the Motion passed unanimously.

5. Disciplinary Committee Report. (Conference calls take place as needed.)

*** Don Sensabaugh and Jack Spatafore are the two Board Members serving on this Committee.

CASE DISCUSSION

Case No. 2007-01 (Original Complaint received 05/16/2007) (18 mos. = Nov. 17, 2008)

*** **Case is Closed** - No Probable Cause
(Cynthia Fox's bill (not submitted as of this writing) will be at least \$700.00 for investigating and also documenting her findings.)

Case No. 2007-02 - (Original Complaint Received 11/26/2007) (18 mos. = May 27, 2009)

*** Probable Cause was found in this Case. Consent Agreement signed by both parties. Six month Suspension of license privileges began on April 21, 2008 and will conclude on October 22, 2008. Invoice for the costs of the dissolution of the Case was sent to Respondent who has until October 22, 2008 to pay the amount in full.

Case No. 2008-01 - (Original Complaint Received 04/01/2008) (18 mos. = Oct. 01, 2009)

*** The Disciplinary Committee agreed that an Ethics Investigator needed to be hired to investigate the issues raised in the complaint.

Ralph Utzman PT has spent some time speaking with the witnesses and also reviewing pertinent office and patient records.

Don Sensabaugh shared with the Board that Ralph Utzman, Ethics Investigator for the Board had copied and submitted to the Disciplinary Committee copies of patient records and time charts; the equivalent of which was 520 pages. He instructed Frankie Cayton to have a set of copies made in order that he and Jack Spatafore could each have their own set to take and review. He told the Board that a recommendation would be forthcoming after the review of the records.

6. Office Updates.

A. Workstations and licensing system software are being upgraded.

The office is still moving towards the goal of making on-line renewals via the new Web Site for licensees a reality. In lieu of this goal, a Web-based data base was created by Matthew Thornton who also created our new Web Site: www.wvbopt.com On-line renewals could be a reality for licenses expiring 12/31/2009.

Frankie Cayton discussed the need to have a test group try out the online renewal program as it was in place for use now. The idea being that any problems with online data information being submitted by a Licensee could be dealt with and eliminated prior to making it available to everyone.

John Spiker said that he and the people at his facility who were due to renew would be willing to use the online system as that test group.

So, sometime after October 1, 2008, there will be a few Licensees who will access and utilize the online system.

B. Discuss processing wall certificates via the computer program vs. getting printed and typing. (This was discussed and decided earlier in the Meeting.)

C. Annual and Sick Leave Information

State Employees with less than 5 years of service accrue 1 1/4 vacation days/month and 1 1/2 sick days/month (15 days vacation & 18 sick days)

State Employees with 5 years but less than 10 years accrue 1 1/2 vacation days/month and 1 1/2 sick days/month (18 days vacation & 18 sick days)

State Employees with 10 years but less than 15 years accrue 1 3/4 vacation days/month and 1 1/2 sick days/month (21 days vacation & 18 sick days)

State Employees with 15 years of service or more accrue 2 vacation days/month and 1 1/2 sick days/month (24 days vacation & 18 sick days)

Time can be taken an hour at a time or a day at a time. Staff coordinates time off with each other based on work load.

7. Board Newsletter. (Previous Newsletters now appear on the Web Site)

(Articles for the next issue should be submitted by the end of September 2008)

(NEW BUSINESS)

8. CLEP Coursework - Accepted by the Board ?and How Many Credits to Accept ?

(Foreign-educated person from India, Suhrutha Gujjula, is still interested in this information)

The Board generally discussed this issue.

Melanie Taylor made Motion that the Board accept six (6) hours of General Education (with none containing lab classes). Don Sensabaugh seconded this Motion. As there was No Dissent, the Motion carried unanimously.

9. Update on foreign-educated possible applicants:

A. John Lapid

John Lapid has contacted I.C.A. and indicated that he will have a re-evaluation performed utilizing the Retro Course Work Tools.

B. Filnara Derrington

Ms. Garrett says she was involved in a conference call Friday, May 4, 2008 at 8:00 p.m. with Ms. Derrington and Debra Long, Mgr. of Rehab., Pleasant Valley Hospital. Ms. Garrett could not tell if Ms. Derrington would apply for the use of the Retro Course Work Tool or not.

C. Randy Abella

Mr. Abella has not contacted I.C.A.

D. Suhrutha Gujjula (this is the person interested in CLEP Coursework)

Ms. Gujjula did contact I.C.A. and informed them that her husband is a doctor and that they are relocating to Michigan. She will not be pursuing a WV PT License.

The Board agreed that a letter to Ms. Gujjula with Lesleigh Sprouse's signature informing her of the decision made this date to accept six (6) hours of General Education be sent.

E. Arnel Sanchez Mendoza

Mr. Mendoza has contacted I.C.A. and is requesting a re-evaluation utilizing the Retro Course Work Tool.

(NEW BUSINESS - CONT.)

9. Update on foreign-educated applicants (Cont.)

F. Lynn Mendicino-Nettles - (educated in Norway)

*** Mr. Vargas sent us his opinion regarding her information that she sent him. Lesleigh Sprouse contacted him via letter and mentioned deficiencies noted in the I.C.A. Eval.

Ms. Mendicino-Nettles sent an email to the Board Office wanting Lesleigh Sprouse's contact information. I forwarded the email to Lesleigh for review.

Ms. Mendicino-Nettles sent a Certified Letter to the Office addressed to Lesleigh Sprouse's attention. The Office forwarded it onto Ms. Sprouse.

Ms. Sprouse informed Administrator to email Ms. Mendicino Nettles informing her that we received the email and the Certified Letter and that the Board would have this subject on the Agenda for the August 27th Meeting.

*** The Board discussed this issue and agreed that a letter should be sent to Ms. Mendicino-Nettles with their conclusions.

Don Sensabaugh made Motion that a letter be sent to Ms. Mendicino-Nettles stating that the Board finds no bias in ICA's evaluation of her educational credentials; and while Dr. Vargas approved the criteria and educational information submitted to him, he was not given a copy of the Evaluation performed by ICA which noted and also identified deficiencies in her course work. The letter should go on to state that the Board agrees that ICA has adequately identified deficiencies in her education and accordingly, the Board's decision is that she is not eligible for Licensure in WV according to 16-1-10-1.&2.

The Letter should also state that the Board did adopt the use of Retro Coursework Tools for use by ICA in its meeting of April 2, 2008; and since ICA is the only Board-approved Credentialing Agency, it would be her decision as to whether or not to contact them and request that the appropriate Retro Coursework Tool be applied to her educational information with a re-evaluation being performed. The Letter should go on to state that if she chooses to do this, then ICA would send the results of this evaluation to the Board for its consideration.

Melanie Taylor seconded this Motion. As there was No Dissent, the Motion passed unanimously.

10. Recently Asked Questions:

(A. - E. Submitted by Melanie Taylor on behalf of someone else.

*** A. **Question:** How much supervision is required for a PT Tech to provide physical therapy services in an acute care or acute rehab setting?

Answer: The Board agreed that the PT Tech can assist in the performance of the Physical Therapy treatments and or service, but can only be supportive in nature when with the PTA, i.e. holding wheelchair, assisting with transfers for safety, moving IV pole, etc.... The Members also agreed that the PT Tech must be supervised by the PT and "supervision" is defined as "authoritative procedural guidance with initial direction and periodic inspection on a regular basis by a PT and that it requires the "actual physical presence of the PT in the immediate treatment area where the treatment is being rendered." (According to §16-2.6. and WV Code §30-20-2. Definitions (h) (1).)

B. **Question:** Can a PT or PTA bill for an exercise group done solely by a PT Tech? Such as a 15-20 person group in the middle of the gym while the PTAs and PTs are working with other patients? Does a PT need to be in the same room or participating in the group?

Answer: The Board agreed that the supervising PT must initiate, monitor and participate in the activity; and that the activity cannot be physical therapy if done by a PT Tech.

The Board agreed that the PT must supervise "Other Assistive Personnel"; not the PTA (According to §16-2.5. & 2.6)

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered.

C. **Question:** Is there a limit on the number of patients that can be seen in a group setting for exercises?

Answer: The Board agreed that there is no provision in the Statute or Rules governing the practice of Physical Therapy; and that ultimately the PT should decide the appropriate number to safely allow in a group activity.

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered

10. Recently Asked Questions (Cont.)

D. **Question:** Would it be unethical or improper for a PT to see patients (and not bill for the service) in order to “walk” or “ambulate” to maintain their skills? Documentation would show the service as being non-skilled service.

Answer: The Board agreed that there is nothing in the Statute or Rules governing the practice of Physical Therapy that would indicate this as being inappropriate. It would not be, therefore, in violation of the Physical Therapy Law.

The Board agreed that they cannot give advice regarding billing issues and that such questions should be referred to the appropriate third party payer or CMS for what they require for supervision to make payment on such services rendered

E. **Question:** Since the Ohio Board of PT has decided to drop the “licensure applicant status” for new grads, is the WV Board considering dropping a temporary License?

Answer: The Board agreed that this answer to this question is “No”.

F. **Question:** How long does a facility have to keep hard copy patient records? Records are being transferred to storage devices and they want to discard the hard copy records.

Submitted by: Kanawha Valley PT

Answer: The Board agreed that the facility should pose this question to their own legal counsel.

10. Recently Asked Questions (Cont.)

G. **Question:** I am a PT in a nursing home with 2 PTAs as well as another PT as our Director of Rehab. We will be having another PTA as weekend PRN help and I have a question regarding the legalities of the supervised visits. The practice act states that the PTA's first visit with the patient must be supervised by a PT. (#1) Is this direct supervision ; and (#2) Must supervision be performed for 100% of the visit or is there a minute/unit guideline.

Answer: The Board agreed that the answer to the first part of the question is "Yes"; and the answer to the second part of the question is also "Yes".

As an example, could the patient, the PT and the PTA perform gait training together for approximately 15 minutes and the PTA be able to perform therapeutic exercises w/o the PT being present as long as instruction was given by the PT. Or, does the PT need to be present for the entire initial or joint visit?

Submitted by: Courtney Taylor PT

Answer: The Board agreed that the PT needs to be present for 100% of the entire initial visit and also 100% for the joint visit.

According to §30-20-2.(h)(1) "As contained in this section, the term "direct supervision" means the actual physical presence of the physical therapist in the immediate treatment area where the treatment is being rendered.

H. **Question:** I am a PT practicing in WV. I am currently employed by a company holding several long term care contracts in my area. I supervise a PTA at one of these facilities. I am no longer interested in supervising this PTA secondary to a variety of issues, including delinquent documentation, frequent patient/family/staff complaints of poor physical therapy treatments, not adhering to plan of care, etc... The company employing both the PTA and myself have issued several improvement plans for the PTA - - none of which have been adhered to.

My questions are:

1. Can I legally pull my supervision from this PTA?
2. If so, am I required to give Notice, and if so, how much notice?
3. So long as I agree to see these patients independently, can I legally be subject to disciplinary action from my employer for refusing to supervise this PTA?

Submitted by Anonymous

Answer: The Board agreed that the person inquiring should consult with a private attorney or an Employment Lawyer.

Emergency Meeting of the WV Board of Physical Therapy
Via Conference Call
October 2, 2008

Members Present: Lesleigh Sprouse, John Spiker, Shannon Snodgrass, Melanie Taylor
Members Absent: Don Sensabaugh, Jack Spatafore
Non-member Present: Kate Campbell, Attorney General's office

Meeting called to order by Lesleigh Sprouse at 12:10 pm
Minutes taken by Melanie Taylor

Agenda

1. Discussion on Emergency Rule Changes or Additions

It was discussed that in the changes that were made in the last meeting it now appeared that for foreign trained PT only had to take one section of the English proficiency test. We need to change the wording to ensure that applicants take all 3 tests on English.

It was discussed that in sub section 16-1-6 we need to delete "or re-issued in the same calendar year" to make the rules for PT's and PTA's parallel.

The board also discussed again the issue of raising fees. After a long discussion it was agreed upon again to not increase any of the fees that were not changed in the last meeting.

Motion was made by Melanie Taylor to:

1. Change all the "or" Sub section 16-1-10c(1) to "and" so it is clear all three test must be take.
2. In Sub Section 16-1-6 delete "or reissued in the same calendar year"
3. Leave all fees that were not previously changed the same.

Motion was seconded by Shannon Snodgrass.

Meeting was adjourned at 1:00.

**Emergency Meeting of the WV Board of Physical Therapy
via Conference Call, October 15, 2008**

Public Session:

Noon till 12:50 p.m.

Members Present: Lesleigh Sprouse, Shannon Snodgrass, John Spiker, Jack Spatafore,
Don Sensabaugh

Members Absent: Melanie Taylor

Non-Members Present: Kate Campbell of the Attorney General's Office

Meeting Called to Order By: Lesleigh B. Sprouse, Board Chair

Minutes Taken By: Frankie S. Cayton

Points of Discussion:

1. To Discuss Disciplinary Case No. 2008-01

Don Sensabaugh, Member of the Disciplinary Committee, gave an update to the Board regarding the Ethics Investigator's Findings in this Case. Ralph Utzman PT had been enlisted by the Committee to physically visit the facility and to also take statements from witnesses. In the course of his investigation, Mr. Utzman also made copies of personnel and supervisory records as well as patient and daily scheduling records. These documents were forwarded to the Board Office and copied for each of the Disciplinary Committee Members for their review. The number of documents accumulated were over 520 pages.

Based on the review of all the information received, Don Sensabaugh and Jack Spatafore said that their recommendation to the Board would be one of Probable Cause based on records reflecting instances of improper supervision of personnel. It was noted in the documentation that the Respondent had established an Athletic Trainer as the direct supervisor for the Complainant in this Case who is a Physical Therapist Assistant. They further recommended that a Consent Order be created to be sent to the Respondent. The Consent Order should stipulate that Respondent would get a one-year probation, receive a public reprimand, pay legal, administrative and procedural costs associated with this Case, and also submit to unannounced visits at his own expense over the course of the year during the probationary period.

General Discussion:

The Board discussed the Disciplinary Committee's recommendation at length.

**Emergency Meeting of the WV Board of Physical Therapy
via Conference Call, October 15, 2008
Page 2**

Points of Discussion:

1. To Discuss Disciplinary Case No. 2008-01 (Cont.)

Motion:

John Spiker made Motion that Probable Cause be found in this Case. He further moved that the Respondent be given a public reprimand, a two-year probation with unannounced visits to be made to his facility and paid for at his own cost; that during this period of probation no students - - either PT or PTA -- be allowed to participate in clinical training via Respondent's facilities. He further moved that the Consent Order should stipulate that Respondent be required to pay all legal, administrative and procedural costs associated with this Case.

Jack Spatafore seconded this Motion; as there was No Dissent, the Motion carried unanimously.

General Discussion:

Don Sensabaugh made mention that a six-month status update letter was due to go out to the Complainant in this Case. Kate Campbell said that she would work on the Consent Order and also on the letter to the Complainant. It was agreed that she would notify Lesleigh Sprouse when the documents were ready in order for Lesleigh to stop by her office and sign off on them.

Adjournment:

Being as there was no further business to discuss, the Meeting adjourned by acclamation at **12:50 p.m.**

WV Board of Physical Therapy – Sunset Committee Conference call – Nov. 11, 2008

Public Session Called to Order by Lesleigh Sprouse @ 12:00 noon

Members present : Lesleigh Sprouse, Shannon Snodgrass, Melanie Taylor

Members Absent : None

Non Members Present : None

Minutes taken by Melanie Taylor

Purpose of Meeting

1. Discussion of PT and PTA supervisory restrictions of other states. She attached charts. Discussion also of the number and setting of PTA Disciplinary actions. There were a total of 9 disciplinary actions against PTA's since 2001. Of those 9, 2 cases were found to have no probable cause. In the remaining 7 cases that were found to have probable cause all of the settings were either Home Health or Nursing home.

Discussion also about new graduates working in those settings. It was discussed that most Home Health Agencies require PT / PTA's to have at least a year experience before working in the setting, but we are unsure if Nursing Homes require such experience before working in their setting.

Discussed possible limits to the PT / PTA ratio based on PTA experience or requiring increased supervision to increase the number of PTA supervised by a PT. For example:

1. Pennsylvania allows 3PTA's to each PT however they have to have 1 year experience and have more frequent supervisory visits if practicing without onsite supervision, such as Home Health, Nursing home, and school settings. PTA can practice in outpatient without a PT on site 50% of the time; however, Medicare does not allow billing of Medicare if PT is not on site.
2. New York allows a higher PTA to PT ratio with direct, on-site supervision, but limits PTA to PT ratio in settings with telecommunication supervision.

Discussed process of emergency rule. Plan to discuss the above findings with the board at the next meeting on 11-12-08.

Meeting adjourned @ 1:05 pm.

MEMBERS PRESENT: Lesleigh Sprouse, Melanie Taylor, Jack Spatafore, John Spiker,
Don Sensabaugh, Shannon Snodgrass

MEMBERS ABSENT: None

NON-MEMBERS PRESENT: Kate Campbell, Attorney General's Office,

MEETING CALLED TO ORDER BY: Lesleigh Sprouse ;
MINUTES TAKEN BY: Vicki Maxwell (Amended Minutes By: Frankie Cayton)

(OLD BUSINESS)

1. Previous Discipline of Board Employee. (Motion with vote necessary to go into Executive Session)

Motion made by: Melanie Taylor Seconded by: Don Sensabaugh
Unanimous approval

Executive Session (time convened: 10:12 AM (Motion with vote necessary to go back into Public Session

Motion made by: Melanie Taylor Seconded by: John Spiker

(time convened: 11:34 PM)

Any Discussion:

Melanie Taylor made a motion, seconded by Don Sensabaugh, and unanimously approved that a letter would be formulated to Frankie Cayton regarding probationary issues. Probation will be extended until the next Board meeting.

2. Minutes of the previous Board Meetings.

*** The Minutes of the previous meeting held August 27, 2008 were reviewed and Motion for approval was made by Don Sensabaugh and seconded by Shannon Snodgrass.

*** The Minutes of the previous meeting held September 26, 2008 were reviewed and Motion for approval was made by Don Sensabaugh and seconded by John Spiker.

*** The Minutes of the previous meeting held via conference call October 2, 2008 were reviewed and Motion for approval was made by Melanie Taylor and seconded by Don Sensabaugh.

*** The Minutes of the previous meeting held via conference call October 15, 2008 were reviewed and Motion for approval was made by Don Sensabaugh and seconded by John Spiker.

3. Financial Report - Quarter ending: September 30, 2008

A. (The Financial Report includes expenditures made with the Purchasing Card.)
Financial Reports kept by WV Financial Information Systems (WVFIMS) were given to the Board.

Copies of specific transactions with cover sheets are available on site for review and inspection.

Don Sensabaugh asked for the FIMS Report ending September 30. He was given the office copy to review. He suggested a spreadsheet be kept and distributed each month showing expenditures. Also, he believes members need the quarterly FIMS Report.

Frankie is to have budget info distributed by next week showing expenditures and deposits.

Last FIMS Report shows balance of \$12,698 at the end of June 2008. As of June 2007, the revenue income was \$20,000 less.

Discussion about when Conda would be paid for annual and sick leave. Kate stated that she doesn't think pay is given for sick leave and will check to clarify.

Discussion re needing to know from the State when Conda will be paid for budget purposes.

Melanie Taylor made the motion that Frankie should produce a monthly statement showing expenditures, deposits and a running balance in the same format as the quarterly report until further notice. Also, Frankie needs to find out when Conda Mace will be paid for vacation time and/or for sick leave. Seconded by Don Sensabaugh and unanimously approved. Melanie will notify Frankie via email concerning what is needed.

*** The Financial Report was reviewed - no motion to approve due to incomplete information.

General Discussion:

B. Budget Update - (Monthly WVFIMS reports and Revenue Log Sheets were previously circulated.)

Balance as of: Monday, November 10 = \$10,000

C. Office Space

An inquiry was made to Carolyn Thomas of Leasing in regards to any other available space in the immediate area. A mention was also made regarding any small Agency in the area that might be interested in sharing space with the Board in our current location. (This would be subject to our Landlord's approval, of course.)

No word from Leasing to date. Article did appear in Clarksburg Paper reflecting the plans to tear down the old State Office Bldg. and build a new one with local State Agencies that were forced to move out - - to move back.

Blackburn Architectural Associates were contracted to create blueprints of the new space a few years ago. Cost to the State for this service was approximately \$400,000. There are copies of the blueprints that were designed for this Agency's space on site.

A second email to Carolyn Thomas of Leasing was sent.

Discussion by the Board included:

Frankie Cayton contacted Carolyn Thomas of Leasing in Charleston concerning other available office space in the immediate area. and received no response. After follow-up by Frankie, still no response.

Discussion about the office space being more than is needed, our rent being high, and Frankie speaking to the Landlord, David Allen, about a reduction in rent. It was decided that since we plan to move in a few months, it wouldn't be fair to Mr. Allen to ask for a reduction in rent, then leave.

4. Legislative Updates and Reports.

A. Athletic Trainers Legislation

Nothing to report at this time.

B. Rules and Regulatory Law

*** 1. Status of Emergency Rule (made effective August 5, 2008)

(Lesleigh Sprouse will report on what the Board may expect during the upcoming Legislative Session; i.e. other interested parties amending our current Rule.)

Lesleigh Sprouse gave report.

Discussion about questions raised concerning proposed changes. Don Sensabaugh suggested that a statement be put on the website that the changes will not change the supervisory ratio. The Board's intent is to clarify the current law and to avoid complaints of inconsistencies. Lesleigh is to make the statement and also add questions and answers.

Melanie Taylor gave a report about supervisory ratio from information received from other states. It was the general consensus that we should not change our ratio at this time.

Anyone can look at the changes on the Secretary of State's website, <http://www.wvsos.com>

Don Sensabaugh commented that perhaps the reason we have so few disciplinary cases is because we have a stricter ratio than some other states.

The Board decided now is not the time to think about changing the supervision ratio, but may change it later.

Discussion about the possibility of lobbyists affecting the ratio law.

Lesleigh mentioned that Nancy Tonkin had contacted her about amendments and that she does not think the WVPTA would try to add an amendment to the current changes this Board has proposed.

Melanie Taylor suggested, and it was unanimously agreed, that the next Board meeting be scheduled in January instead of February so they could meet again before the Legislature convenes and possibly see what they will be reviewing.

C. Sunset Committee Report

*** (Serving on this Committee are Lesleigh Sprouse, Melanie Taylor and Shannon Snodgrass.)

Melanie Taylor created a summary sheet about information collected from other states which was given to all Board Members (see attachment).

5. Continuing Education Updates.

(John Spiker and Jack Spatafore are the two Members serving on this Committee)

*** Reminder letters were sent out to Ms Murto and Ms. Criddle with Lesleigh Sprouse's signature after the 30 days for each of them had expired.

The response received was that one was disabled and the other has not been working in physical therapy but would complete the required CE. Nothing has been received as yet. Both are due to renew this year.

Discussion about nothing being in our Law to discipline licensees who do not comply with the CE requirement.

Don Sensabaugh stated that their license could be suspended according to 30-20-10(9). Discussion followed about suspending a license for noncompliance of CE requirements after the 30 days given to comply.

Kate Campbell suggested that the license of those not complying with the CE be changed to a lapsed status and not in good standing.

Don Sensabaugh cited excerpts from the Law 30-20-8(b) that states that to renew a lapsed license, a renewal fee would be charged for each year it was lapsed.

Melanie Taylor made a motion, which was seconded by John Spiker and unanimously approved, that a form letter be created by Don Sensabaugh that a license has lapsed and is not in good standing due to noncompliance of CE requirements with a copy sent to the employer. They are given 30 days to provide proof that they completed the CE requirement, not 30 days to complete the CEUs. The form letter will be emailed to Frankie, who will prepare a letter for Lesleigh's signature.

Discussion about when the CE Audit is run, when letters are mailed and the percentage of licensees audited.

Shannon Snodgrass made a motion, seconded by Melanie Taylor, and unanimously approved that the percentage of licensees in the CE Audit be changed from 2% to 5% for 2009 with audit letters being sent no later than February 2009. It was also agreed that notice of the increase in the number of licensees audited be placed on the Board website, as well as the Association website. In the notice, only that there will be an increase, not the percentage.

- *** B. Update from John Spiker and Jack Spatafore resulting from CE Review/Office Visit
(Their recommendations)

The recommendation was made for CE to be approved in the Office without sending to the Committee Members, unless there is a question. This would save time, postage, paper, copying, and faxing. It was estimated that the number of courses not receiving approval by the Committee in a year is 1% or less.

- *** C. Use PRT (Practice Review Tool) for CE credit?

FSBPT has a 3 hour Continuing Competence Test that Lesleigh Sprouse and Melanie Taylor are scheduled to take in December. FSBPT recommends offering 10 credit hours. Other states are offering part or all of the 10 credit hours. The purpose of the test is to find areas that need improvement.

Melanie Taylor Made Motion that 3 hours be approved for the course since CE guidelines designate that only actual contact hours may be counted. Jack Spatafore seconded this Motion and also suggested that the FSBPT submit our CE Form for our records with the required fee waived. Melanie Taylor is to contact FSBPT with this information. The Motion and second Motion passed unanimously.

6. Disciplinary Committee Report (Conference calls take place as needed.)

*** (Don Sensabaugh and Jack Spatafore are the two Board Members serving on this Committee.)

A. CASE DISCUSSION

Case No. 2008-01 - (Original Complaint Received 04/01/2008) (18 mos. = Oct. 01, 2009)

Don Sensabaugh stated that **Case No. 2008-01** is the only open case. He and Jack had a teleconference and a Probable Cause letter with allowance of 30 days for a response will be sent.

6. Disciplinary Committee Report (Cont.)

B. Information circulated to the Disciplinary Committee regarding advertising by a Massage Therapist.

Don stated that this is not the job of the Disciplinary Committee. He suggested that a letter be sent to the Massage Therapy Board with a copy to the facility.

Kate Campbell said the only course of action would be to file an injunction against the Massage Therapist from practicing physical therapy.

Recommendation that Kate will call Frankie about drafting a letter.

C. Discipline Case Information (Information presented at the FSBPT Meeting)
(Melanie Taylor to report on standardizing discipline as presented in Annual Mtg. Session)

Melanie Taylor received information that some other Boards send all their Board Members for CLEAR training so that they can conduct investigations of complaints. Discussion about different states' procedures for investigating and disciplinary cases.

Don stated that would not be a good idea since Board Members change and only an average of 1 complaint per year is received. And, we have the option of hiring a private investigator.

Discussion about private investigators not being familiar with physical therapy and not knowing pertinent questions to ask or information to find.

Don commented on the excellent and thorough investigation conducted by Ralph Utzman and how his report included reference to the Law.

Shannon Snodgrass asked why it takes so long to process a complaint. Don said that he spoke to the complainant to explain the process of investigating, reviewing material, Committee meetings, correspondence via mail, etc takes some time. Then, a decision is made and a letter sent with 30 days being given for a response.

Kate Campbell mentioned that this Board has a good turnaround time on disciplinary cases.

Shannon Snodgrass suggested training investigators who are retired physical therapists or PTs not currently working. She also suggested that discipline for offenses by the same licensee be more severe each time.

6. Disciplinary Committee Report (Cont.)

C. Discipline Case Information (Cont.)

Discussion about information Melanie Taylor received from other states for disciplinary guidelines. She particularly liked the guidelines used by the California Board where offenses and penalties are spelled out. Don suggested looking at the California Guidelines.

7. Office Updates.

A. Online License Renewals.

*** The Treasurer of State's Office and Matthew Thornton, Web Site and Database Designer are working together to get the online portal ready to receive credit card payments on or about November 15, 2008.

A test group made up of John Spiker and Licensees at his facility who are due to renew will have access as soon as it is ready.

A credit card payment account is to be set up in Charleston. Frankie is to call tomorrow and send Lesleigh Sprouse and John Spiker her findings.

B. Wall Certificates

*** GOES Certificate paper that can be used with laser printers has been purchased. So in the future, these will no longer be typed; but instead will be run via the computer.

Certificate Paper for PT's is Blue; and for PTA's Carmine (Red)

C. School Presentations

*** A generic power point presentation for students has been created by the FSBPT. The Office will be getting a copy (or copies) of this from Mark Lane to share with the instate PT/PTA Programs.

7. Office Updates (Cont.)

D. Conda K Mace, Retired

*** Conda Mace finalized her retirement paperwork and retired effective November 1, 2008. She had unused annual and sick leave time that amounted to 1648 hours that will be paid from our account into her retirement allotment. (Amount for annual leave days and pro-rated increment = \$4,264.75). (Amount for unused sick time = N/A)

She would be willing to come a couple days per week as a part time employee at an hourly rate (w/o benefits) as needed.

Suggestion made to hire Conda under contract at the rate of pay she was receiving when she worked full time for 16 hours per week, and not to exceed 8 weeks, to help during renewal season.

The Board decided that before a final decision is made, the budget needs to be reviewed and what the hourly rate would be. Since the Board will not meet again until after renewal season, Don Sensabaugh made the motion, seconded by Melanie Taylor, and unanimously approved, that Lesleigh Sprouse is to make the decision after reviewing the budget and is informed of the hourly rate.

*** E. Vicki Maxwell

A title change would be in order for Vicki Maxwell from Office Assistant to either Administrative Assistant or Assistant Executive Secretary.

Decision to table until next meeting.

8. Board Newsletter. (Previous Newsletters now appear on the Web Site)

*** The current issue is almost finalized and will be posted to the Web Site soon.

An additional article on the Emergency Rule has been written by Lesleigh Sprouse that will appear in the Board's News Letter. She is also going to submit it for inclusion in the Association's News Letter.

The most recent newsletter is currently on-line.
Shannon Snodgrass asked if the newsletters could be mailed with license renewals. It was decided not to mail the newsletters because of the cost involved.

8. Board Newsletter (Cont.)

Melanie Taylor noted that the question she submitted by a licensee was not in the newsletter.

Lesleigh Sprouse explained that the responses in this newsletter were from previous meetings. The question should be in the Spring 2009 Newsletter. Articles for the next newsletter should be submitted by the end of April/May.

(Articles for the next issue should be submitted by the end of April/May 2009)

Assigned topics for the fall/winter newsletter will be as follows:

- A. Introduction/Greeting - Lesleigh B. Sprouse
- B Rule changes
- C.
- D.
- E. Recently asked questions - Frankie Cayton
(Approved in Minutes)
Disciplinary Actions; Address Change Reminder
Continuing Education Requirement Reminder (Fee Information?)

It was also previously agreed that the News Letter should include any and all recent training done by the Board Members and/or Staff. **Board News Letters are posted and may be downloaded from our Web Site in pdf format.**

9. Update on foreign-educated possible applicants:

A. John Lapid (educated in the Philippines)

*** John Lapid had a re-evaluation performed by I.C.A. utilizing the Retro Course Work Tools. He was still found to be deficient. In lieu of that finding, he has submitted additional documentation to the Board for consideration.

Per ICA, he does not meet the criteria for licensure. He attended a CE course on Wound Care. After discussion, it was decided that he has the option to send the course to ICA for evaluation.

9. Update on foreign-educated possible applicants (Cont.)

B. Sharda Mohammed (educated in Canada)

*** Sharda Mohammed had an evaluation performed by I.C.A. utilizing the Retro Course Work Tools. She was still found to be deficient. In lieu of that finding, she has submitted additional documentation to the Board for consideration. (This information was previously circulated.)

Pending ICA report.

Discussion by the Board included:

Discussion using ICA or FCCPT credentialing agencies. Lesleigh Sprouse stated that Linda Blass of FSBPT believes 100% to be too strict. Discussion regarding the Board's previous decision to use the retro tool and keep 100%. Per Lesleigh, ICA suggests 75% because if 100%, course work must have the exact same title. And, that the goal of FSBPT is movability of therapists between states. The previous Board changed to 100% in 2005. Texas is the only state that uses 100%. Lesleigh Sprouse stated that in April, the 4th version tool will be tougher and that FCCPT trains users and continues to monitor proper use of the tool. Discussion that the FCCPT created the tool and monitors its use closely, but it is not known what ICA does.

*** C. Lynn Mendicino-Nettles - (educated in Norway)
(Nothing to report at this time.)

West Virginia Board of Physical Therapy
Conference Call on 12-10-08
Amended Minutes

Members Present : Don Sensabaugh, Jack Spatafore, Lesleigh Sprouse, Melanie Taylor

Members Absent : John Spiker, Shannon Snodgrass

Meeting called to order by Lesleigh Sprouse at 12:04 pm
Minutes taken by Melanie Taylor

Points of discussion

1. Letter from Genesis :

Lesleigh will revise her letter and e-mail to board members again. The letter will state that the board is not currently changing any of the law or the rules regarding the supervision of PTA's by PT's we are attempting to better define the term of supervision. The letter will also discuss the fact that the board has researched the disciplinary cases and all the cases involving PTA's that have probable cause, are settings involving indirect supervision. The letter will also include that the board is happy to hear the opinion of Genesis and the APFA, but we are not ready to meet with individual groups.

2. Lesleigh has spoken with ICA and has discussed with the board that ICA does continually train their employees on the use of the course work evaluation tool. ICA suggested that the tool should be used as it is designed to be use.

Motion was made Don and seconded by Lesleigh to lower the standard to 75% and not use the electromyograph (# 11) section of the tool. Voting For the motion was Lesleigh Sprouse, Don Sensabaugh, and Jack Spatafore. Voting against was Melanie Taylor.

Lesleigh will construct a letter to ICA advising of the Boards recent changes.

3. The board has received a call regarding an extension for a current respondent to either sign the current Consent Agreement and Orders or request a Hearing. He was instructed to submit the request in writing. The Board discussed a giving a 15 day extension due the respondents attorney being replaced. Once the written request is received, The board will issue a response letter giving a 15 day extension for either the Consent Agreement to be signed and comply with the orders or request a Hearing. The original 30 days will expire on January 3, 2009.

Meeting was adjourned at 12:39 pm.

GUEST SPEAKER (Cont.)

It was discussed and decided that during the Legislative Sessions when Committees would be meeting that a representative from the Board needed to be there. Lesleigh Sprouse and/or Don Sensabaugh both stated they would be willing to attend these meetings and be ready to present the Board's position.

Eric Shaw inquired of the Board as to their feelings regarding a Study Resolution by the Legislature. The Board told Mr. Shaw that it has a Sunset Committee in place that is looking at Statute changes.

Mr. Shaw is also concerned about Term Protection, Scope of Practice, Mobilization vs. Manipulation and Direct Access.

Don Sensabaugh made Motion concerning the following:

§16-1.2.4. - omit language at the end of the sentence

§16-1.7.2. - change "direct" to "onsite"

§16.1.9.C.3. - eliminate PT's with a temporary permit from the supervisory ratio

Melanie Taylor seconded the Motion. As there was No Dissent, the Motion carried unanimously.

(OLD BUSINESS)

Two-day priority Mail services increased from \$4.80 to \$4.95 effective January 18, 2009; all other postage will be increasing in May 2009.

(All Bills are current and paid except for the RHBT (Retirement Health Benefits Trust Fund - - or kitty). Amount owed which can be carried as a debt is \$1,926.92.

The Financial Report was reviewed and Motion for approval was made by Melanie Taylor and seconded by Shannon Snodgrass. As there was No Dissent, the Motion carried unanimously.

5. Financial Report - Quarter ending December 30, 2008 (Cont.)

General Discussion:

Office Space

Lesleigh Sprouse and Frankie Cayton have contacted Carolyn Thomas of Leasing several times via email and phone calls requesting assistance with either re-locating to office space with less square footage; or finding a suitable tenant to sub-let space at our current location.

Shannon Snodgrass mentioned that the OT Board is located in Morgantown, WV and that there is only one staff person who works part time.

Kate Campbell said that she would speak with the Counsel in the A.G.'s Office regarding the OT Board and also speak to the OT Board.

Frankie Cayton shared that the Osteopathy Board's Administrator is retiring in August 2009. The Board shares space in her personal office in Weirton, WV, and will have to actively find somewhere to relocate their Office.

Frankie Cayton also shared that an IT person would be coming the following day to change the static IP on the Internet Cable Modem as per Time Warner's request. The IT person currently shares space at the Division of Highways in Bridgeport and works locally in the area with several other State Agencies. He said that he would be interested in viewing the space as well as putting the word out that space is available here.

6. Legislative Updates and Reports

A. Athletic Trainers Legislation

Eric Shaw had reported earlier in the Meeting that the Association has not been approached by the Athletic Trainer's new President, Mr. Joseph S. Blausen, MS, ATC, CEAS.

B. Rules and Regulatory Law

1. Status of Emergency Rule (made effective August 5, 2008)

Discussion was held earlier in the Meeting concerning this issue.

6. Legislative Updates and Reports (Cont.)

B. Rules and Regulatory Law

2. Position Statement written by Kate Campbell, Assistant Attorney General

Discussion and suggestions made by the Board in order for revisions to be made to the Statement by Kate Campbell.

3. Response letter to Amy Tipton of Genesis

Lesleigh Sprouse reported that Ms. Tipton did get the letter and that she had commented to Nancy Tonkin, Exec. Director of the WV PT Association that the response received from the Board was positive.

4. WV PTA Lobby Day - (Monday, March 2, 2009)

Lesleigh Sprouse reported that the format for how the day works has changed. She suggested that anyone interested in the activities or scheduling for that day check the WV PTA Web Site for details. Ms. Sprouse is planning on attending and will be prepared to discuss the Board.

5. Legislative Meeting at the Capitol on January 27, 2009

Lesleigh Sprouse had learned of this meeting and is planning on attending and will follow up with a report to the Board.

C. Sunset Committee Report

(Serving on this Committee are Lesleigh Sprouse, Melanie Taylor and Shannon Snodgrass)

Lesleigh Sprouse shared that the Committee will be getting together in this Quarter and will be prepared with a report and update by the next Bd. Meeting.

7. Continuing Education Updates

(Serving on this Committee are John Spiker and Jack Spatafore)

- A. Cheryl Murto PT and Amy Criddle PTA were sent letters as worded by Don Sensabaugh signed by Lesleigh Sprouse, Board Chair stating that their Licenses in WV had Lapsed effective January 1, 2008, due to their non-compliance with the requirement to obtain CE in calendar year 2007.

B. Continuing Education Audit

Audit Letters were mailed out January 6, 2009. Licensees have twenty-one (21) days from the receipt of receiving the mailing to return Proof of CE into the Board Office.

Two letters have been returned to the Office as being “non-deliverable”; and have been sent back out First Class and Certified to the second address of record.

The Board Members unanimously agreed that if nothing is heard back from them - they are Lapsed.

The Board previously decided and reiterated that in calendar year 2009, the number of Licensees to be audited will increase. Frankie Cayton is to make mention of this on the Board’s Web Site as well as emailing Wanda Hymes of the WV PTA in order to see if mention could be made on the Association’s Web Site as well.

C. Practice Review Tool (PRT)

Lesleigh Sprouse and Melanie Taylor each reported on their own experience in taking the PRT. The time to sit for the test consisted of three (3) hours. The feedback they offered was that the test was worth taking and contained specific questions.

Frankie Cayton is to make mention of this Continuing Education opportunity on the Board’s Web Site mentioning the Federation’s Web Site address and offering it as a link wherein they would then look for “PRT”. Frankie is to also make mention of this to Wanda Hymes at the WV PTA in order that this information could be mentioned on the Association’s Web Site as well.

8. Disciplinary Committee Report (Conference calls take place as needed.)
(Serving on this Committee are Don Sensabaugh and Jack Spatafore.)

Case No. 2007-01 - Case is Closed.

Don Sensabaugh said that a letter needed to be sent to Cynthia Fox PT who served as Ethics Investigator in this Case apprizing her of the fact that the time in which she should have submitted a Bill for her services had expired according to the State Policy governing contract personnel working under a WV-48.

It was unanimously decided by the Board that a letter should be drafted for Lesleigh Sprouse's signature and sent to Cynthia Fox PT saying that the Board appreciates the time and effort spent on the Case matter and that in the future Invoices for Services must be submitted to the Board in the time frame allowed by the State of WV.

Case No. 2008-01 - (Original Complaint Received 04/01/2008) (18 mos. = 10/01/09)

Respondent had to secure new legal counsel and a request was received to grant an extension of time for the Respondent to consider the Consent Agreement. By conference call of December 10, 2008, the Board voted to grant a 15-day extension. The date by which the Respondent has to respond is now January 18, 2009.

(Update to be presented by Kate Campbell in Executive Session at the end of the Meeting.)

Don Sensabaugh made Motion that the Board is not agreeable to changes proposed by Respondent and Counsel for the Respondent. He further stated that Respondent can accept the Consent Agreement as written or proceed to Hearing. Melanie Taylor seconded the Motion. As there was No Dissent, the Motion carried unanimously.

Case No. 2009-01 - (Original Complaint Received 01/02/2009) (18 mos. = 07/02/10)

The Committee reported that this is a new complaint and that documentation is being gathered. The Respondent has until February 9, 2009 to respond to the allegations in the Complaint.

9. Office Updates.

A. Online License Renewals

Information was provided on the Board's Web Site regarding instructions on how to renew their Licenses Online as an option to mailing in forms and checks.

Sixty-eight (68) transactions occurred Online between 12/10/2008 and 12/30/2008; and a total of \$6,920.00 was received via credit card payments. There is a \$3.00 convenience fee added to the required amount when paying online. This is money that does not go into our Account; but instead is collected by the State Treasurer's Office via the E-Government Site for the service provided.

Office Reports can be accessed via the Licensure database as: "Online Applications Received" and as "Credit Card Transactions Reports". An additional Report has to be checked at the E-Gov WVSTO site.

Frankie Cayton reported that feedback received from those who utilized the Online System was positive.

The Board discussed possible improvements to the process suggesting:

1. That individuals be able to Log In; without having to contact the Office for User names and Passwords;
2. That once a Licensee has renewed, that they be able to print out a License from the site;
3. That anyone renewing after midnight of 12/31/year be forced to pay the Lapsed fee or else they cannot renew.

These issues are to be presented by Frankie Cayton to Matthew Thornton who designed the Program.

B. Conda K. Mace - Temporary Position

Conda Mace was hired at an hourly rate of \$13.91 to help out during Renewal. The Board had previously said that she could be utilized for a two-month period of time. Since she began December 11, 2008, her time will be fulfilled as of February 11, 2009.

Frankie Cayton reported that Conda's unused sick days went towards additional annuity pension made available through the State. Had she chosen to get Retiree

9. Office Updates (Cont.)

B. Conda K. Mace - Temporary Position

Health Insurance, those days would have been exchanged for money paid from the Board's Account to offset the cost of Health Ins. Premium payments. As it was, no additional money was taken from the Board's Account.

C. General Office Workload Info.

The Office has Licensed approximately 4, 195 people who have access to staff on an on-going basis to provide services to them. Even those who do not maintain an Active WV License, have to contact us for License Verification requests and older Score Report information not housed through the Federation archives.

License Verification costs \$25.00 per request and these are processed throughout the year; but additional numbers of them are requested during License Renewal Season.

Lesleigh Sprouse presented information in regards to how many of our forms could be downloaded and even paid for via the Board's Web Site similar to the way it is done by KY and other State Boards. She had print outs of information that she had gathered as did Frankie Cayton.

The Board agreed that Lesleigh and Frankie could work towards deciding which Forms could be added to the Web Site; the priority being information regarding License Verifications and License Application Packets, etc.....

10. Board Newsletter (Previous Newsletters now appear on the Web Site)
(Articles for the next issue should be submitted by the end of April/May 2009)

11. Update on foreign-educated (possible) applicants:

A. John Lapid (educated in the Philippines)

John Lapid had a re-evaluation performed by I.C.A. utilizing the Retro Course Work Tool. He was still found to be deficient in the area of Wound Care. In lieu of that finding, he submitted Proof of CE in Wound Care.

I.C.A. has told him that Arizona and California do take into consideration APTA approved Course Work in Sound Care to count towards Licensure consideration.

Feedback from both Arizona and California confirm this to be true. It is up to the WV Board as to whether or not the CE he has obtained should count towards that noted, missing Course Work on his Credential Evaluation.

The Board discussed this issue and unanimously decided that they do not make any exceptions to the Credential Evaluations performed by I.C.A. Furthermore, the Board does not recognize nor approve continuing education for noted deficiencies in those evaluations.

The Board decided that Frankie Cayton was to draft a letter for Lesleigh Sprouse to sign informing Mr. Lapid of the Board's decision. Kate Campbell suggested using the wording that was created in the letter to Ms. Lynn Mendicino Nettles in creating the letter for Mr. Lapid.

B. Additional Credential Evaluations

The following Course Work Evaluations were reviewed by Lesleigh Sprouse who presented her findings to the Board:

- | | | |
|---------------------|---|---|
| 1. Maer Arato | - | now equivalent; need TOEFL |
| 2. Eleonora Beloria | - | "no" |
| 3. Gem Catama | - | TOEFL scores received; application mailed |
| 4. Gladys Cayetano | - | now equivalent; need TOEFL |
| 5. Dennis Pacia | - | now equivalent; need TOEFL |
| 6. Maribel Ventura | - | "no" |

The re-evaluations had been performed by I.C.A. in accordance with the Board's decision during the conference call of December 10, 2008 to amend the Board's decision to now require 75% passing of the named criteria instead of 100%; and to also eliminate the need to look for the inclusion of the 11th Intervention - - electromyography.

12. Recently Asked Questions:

- A. The question I have is related to supervision. Can a physical therapist reside in another State and provide the required ongoing supervision to a PTA simply by visiting the State periodically? When I am referencing living in another State, I am asking about a driving distance of 6 - 6.5 hours from WV.

Submitted By:

Kathy F. Quesenberry, MSM, PTR/L
Princeton, WV 24740

Answer: After discussion, the Board Members determined that the answer would be "yes" provided they are meeting the supervisory requirements and as long as they are working within the parameters of the work setting as stipulated in §16-1-9. **Supervision of a Physical Therapist Assistant**, assuming that the Physical Therapist is Licensed in WV.

(MISCELLANEOUS)

13. Reminder about completing Driver Online Training in order to get a reduction in Board of Risk Insurance Premiums for Fiscal Yr. 2010. Training takes about 4 hours to complete and the deadline for completion is: April 1, 2009.

14. Federation of State Boards of Physical Therapy (FSBPT)

Next Annual Meeting will be held in San Diego, CA, Wednesday, 09/30/09 through Sunday, 10/04/09. Delegate and Alternate Delegate need to be elected prior to the credentialing deadline which usually occurs around the end of April each year. (FSBPT will fully fund the Delegate and Staff person only)

Melanie Taylor shared with the Board that she is on the Education Committee and as such will be fully funded. In lieu of that Melanie Taylor made Motion that Sprouse be selected as the Board's Voting Delegate. Don Sensabaugh seconded the Motion. As there was No Dissent, the Motion carried unanimously.

EXECUTIVE SESSION

In accordance with WV Code §6-9A-4, Don Sensabaugh made Motion to go into Executive Session to discuss Case 2008-01 and Previous Discipline of Board Employee and Re-evaluation of Performance. Melanie Taylor seconded the Motion. Being as there was No Dissent the Motion carried unanimously.

Executive Session Convened: 3:20 p.m.

1. Case No. 2008-01 (WV Board of Physical Therapy vs. Ferdinand Sorongon PT)
2. Previous Discipline of Board Employee and Re-evaluation of Performance

Motion made by Don Sensabaugh to go back into Public Session. Melanie Taylor seconded the Motion. Being as there was No Dissent the Motion carried unanimously.

Public Session reconvened: 4: 05 p.m.

Any Discussion:

Don Sensabaugh made Motion that Frankie Cayton's probation extend until the next Board Meeting. John Spiker seconded the Motion. Being as there was No Dissent, the Motion Carried unanimously.

Don Sensabaugh told Ms. Cayton that she would be receiving a letter stating the reasons why the probation was being extended.

Melanie Taylor requested that the Minutes be sent out within two weeks and asked if Ms. Cayton could comply with that request. Ms. Cayton said she could.

(NEXT MEETING DATE)

15. The next meeting date of the Board will be April 22, 2009.

(ADJOURNMENT)

16. There being no further business to discuss, Shannon Snodgrass made Motion that the Meeting be adjourned. Jack Spatafore seconded the Motion. Being as there was No Dissent, the Motion carried unanimously. The Meeting adjourned at 4:10 p.m. (Lunch was served earlier during the Meeting at approximately Noon.)

Emergency Meeting of the WV Board of Physical Therapy
February 17, 2009
Teleconference

Members Present : Shannon Snodgrass, Lesleigh Sprouse, Don Sensabaugh, John Spiker, Melanie Taylor, Jack Spatafore (logged off at 12:50)

Members Absent : None

Non-members Present : Kate Campbell, Frankie Cayton

Meeting called to order by Lesleigh Sprouse at 12:10

Minutes taken by Melanie Taylor

1. New office space:

Discussion:

Currently the board pays about \$1800.00 including rent, utilities, and parking there are spaces in other areas that would cost \$600 to \$700 including rent and utilities but not parking. The board also discussed being able to decrease the square footage of the office to decrease the amount of rent paid. The board discussed the up-front costs of moving such as actual moving fees and unemployment. Discussed the pros and cons of moving to a different city vs. staying in Clarksburg in a smaller office. The Board also discussed forming a sub-committee of Jack, Shannon, and Lesleigh to explore options in Clarksburg and other relevant cities.

Motion made by Melanie:

Propose to move the Board from the current location to a possible location with less expensive overhead.

Seconded by Jack with all in favor

2. Status of Emergency Rule Change :

Discussion :

Lesleigh reported that the board needed to discuss possible amendments that may offered by the WV PTA. The board discussed again that at this time we did not wish to make changes to impact the practice of PT and that the board was only trying to clarify the rule. Discussed again that disciplinary cases are mostly in the settings that are supervised by telecommunication.

Motion made by Don:

Kate is to draft a letter to the WV PTA that the Board does not necessarily oppose their amendments, but as stated before the Board does not wish to make any changes to the practice of PT as this time.

Seconded by Shannon with all in Favor

3. Work to be completed by Matthew Thornton :

Discussion:

The board discussed that the forms we wished to be added to the web site will cause an additional fee from Matthew Thornton. The Board pays him \$5000.00 per year for 20 hours of labor and Licensing program fee. He has already fixed the renewal program so Licensees can sign onto the website and set their password and renew and print their license. The Board wanted some of our forms to be on the website and be able to print the forms from the website to decrease the amount of work on the two remaining board employees. The board will have to sign a new contract with Matthew Thornton to pay for the additional work as we have used the allotted hours for the year. The additional cost will be \$2795.00.

The board decided to continue to move forward with the original plan to put the forms on the website and request that the additional fee be paid over 5 monthly installments.

Meeting was adjourned at 1:13 pm

Amended Minutes

Members Present: Lesleigh Sprouse, Melanie Taylor, Shannon Snodgrass, Jack Spatafore,
Don Sensabaugh

Members Absent: John Spiker

Non-Members Present: Kate Campbell of the Attorney General's Office

Meeting Called to Order By: Lesleigh B. Sprouse, Board Chair

Roll Call Taken By: Lesleigh B. Sprouse, Board Chair

Minutes Taken By: Frankie S. Cayton

Purpose of Call:

1. Emergency Rule Fee Discrepancy

Lesleigh Sprouse shared with the Board the Regulatory Law passed in 2000 contained an error in the first time License fees for Physical Therapists (PT's) and Physical Therapist Assistants (PTA's). The Bill at that time went through the Legislative Process with an Amendment attached to correct the error. The Bill was passed, however, the Amendment was not.

She shared that based on the advice of the Board's representative in the Attorney General's Office at the time, that the higher fees had been charged since 2000 and that another Amendment to correct the discrepancy was suppose to be done in the following Legislative Session; however, an Amendment was never filed.

The Rule on record with the Secretary of State's Office says that the fee for a first-time License for a PT are \$110.00 and not \$220.00; while the fee for a first time PTA License is listed as \$70.00 and not \$140.00. The lower fees were correct when Licensees were paying for a one-year License; however H.B. 2802 when passed made all Licenses biennial. So the one-year first time License fees should have been doubled in the Regulatory Law that passed in the 2000 Legislative Session.

Kate Campbell, Assistant Attorney General also recounted some of the historical record to the Board. She confirmed that according to the Board's Minutes of May 3, 2000, that our A.G. representative at the time said that the Board could charge the higher fee. Ms. Campbell found no documentation in any of the files in the A.G.'s Office concerning this matter. Ms. Campbell did not advise that the Board attempt to add an Amendment to the current Emergency Rule as it would appear that the Board was trying to increase fees. Whenever

**Emergency Meeting of the WV Board of Physical Therapy
via Conference Call, March 5, 2009**

Page 2

fees are increased there has to be a public comment period and the constituency of the Board would have to be notified as well. Ms. Campbell had spoken with two people in Rule Making and neither of them recommended that the Board attempt to speak with the Legislators to add an Amendment; but rather the consensus was that the Board would have to do another Emergency Rule.

Lesleigh Sprouse said that the Board had three options:

- a. The Board could leave the fees as they currently read and potentially lose thousands of dollars in revenue in this current calendar year. If that was the decision, then another Emergency Rule could be done. Ms. Sprouse was unsure just how fast this could be accomplished and when another Emergency Rule could potentially go into effect.
- b. Another option would be to explain the historical information with some of the current Legislators in the hope that an Amendment could be attached to the Rule that is currently in House Judiciary. Ms. Sprouse believed that there were a couple of Delegates and an Attorney who would be sympathetic to the Board's cause and would understand that an oversight had occurred in 2000 that failed to get corrected.

Ms. Sprouse also shared that she had spoken with the WV PT Association and that the Association was prepared to write a letter in support of making the change based on the fact that they realized that the Board was not attempting to increase fees; but was just correcting an error that had been made in 2000.

- c. The last option would be to file another Emergency Rule at this time in order to keep from losing so much revenue this current calendar year.

Ms. Campbell said that the current Emergency Rule was filed on June 30, 2008 and went into effect August 5, 2008.

General Discussion:

Frankie Cayton, Administrator read to the Board from the Minutes of May 3, 2000 which documented that the Board was aware that the Amendment to the Rule in 2000 did not pass; however, the representative from the A.G.'s Office said that the Board could go ahead and charge the higher fees as it was an oversight of the Legislature to not pass the Amendment. The Minutes further state that another Amendment could be filed to correct the oversight.

via Conference Call, March 5, 2009**

General Discussion (cont.)

Don Sensabaugh offered to speak with Delegate William Wooton and Delegate Carrie Webster regarding the situation. He also said that it was necessary to get the letter from the WV PT Association that had been offered. He said that it might be necessary for Frankie Cayton, Administrator to come to Charleston to also speak since she was aware of what had transpired and also had the documentation to back it up.

Mr. Sensabaugh also requested that a copy of the Minutes from that Meeting be faxed to him. (Kate Campbell said she would do that.)

Ms. Sprouse said that she could also speak with a couple of the Legislators. She said that the current Emergency Rule is H.B. 2221.

Ms. Sprouse and Mr. Sensabaugh requested that Ms. Cayton fax them S.B. 647 and H.B. 2802 which passed prior to the Session in 2000 making provision for a Biennial License and Biennial License Renewal.

Motion made by Shannon Snodgrass:

Propose to get an Amendment to the current Emergency Rule that is before the Legislature now to correct the oversight from the passage of the Regulatory Law in 2000 which was suppose to be Amended at that time but was not. This Amendment is needed to correct the listing of Fees in §16-1-11. b. Physical Therapist License from \$110.00 to \$220.00; and §16-1-11.g. Physical Therapist Assistant License from \$70.00 to \$140.00. If an Amendment at this time is not possible, then the second option would be to file another Emergency Rule.

Seconded by Melanie Taylor with all in favor.

Adjournment:

Being as there was no further business to discuss, the Meeting adjourned by acclamation at **12:45 p.m.**

I. Motion call meeting to order:

Lesleigh Sprouse called the Meeting to Order at 10:10 a.m.

II. Approval of Minutes

a) January 21, 2009

Don Sensabaugh made Motion to accept the Minutes. Shannon Snodgrass seconded the Motion. All Approved.

a) February 17, 2009

Melanie Taylor made Motion to accept the Minutes. Shannon Snodgrass seconded the Motion. All approved.

b) March 5, 2009

Melanie Taylor made Motion to accept the Minutes with noted amendment as per Kate Campbell. Don Sensabaugh seconded the Motion. All approved.

III. Chairman Report

- a) Legislative Updates and Reports
1) HB 2819: Rules Bill

Lesleigh Sprouse reported that the Board's Rule passed effective 04/10/09 and that it is awaiting signature by the Governor.

Kate Campbell said that there is sixty (60) days in which to get the Bill rewritten in final format after the Legislation passes. It now has to be filed in final form with the Secretary of State's Office.

It was agreed that once the Governor signs the Bill that Licensees should be emailed a notification regarding Rule changes. It will also be added to the Web Site as "Current Information" and also to the next Board News Letter.

- 2) HB 3283: Athletics Trainers Licensure Act

Lesleigh Sprouse reported that the Athletics Trainers Licensure Act did not pass.

John Spiker reported that they had a second Bill that also did not pass allowing for Registration of Athletic Trainers in this State.

The Board generally discussed the difference between an Athletic Trainer working in a Physical Therapy practice setting as an Aide as compared to one working in a Chiropractic practice setting wherein they would be allowed to do evaluations.

- 3) SB 429 and HB 2885: Developing a Credentialing Verification Organization (CVO)

Discussion was held regarding the possible implications of this Bill passing and the effect and impact it could impose on the Board's operating revenue. Currently the Board makes approximately \$2000 to \$5500 per month performing License Verifications for interested parties.

The Board decided that a letter should be sent to Governor Manchin signed by Lesleigh Sprouse, Board Chair. It was also decided that it would be necessary to find out who would be serving on this Committee by contacting the Secretary of the D.H.H.R. Office. The department and the commissioner are to jointly report to the Legislative Oversight Commission on or before January 1, 2010. Once it is known

III. Chairman Report - Cont.

3) SB 429 and HB 2885: Developing a Credentialing Verification Organization (CVO)

who is serving on this Committee, the Board agreed that a letter would be formulated and sent to the Chair expressing the Board's concerns regarding potential lost revenue if the CVO becomes a reality.

4) House Resolution 83: Study Physical Therapy Law

Lesleigh Sprouse reported that the Resolution allows for the Legislature to review the Board's Statute and not the Board's Rules. The process could start in May or June. In 2010 a report will be given to the regular session of the Legislature. They will create a draft of our Statute; the Board may also submit a draft for consideration. The 2010 session will start in February and last through April.

It was agreed that during the time that the Legislative Session is in progress that Frankie Cayton, Exec. Sec. will have a contact and call list of the Board Members who will agree to be on call should the need arise to go to any meetings at the Capitol. Ms. Cayton was also informed by Don Sensabaugh that should the need arise that no one could go that she should be ready to make the trip to Charleston.

b) Website update

Lesleigh Sprouse reported that Matthew Thornton, Netware Engineer made all the requested changes and upgrades to the Board's Web Site and License Database. Among the features now available are inclusive of but not limited to:

License Lookup

Verifications via the Web Site with authentication numbers for a fee that can be purchased via credit card or check with multiple requests going into a shopping cart

Verifications via the License Database

Various forms and instructions

Wall Certificates from the License Database

Online Renewals will now be accessed with User Name with Pass Code being the last four digits of a Licensee's Social Security Number

Shannon Snodgrass reported that she had spoken to Matthew Thornton and had learned that Matthew owns the software that we rent for \$5000/yr. which includes twenty (20) hrs. of tech support that the Office Staff has not needed until recently.

b) Website update - Cont.

Shannon also reported that she believed from her speaking with other computer tech personnel that the job could be bid out for way less money. She had asked Matthew to consider reducing his cost to the Board based on the Board's financial constraints. He did agree to lower the annual access fee to \$3500 but that would eliminate the 20 hrs. of tech support. She felt that he might come down further in cost if he was aware that the Board had gotten information that it could be done for even less.

It was discussed that if the office staff had questions regarding features that were not working properly or that they needed a demonstration of, that questions could be written down and perhaps Matthew could take time and come into the office to show them.

Don Sensabaugh made Motion that Shannon Snodgrass should speak with Matthew Thornton again to get him to reduce the annual rate even further and include some tech support and/or in-service hours. Jack Spatafore seconded this Motion. All Approved.

c) Office Updates

Discussion was held regarding the quantity of Continuing Education submissions that had backed up during license renewal season.

Vicki Maxwell was asked to come and speak and to answer questions the Board had in regard to the process and if it could be streamlined in any way. Ms. Maxwell told the Board that the job had backed up due to the loss of recent full time staff personnel during License Renewal Season. Many Continuing Education requests also arrive at this time and the priority in the office has to be renewing Licenses and that with the addition of forms and License Verifications being added to the Web Site that there would be more time to work on CE. She also stated how much easier it was now to process License Verifications from the Office through the License Database now that this had been automated.

Ms. Maxwell also stated that there was a company who submitted several requests for CE Course review and/or approval previously but had not provided any presenter information. Ms. Maxwell had contacted the person submitting the courses several times requesting the missing information to no avail. The person submitting the courses for review recently changed his mind and now wants different Courses to be considered. The Board agreed that this would constitute a second submission and would require that the company make payment again since the first submissions had already taken up time in the review process.

Discussion was held regarding what tasks each staff person is performing.

c) Office Updates

The Board agreed that both staff personnel should be acquainted with how to process all the work in the Office in lieu of one being absent for an extended period of time. Frankie Cayton told the Board that due to the loss of one full time staff person, that there had been substantial time constraints in getting the workload handled and processed and that there had been no time for training. Ms. Cayton also told the Board that signature authority was required to process most paperwork through Charleston. The Board said that Vicki Maxwell should also have signature authority in order to make bank deposits and process paperwork in her absence.

Lesleigh Sprouse expressed concern that time sheets reflecting starting and ending times per day worked were not being kept by the office staff. Frankie Cayton told the Board that the State requirement for keeping track of daily time involves maintaining a record of days worked, and unused annual leave and sick days. Forms utilized in this record also reflect years of service in relation to how much time can be taken. These figures are kept on an ongoing basis and are reported to the Department of Administration annually.

IV. Executive Secretary/Administrator Report

a) Financial Report

Frankie Cayton told the Board that:

- 1) The PERS employer contribution would be increasing from 10.5% to 11.0% effective July 1, 2009.
- 2) The premium for BRIM for Fiscal Yr. 2010 would be \$2,921.00 divided into Quarterly payments and that the completion of online Driver Training would reduce this amount.

Discussion was held regarding Driver Training and whether or not it was a requirement. The letter from BRIM was reviewed in which it states that all who drive on State business who receive reimbursement for mileage are required to do the online Driver Training. Frankie Cayton said that she had completed the Training and had her certificate.

Frankie Cayton was asked to re-send the email the instructions on how to complete online Driver Training to the Board Members who have until June 30, 2009 to complete this training.

Motion made by Don Sensabaugh to accept the Financial Report for the Quarter ending March 31, 2009. Motion was seconded by Jack Spatafore. All approved.

IV. Executive Secretary/Administrator Report - Cont.

b) Update on new or old applications of foreign trained Physical Therapists

Nothing to report at this time.

V. Sunset Committee Report (Lesleigh Sprouse, Melanie Taylor, and Shannon Snodgrass)

The Committee reported that they felt the top three subjects that needed to be addressed are:

- a) Supervision including the ratio of PTA's to PT's
- b) Definitions
- c) Disciplinary Actions

The Committee said that they plan to have a face to face meeting in May. The input that they needed from the Board concerned how to make recommendations or proposals to the Board as a whole and how often. The Board generally agreed that the Committee could gather their information and make a determination as to what they recommended and then present it to the full Board as necessary.

VI. Disciplinary Committee Report (Don Sensabaugh and Jack Spatafore)

a) **Case No. 2008-01** (Original complaint received 04/01/08, 18 months = 10/01/09)

Frankie Cayton told the Board that an Invoice in the amount of \$2243.42 had been sent to the Respondent's attorney. Respondent has until February 5, 2010 to make payment in full.

VI. Disciplinary Committee Report - Cont.

b) **Case No. 2009-01** (Original complaint received 01/02/09, 18 months - 07/02/10)

The Disciplinary Committee recommended No Probable Cause in this Case and explained why they had reached their conclusion.

John Spiker made Motion to accept the Disciplinary Committee's recommendation of No Probable Cause. Melanie Taylor seconded the Motion. All approved.

c) **Case No. 2009-02** (Original complaint received 01/29/09, 18 months = 07/29/10)

The Disciplinary Committee made a recommendation to the Board of Probable Cause in this Case and said that the Respondent had violated WV Code 30-20-10 b.3. and b.7. The Committee further recommended a twelve-month suspension of the Respondent's license along with paying all costs involved in the dissolution of the Case within that time.

John Spiker made Motion to accept the Disciplinary Committee's recommendation of Probable Cause along with the recommendation of a one year suspension and the reimbursement to the Board of all costs involved. Melanie Taylor seconded the Motion. All approved.

Kate Campbell had constructed a Statement of Charges and Consent Agreement. Lesleigh Sprouse signed the Statement of Charges on behalf of the Board and also signed the cover letter.

VII. Continuing Education Committee Report (John Spiker and Jack Spatafore)

The Committee did not have any additional information to report at this time.

VIII. Subcommittee Report (Shannon Snodgrass, Jack Spatafore, Lesleigh Sprouse)

a) Financial Outlook

Shannon Snodgrass had done a projection of maintaining the Board Office in Clarksburg vs. moving it to Charleston. The paperwork is attached which reflects savings in office rent as well as staff salaries over a projected amount of time.

b) Office Space

Jack Spatafore also had a proposal that involved relocating the Office to less expensive space in the Clarksburg area. He passed out the diagram of the space available in the Goff Building downtown where the Unemployment Office and Work Force WV is already occupying two floors. The price quoted to the Board is \$1000 per month inclusive of utilities and parking. See Attached.

Frankie Cayton shared that the State Centrex phone lines and cable internet lines are already in place in the building which would save costs in getting these run in any other new space.

It was decided that a letter would be constructed to Mr. David Allen, the Board's current Landlord to see if he would be willing to match the rental price of the space at the Goff Building which would lower the Board's monthly commitment from \$1500 to \$1000 in rent; and would also eliminate monthly gas and electric bills which currently run around \$280. A letter was created and signed by Lesleigh Sprouse, Board Chair prior to the close of the Meeting.

IX. Old Business

a) Federation of State Boards of Physical Therapy (FSBPT) meeting
September 30, 2009 - October 4, 2009

Lesleigh Sprouse told the Board that due to her pregnancy she would not be traveling to the Federation Meeting and, therefore, could not serve at the Board's Delegate for voting purposes. She asked if anyone was interested in taking her place. No one was available to attend during that time.

Since Melanie Taylor is already funded by the Federation to attend as part of the Education Committee and will be going, Jack Spatafore made Motion that Melanie be designated as the Board's voting Delegate. Don Sensabaugh seconded the Motion. All approved.

b) Recently Asked Questions

- 1) Clarification needed regarding the supervision of PTA's in the home health environment.

A. We have one full time PT and one part time PT. Our "on call" and "contract" Therapists often complete admissions on the weekends, holidays and during staff absences. Therefore the therapist that completes the admission may or may not be the primary therapist for the patient. In Section 9.3.f. it notes that if the supervising therapist changes then the PT must evaluate the patient with the PTA before the next PTA visit is made. The questions have been "if the weekend PT admits the patient on Saturday (completing and billing for an initial evaluation) and then a different PT and the PTA see the patient jointly on Monday what notation of evaluation is required? Would it be appropriate for the new PT to provide the treatment, complete a regular daily note and instruct the PTA in the plan of care with this visit or is a more formal re-evaluation required?"

Answer: Complete a regular daily note. It should be documented by the PT that the PT made the visit with the PTA and that the PTA was instructed in the plan of care as well. A more formal re-evaluation is not required.

B. The next scenario is similar in that the PT and the PTA are due for a joint on-site visit with a patient, but the primary PT is unavailable that day to make a visit. Can another licensed staff PT make a joint visit with the PTA instead; and, if so, what type of documentation would be required?

Answer: Yes, that a joint visit was made and that the supervisory PT had changed.

b) Recently Asked Questions - Cont.

1) Clarification needed regarding the supervision of PTA's in the home health environment - Cont.

- C. If a patient is receiving Home Health PT visits three times a week and the PTA makes two visits and the primary PT makes one, does this effect the time frame and/or need for the joint on-site PT/PTA visits?

Answer: No because they did not do the visits together.

- D. The next question is in reference to PT supervision of the Certified Home Health Aide (CHHA). At our agency if the PT is the only skilled discipline involved in the case, we are required by Medicare to complete a supervisory visit for the CHHA every 14 days. This does not require joint on-site visits like with supervising the PTA. It is a review with the patient and subsequent documentation of patient satisfaction of the services and the therapist's guidance of how The personal care should be provided. We have a few cases where the PT is supervising the PTA and the CHHA is also making visits to provide assistance with personal care. Can the PTA discuss this service with the patient and obtain the patient's signature regarding this matter during their visits as long as the PT develops and makes any changes to the plan of care?

Answer: The PT Practice Act does not cover Home Health Aides.

- E. Referring to Section 9.3.c. and the PT's accessibility at all times by phone for the PTA, we were concerned because our treatment areas are very rural and we are often without cell phone reception. Is it acceptable that in the event that the PTA is unable to reach the supervising PT that he or she contact the Home Health office and talk with a supervising RN with any questions or concerns regarding the patient's status?

Answer: No, if the PT is not available, then the PT is in violation of the Rule. The PT has to be available to be reached at all times either by land line, cell phone or some other form of communication. The PTA may call the supervising PT from the patient's home which would work as well. The PTA speaking with the RN does not suffice for appropriate supervision.

b) Recently Asked Questions - Cont.

- 2) Situation: A PT who supervises one or two PTA's in the Home Health setting physically, though temporarily, leaves the area and would be unable to perform an on-site patient visit within 24 hours should the need arise. The PT maintains telecommunications contact and will return in time to conduct usual supervisory co-visits as outlined in 16-1-9.

Must the physical therapist transfer supervision of the physical therapist assistant to another physical therapist before physically (though temporarily) leaving the area of practice to the extent that he or she will not be available for a joint visit within 24 hours, while still maintaining telecommunications as outlined in 16-1-9?

May supervision of the PTA be transferred to another PT at a point in time after the original supervisory PT leaves the area should a joint PT/PTA visit become necessary during the temporary absence of the original supervisory PT?

Answer: Yes, the supervision must be transferred. No, it cannot be done after the Supervisory PT leaves.

- 3) I am a licensed PTA working in southern WV for a skilled nursing facility. I have been providing services for two years and have continued to provide ethical and good quality service to all my residents. However, recently my caseload seems to be growing rapidly and I feel I am not able to complete these treatments both ethically and legally to all residents. My regional director is somewhat demanding of the time needed with all residents. I would like to have the peace of mind knowing I am delivering the quality of care that each individual requires while practicing in a legal manner. A few of my concerns are as follows:

A. How many minutes (what is the maximum and minimum) can a PTA deliver to each resident?

B. During an eight hour day of work, what would be the maximum amount of minutes that could be delivered by the PTA?

C. How many residents (Medicare A and B, Medicaid, and private managed) can be treated at one time without being a group setting? What is the maximum number of residents that can be treated in a group setting by one PTA?

3) Cont.

D. How much of your weekly treatments can be in a group setting?

E. Is the PTA required by law to stay overtime to complete residents if unable to do so in an eight-hour day? If not, what are their best options for performing a large caseload and still provide quality care and meet the needs of each resident?

Answer: These questions are not within the scope of the Board. The Board would suggest that you check Medicare guidelines. The PT Law does not address work hours.

4) Can Athletic Trainers treat non-Medicare patients in an outpatient clinic while the Physical Therapist is treating another non-Medicare patient? Can the Athletic Trainer write daily progress notes if the Physical Therapist co-signs the notes?

Answer: In a Physical Therapy setting an Athletic Trainer would function as an Aide in accordance with §30-20-2 (h) and subsection (h) (1).
Co-signature of Notes is not addressed in the Statute or Regulatory Law.

5) Is it ok for a PTA to see a client and write the note under the supervising PT's name?

Answer: The answer to this question is not covered by Statute. It would be best to check with an attorney. The Board does not encourage the practice of writing a note for someone else.

6) I have an outpatient clinic with multiple staff, including PT's, PTA's, OT's, COTA's and SLP's. I also have one certified athletic trainer and an exercise physiologist. Both the athletic trainer and exercise physiologist treat patients under the direct supervision of a PT. The question I have is two fold:

Can the athletic trainer and exercise physiologist document their treatments and if they do, does the PT need to co-sign them. The treatment plan for all of these

patients is generated by the PT following the initial assessment and the patient is billed via physical therapy CPT charges.

Answer: In a PT practice setting, the athletic trainer and the exercise physiologist function as PT Aides in accordance with §30-20-2 (h) and subsection (h) (1).

XI. Executive Session (In accordance with WV Code §6-9A-4)

a) Re-evaluation of Board Employee and Previous Discipline

At 2:15 p.m. Melanie Taylor made Motion to go into Executive Session. Don Sensabaugh seconded the Motion. All approved.

(John Spiker left at 2:40 p.m.)

Public Session re-convened at 3:00 p.m.

Don Sensabaugh made Motion that Ms. Cayton's probation be extended and that the grounds would be set forth in a letter. Melanie Taylor seconded the Motion. Shannon Snodgrass abstained from voting. All approved.

XII. Next Meeting Date

The next Meeting of the Board was scheduled for July 29, 2009.

XIII. Motion to Adjourn

At 4:00 p.m. Shannon Snodgrass made Motion to adjourn the Meeting. Melanie Taylor seconded the Motion. All approved.

**Emergency Meeting of the WV Board of Physical Therapy
Teleconference
Public Session convenes at: 12:00 p.m.**

**May 18, 2009
Minutes**

Members Present: Lesleigh Sprouse, Melanie Taylor, Shannon Snodgrass, Jack Spatafore,
John Spiker, Don Sensabaugh

Members Absent: None

Non-Members Present: Kate Campbell, Assistant Attorney General

The Meeting was called to order by: Lesleigh Sprouse, Board Chair

Minutes Taken by: Frankie Cayton, Administrator

I. Purpose of the Meeting

a) To discuss bids on computer licensure database software work

Lesleigh Sprouse reported that she had a couple of computer people look at the Board's license database that was created by Matthew Thornton of WV Designs. She stated that the Massage Therapy Board also utilizes this same software.

Both individuals who looked at it said it would be very difficult to switch over to a different software program. Both said that it could cost as much as \$5,000 to \$6,000 to develop new software and transfer the existing data.

It was reported that Matthew Thornton wanted \$12,000 to buy the License database outright. Currently, Mr. Thornton has agreed to reduce his annual fee from \$5,000 to \$3500 which would eliminate any allowance for hourly technical help or support from him.

Discussion was held regarding just paying Mr. Thornton on a monthly basis instead of paying him the entire quarterly amount. The Board agreed that this would be best. It was generally discussed and decided not to switch the license database software at this time.

b) To discuss the possible relocation of the Board Office

Lesleigh Sprouse reported that she had looked at space where the Board of Medicine, RN Board and LPN is located at 101 Dee Drive in Charleston, WV. She said the space was about 800 sq. ft. containing 3 rooms at a cost of \$865 a month inclusive of utilities and parking. She mentioned that there was a handicapped bathroom on the first floor which is ground level. She also said that there was a

conference room that could be utilized for \$100 an hour from the Board of Medicine

Lesleigh said that a letter had been sent to Mr. David Allen, the Board's current Landlord asking him if he would consider reducing the rent in the current location. Mr. Allen has agreed to reduce the rent by \$250 a month which makes the monthly rate \$1250 instead of \$1500. The Board did not agree to accept this rate.

Discussion was held regarding timing of the move and the possibility of the current staff moving with the job or helping with the transition and training of new employees, the hiring of new employees (i.e. advertising, etc...). It was decided that a letter would be sent to the current staff inquiring as to their willingness to either relocate on a temporary or permanent basis and also train, if necessary, any new employees.

Don Sensabaugh also questioned the costs involved with the move, the hiring of possibly new personnel, paying possible expenses for current staff to be traveling to Charleston for the purpose of helping to train any new personnel; and/or having current staff who might be laid off.

Don Sensabaugh stated that for the current employees to travel and be in Charleston that the Board would have to reimburse for any expenses incurred. He also stated that if the current employees were not wanting to travel to Charleston to train any new employees, then any new hire should train in Clarksburg prior to the move taking place. He also stated that more important than where the office is located is that there are trained staff who know how to work the job.

Shannon Snodgrass made Motion that the office be relocated to Charleston, WV in the space that Lesleigh Sprouse had looked at in the Hillcrest Edition. Melanie Taylor seconded the Motion. All of the Board voted in favor of the move except Don Sensabaugh who voted No.

Possible dates for the move were mentioned. Those being August 1, 2009 or possibly September 1, 2009. Frankie Cayton stated that she could have the office packed up and sent to Charleston by July 10, 2009. She told the Board that she has vacation scheduled to begin July 13, 2009 and didn't want the timing of the relocation and possible training of new employees to coincide with the time that she has requested to be off for annual leave. Don Sensabaugh said it shouldn't be a problem; that with Vicki Maxwell being in the office during that time, that the office could still be packed up and moved.

The Board then felt that perhaps a good target date for relocation could be September 1, 2009. This would give the current employees time to consider what

they would be willing to do as well as having time to both advertise for, hire, and train any new personnel. Advertisements for a possible new employee could be run in the Charleston Newspapers.

Lesleigh Sprouse said that she would get in touch with April Everly who showed her the new space and ask her to get approval from Leasing for the relocation of the Board office.

(Melanie Taylor left the call at 12:45 p.m.)

Shannon Snodgrass didn't think it was necessary to keep all the files and records; and that if older files could be put on microfiche that maybe the heavy files would not have to be moved as the movers would charge per pound. Frankie Cayton stated that the P.E.S. Exam Score reports containing Candidate I.D. #'s and not Social Security Numbers might be picked up by the Federation of State Boards of Physical Therapy. The FSBPT is interested in scanning these older score reports into their database. Ms. Cayton went on to say that the filing cabinets are part of the Board's Fixed Assets and are tagged and numbered.

Jack Spatafore felt that a letter should be sent to the two current employees asking if they would be interested in moving with the job and that they should be given two weeks to respond.

Don Sensabaugh said that if a Committee was put into place to interview new personnel that Frankie Cayton should be included on the Committee.

Discussion then took place regarding the advertisement of the position (s) and how or where the resumes should be sent. It was agreed that the resumes should be sent to the Board Office and copied and disseminated from there. Shannon Snodgrass objected to Frankie Cayton opening this mail and didn't think that she should be allowed to screen for any new personnel. Lesleigh Sprouse, Board Chair said she did not object to the office handling resumes.

Lesleigh Sprouse then inquired of Kate Campbell if it would be alright for those involved in the details of the relocation to communicate via email in regards to the status of what was taking place or needed to be done in regards to the office relocation. Kate Campbell told her that email updates could be sent out but that a dialogue between the Members could not go on or it would violate the Open Meetings Act.

Adjournment

There being no further business to discuss, the Meeting adjourned at 1:10 p.m.

WV Board of Physical Therapy - Board Meeting

Lesleigh made the motion that each board member would receive the resumes and a committee of Shannon, Lesleigh, and Don (or at least 3 board members) complete the interviews seconded by Melanie Taylor with all in favor.

Motion made by Melanie Taylor to keep a list of all CEU's and discharge the paperwork that is no longer needed for CEU information, Inventory everything in the office, and for Frankie to get 3 bids on moving. Lesleigh will pick the lowest bid to approve and can go ahead and approve voice and data transfers through the office of Technologies seconded by Shannon Snodgrass with all in favor.

Motion made by Melanie to continue current services with Matthew Thornton at \$3500.00 per year and \$65.00 per hour and pay on a month to month billing system seconded by John Spiker.

IV. Executive Secretary / Administrator Report

a) Financial Report

Melanie Taylor made a motion to accept the financial report and was seconded by Shannon Snodgrass with all in favor.

b) Update on new or old applications of foreign trained Physical Therapists

Nothing new to report. We have some applicants in the process but they are not complete.

V. Sunset Committee Report (Lesleigh Sprouse, Melanie Taylor, and Shannon Snodgrass)

a) Question/answer session and/or presentation by Eric Tarr, PT, Vice President of WVPTA

Presentation by Eric Tarr (see Attachment)

There is to be a new Code Of Ethics by the APTA in December of 2009.

There will be a meeting of the WV PTA on August 11, 2009 if board members wish to attend. They have also complete PT After Hours around the state and some of the comments are in the attached handout from Mr. Tarr.

VI. Disciplinary Committee Report (Don Sensabaugh and Jack Spatafore)

a) **Case No. 2008-01** (Original complaint received 04/01/08, 18 months = 10/01/09)

Waiting on payment

b) **Case No. 2009-02** (Original complaint received 01/29/09, 18 months = 07/29/10)

The board has received the signed consent form.

c) **Case No. 2009-03** (Original complaint received 05/26/09; 18 months = 11/26/09)

The Discipline committee has just received this case and it will be discussed later in the Executive Session.

VII. Continuing Education Committee Report (John Spiker and Jack Spatafore)

John Spiker and Jack Spatafore report they are not getting as many calls and they believe the new standards are helping ease the process.

VIII. Old Business

- b) Recently Asked Questions

- 1) After reviewing the emergency rules effective in April 2009, I have some questions regarding some of the changes.

- (2.4) “who assists a licensed physical therapist in the practice of physical therapy under the direct supervision of such licensed physical therapists and who also performs activities supportive of but not involving assistance in the practice of physical therapy” Please clarify what this means in reference to clinical practice.

Answer: This is the definition of an aid, who is directly supervised and functions under the direction of a licensed PT. Please expand on clinical practice.

- (16-1-9) c.2. “The Physical Therapist must make the final visit to terminate the plan of care” Please clarify, specifically for acute care practice, for patients leaving the hospital or with medical issues resulting in the discontinuation of therapy services. It is often impossible for the PT to know when this will occur. I am assuming this would relate only to those patients where we choose to discontinue therapy. Is this correct?

Answer: Yes as long as the patient or the physician discharges the therapy.

My next question would be if a PTA makes a treatment visit and finds that the patient has met all of their established goals, can the PT document that the goals were met and the patient can be discontinued or must the PT actually make the visit each time?

Answer: No the Physical Therapist has to make the final visit to terminate the patient from therapy according to (16-1-9) c 2

“No more than two persons, Physical Therapist Assistants,...holding a temporary permit, foreign educated Physical therapists, or physical therapy aides or any combination thereof, can be supervised by a Physical Therapist at any one time.” I have two questions regarding this. Foreign-educated PT’s appear to be lumped in with support staff. I am assuming that this means those on a temporary permit (although it does not say that) but would like clarification to be sure.

Answer: Only if a Foreign Trained Physical Therapist was on a temporary permit would they be counted in that ratio.

Secondly, PT aides - - do all aides count in the 2:1 ratio? What about aides just transporting patients? Please clarify who counts in this ratio.

Answer: If they are transporting a patient they do not count in this ratio, For people who count in this ratio please refer to (16-1-9) c 3

2) I work at the VA Medical Center in Beckley and our Rehab. Dept. is directly supervised by a Psychiatrist. We have a few questions about supervision and he would like to get the Board's take on the following questions:

Can a PTA be supervised by a physician/psychiatrist?

Answer: This is not covered under the Board of Physical Therapy. You need to either refer to the Board of Medicine's practice act or consult an Attorney.

Can a PTA be supervised by a PT on a Kinesiotherapy patient?

Answer: Under Physical Therapy law a Physical Therapist Assistant can be supervised by a Physical Therapist.

Can a PTA be supervised by a Kinesiotherapist?

Answer: Not under the laws of Physical Therapy,

What is involved in this supervision?

Answer: See section 16-1-9.

3) I am a PT working in the home health setting in WV. There are certain situations that come up where I have to D/C a patient w/o making the final visit (for example, the patient was admitted to hospital, nursing home and declines further PT services, etc...). With these unexpected issues, there are times that the PTA would have made the last visit (when we were not aware that it was going to be the last visit). How are we to handle this issue when it comes up in home health?

Answer: A Physical Therapist must make the final visit unless it is a patient or Physician Discharge.

Also, what about a patient - - in the home health setting - - who goes to their doctor and the doctor tells them that they are better; that they do not need further PT (and the last visit in the home PRIOR to the doctor visit was done by the PTA). Now, the patient doesn't want you to come out to D/C b/c the doctor said that they are done. I know that I can write up a discharge summary; but technically, the last visit wasn't done by the PT. Is this OK?

Minutes taken by: Patricia Holstein

I. Motion to call meeting to order

Lesleigh Sprouse called the Meeting to order at 12:00 pm. Jack Spatafore left at 1:12 pm.

II. Legislative Meeting & Law Changes

Motion made by Lesleigh Sprouse of bullet points for the legislative meeting. Motion seconded by Don Sensabaugh.

- History of the WV Practice Act
- Reasons for Reviewing the Current Law with Potential Changes Needed
- What the Board has Done to Look at These Issues
- Challenges We Face

III. Vote

Motion made by Lesleigh Sprouse to vote on office staffing and procedures. Motion seconded by Melanie Taylor.

All of the Board voted in favor.

- Office hours can be 7:30 – 4:00 on a trial basis (will reevaluate during next Board meeting). Trish will update the website.
- The office can have Microsoft installed on their computers and have support from Office of Technology. It is estimated around \$150.00 a month fee for the first 3 years and then reduce once the initial license is paid.
- The office can have a new contract for a copier/fax/scanner with Ricoh. This contract will save \$35.00 a month.
- The office can lease a postage machine from Pitney Bowes for \$53.93 a month. This will eliminate using postage stamps and over estimating the postage; along with saving mileage to purchase the stamps.
- Summar Steele will stay as temporary. The Board will reevaluate at the next Board meeting.

- The Board agreed to hire an investigator to follow up on a previous case.

VII. New Business

a) Policy Questions

- Trish discussed that they have been receiving several personal checks for renewals even though it states on the website we only accept company checks and money order. The Board requested that personal checks over \$20 be returned and to advise they can pay with credit card online or by phone.
- Trish requested approval to shred 2 years old license applications (that never received a license). The Board agreed with shredding any application over 2 years old and requested Trish to include the language on the applications that license expire 1 year from signature date.

- Trish requested to shred old mailing list and misc correspondences. The Board agreed to the shredding as long as Trish follows state policy on shredding.
- Trish requested to surplus old furniture, typewriters, and misc office supplies. The Board agreed to surplus.
- b) Applicant with Disciplinary Actions
 - The Board reviewed the applications with disciplinary and surrendered license. The Board needs more information from the applicants before making a decision. The Board requested Trish to send a letter asking for more information and a release form for them to sign and return. Don will email Trish a release form.
- c) Lapsed Fee Calculation
 - The Board agreed that the lapse fee charge is the only fee needed to re-activate a license.
- d) Inactive Status Fee & Effective Date
 - The Board agreed that license status should change to lapsed effective 12/31/09 at midnight. Trish will put a notice on the website. Trish will notify Matthew to have the system automatically change to lapse.
- e) Foreign Trained Applicants
 - The Board agreed that we cannot give temporary permit without social security numbers. However, the Board agreed that we can send a letter explaining (once they are eligible) that they are qualified to test and that once they passed the test and have a social security number, they can be issued a license.
 - The Board agreed that we cannot issue a temporary license with a post date. The date must be the date it was issued.
- f) Newsletter
 - Trish gave an estimate of how much it would cost to mail Newsletters.
- g) Policy on Public Attending Meeting
 - The Board would like to add Public Comment to the beginning of future Agendas and they would like to have a sign in sheet for visitors.

VII. Recently Asked Questions

- Don made motion to create a sub-committee be created to answer the "Recently Asked" and "CE" Questions. Shannon and Lesleigh agreed to be in the committee and to meet one day a month. Shannon seconded the motion with all in favor.

XIII. Next Meeting Date

- Next meeting is scheduled for Wednesday, March 17, 2009 at 9:00 am.

January 6, 2010
Amended Minutes

Members Present: Don Sensabaugh, Shannon Snodgrass, Lesleigh Sprouse

Member Present by Phone: Jack Spatafore, John Spiker, Melanie Taylor

Non-Members Present: Eric Tarr, PT, WVPTA; Nancy Tonkin, Executive Director, WVPTA; Jason Webb, Lobbyist, WVPTA

Minutes taken by: Patricia Holstein

I. Motion to call meeting to order

- Lesleigh Sprouse called the meeting to order at 12:10 pm. Melanie joined meeting at 1:15 pm. John, Jack, and Melanie left at 5:15pm.

II. Public Comment

- Nancy spoke about the interim Meeting with the Subcommittee A next week. Nancy gave a breakdown of the steps through the legislature to introduce our new statute. She advised that their lobby day would be January 19, 2010.
- Jason Webb, Government Relation Specialist Association discussed process of legislature passing and the Emergency Rule. Jason went over how important it was to clean up the statute now so that it would not have to be reopened anytime soon.
- Eric Tarr explained that he would like us to come to an agreement regarding the new statute. Eric advised that he has looked over several practice acts and went over the other state Board's ratio and general supervision.

III. Practice Act Discussion Points

- Eric Tarr requested changing the statute by the following:
 - Physical Therapist can supervise up to 4 physical therapy assistants.
 - In any setting a maximum of 2 Physical Therapist Assistants can be supervised by telecommunications-general supervision.
 - Physical Therapist Assistant could be approved by the Board for general supervision based on experience with a minimum of one year.
 - How general supervision is used would be set dependent.
 - Home health and co-visit timeframes would be determined by the Board in the Rule.
 - Allow 50 % of the work week for Physical Therapist Assistant's to be under general supervision under hospital and outpatient settings.
 - Allow provisions for emergencies that a Physical Therapist could briefly exceed the ratio requirements.
 - Include an enforceable code of ethics in the Statute.
 - Board would be able to restrict individual licenses in cases of unsafe supervision.

STATUTE CHANGE MOTIONS:

- Shannon motioned to remove the current statute definition of "on-site supervision" in §30-20-3 (i) to match the definition in the Rule section §16-1-2 (2.5). Don seconded the motion with all in favor. The language is as follows: "On site supervision" means the supervising Physical Therapist is continuously on-site and present in the building where services are provided, is immediately available to the person being supervised, and maintains continued involvement in appropriate aspects of each treatment session.
- Shannon motioned to accept the "final maybe" statute draft as discussed with addition to change "executive director" to "executive secretary" in any language of the statute. Lesleigh seconded the motion with all in favor.
- Don motioned to remove the current language in §30-20-6 (12) and to replace the language. Jack seconded the motion with Lesleigh, Melanie, and John in favor. The language is as follows: Establish a maximum ratio of a licensed Physical Therapist Assistant, or Physical Therapy aide involved in the practice of physical therapy, or any combinations that can be supervised by a licensed Physical Therapist at any one time. Don motioned to remove §30-20-6 (13) and (14) and to put that language into the Rule. Shannon opposed moving this section to the Rule. Since majority vote, motion was passed.
- Since there was a motion made when reviewing the Rules to duplicate the Statute §30-20-9 language, #5 of this section will be removed.

RULE CHANGE MOTIONS:

- Shannon motioned to accept the language in Rule §16-1-5 (5.3) as follows: All licensees desiring to remain “active” and in good standing must complete 20 contact hours per 2 year period of continuing education approved by the board. John seconded the motion with all in favor.
- Lesleigh motioned to accept the language in Rule §16-1-6 (6.2) (a) & (b) with the exception to remove “may” and to replace with “shall”. Shannon seconded the motion with all in favor. The language is as follows:
 - (a) Pending examinations, to any Physical Therapist applicant who is a new graduate of a program approved by the Commission on Accreditation in Physical Therapy Education (CAPTE). The temporary permit is valid for a period of ninety (90) consecutive days and the permit shall not be renewed.
 - (b) To a person who possess an unencumbered license in another state or territory or possession of the United States and who is a graduate of a program approved by CAPTE, the temporary permit is valid only for a period of ninety (90) consecutive days and the permit shall not be renewed.
- Lesleigh motioned to accept the language in Rule §16-1-7 (7.3) (a) & (b) with the exception to remove “may” and to replace with “shall”. Shannon seconded the motion with all in favor. The language is as follows:
 - (a) Pending examinations, to any Physical Therapist Assistant who meets the requirements of WV Code §30-20-6 (b) (1) and (2). The temporary permit is valid for a period of ninety (90) consecutive days and the permit shall not be renewed; or,
 - (b) To a person who possesses an unencumbered license in another jurisdiction and who is a graduate of a program approved by CAPTE. The temporary permit is valid only for a period of ninety (90) consecutive days and the permit shall not be renewed.
- Lesleigh motioned to remove the current Rule language of section §16-1-8 Nature of Practice for Physical Therapist and duplicate the Statue section §30-20-9 with removal of #5. Shannon seconded the motion with all in favor. The language is as follows:

A physical therapist may:

 1. Examine, evaluate and test patients/clients with mechanical, physiological and developmental impairments, functional limitations, and disabilities or other health and movement related conditions in order to determine a diagnosis, prognosis and plan of treatment intervention, and to assess the ongoing effects of intervention: Provided, that electromyography examination and electro diagnostic studies other than the determination of chronaxia and strength duration curves shall not be performed except under the supervision of a physician electromyographer and electro diagnostician;
 2. Alleviate impairments, functional limitations and disabilities by designing, implementing and modifying treatment intervention that may include, but are not limited to: therapeutic exercise, functional training in self-care and in home, community or work integration or re-integration, manual therapy techniques including mobilization of the joints, therapeutic massage, fabrication of assistive, adaptive, orthotic, prosthetic, protective and supportive devices and equipment, airway clearance techniques, integumentary protection and repair techniques, patient-related instruction, mechanical and electrotherapeutic modalities, and physical agent or modalities including, but not limited to, heat, cold, light, air, water, and sound;
 3. Reduce the risk of injury, impairment, functional limitation and disability, including the promotion and maintenance of fitness, health and wellness in population of all ages;
 4. Engaging in administration, consultation and research.
- Jack motioned to accept the language in Rule §16-1-9(a) with an exception that 20% of the workweek a Physical Therapist can provide general supervision. John seconded the motion with Lesleigh in favor and Melanie, Don, and Shannon not in favor. Motion did not pass.
- Lesleigh motioned to accept the PA Emergency Exception language to be added to section §16-1-9. Don seconded the motion with all in favor. The language is as follows: “ In an emergency situation, such as serious illness death of a family member, which causes the unanticipated absence of the supervising Physical Therapist for not more than 3 days consecutively, a licensed Physical Therapist Assistant may continue to render services to only those patients for which the licensed Physical Therapist Assistant has previously participated in the intervention for established plans of care not to exceed the regularly scheduled operational hours of the particular day or days the supervising Physical Therapist is absent. Every effort shall be made by the licensed Physical Therapist or licensed Physical Therapist Assistant to obtain supervision in the care described in this section. A licensee utilizing this section shall maintain a written record noting the dates and the emergency which shall be available for Board review, and shall submit a report to the Board biannually setting forth each day absent under this paragraph and this reason for such absence. A licensed Physical Therapist may utilize this emergency provision no more than 10 days per calendar year.
- Lesleigh motioned to accept the language in Rule §16-1-9 (5.3) Don seconded the motion with all in favor. The language is as follows: At least once every ten (10) Physical Therapist Assistant visits, or within twenty one (21)

calendar days, whichever occurs first, there must be a joint on-site visit by the licensed Physical Therapist Assistant and the licensed Physical Therapist. In the event that the supervising Physical Therapist changes, then that Physical Therapist must evaluate the patient with the Physical Therapist Assistant or discuss the patient's diagnosis and plan of care with the previous supervising Physical Therapist before the next Physical Therapist Assistant visit is made.

- Shannon motioned to accept the language in Rule §16-1-9(c) (3) with the exception to change "2" to "4" and to remove "foreign educated Physical Therapists". Don seconded the motion with all in favor. The language is as follows: No more than four (4) persons, Physical Therapy Assistants, Physical Therapy Assistants holding a temporary permit, or Physical Therapy aids, or any combination thereof, can be supervised by a Physical Therapist at any one time.
- Don motioned for Charlie to title and give section for fees instead of how it is now formatted. Lesleigh approved with all in favor.

ADDITIONAL MOTION:

Lesleigh motioned to adopt the Coursework Tool (CWT 5) for use in credentialing foreign educated physical therapist who graduated after June 30, 2009. Motion was seconded by Don with all in favor.

IV. Motion to adjourn at 5:35.

Minutes taken by: Trish Holstein

I. Motion to call meeting to order

- a) Lesleigh made the motion to call the meeting to order at 10:15am.

II. Public Comment TOEFL Score Process

- a) Bryan Balajadia and James Prefecto spoke on behalf of Christina Simbul regarding combining her TOEFL scores.
- Explained that the Board combined TOEFL scores previously from different test dates so that himself and other foreign applicants were eligible for a Temporary Permit.
 - Stated that Christina De Simbul is still in the Philippines and has until July 1, 2010 to apply for an HV1 Visa. However, she can not apply without a temporary license in the US.
 - Bryan explained that Christina Simbul has not applied for licensure in any other states in the US.
 - Christina's TOEFL scores were discussed. The first exam she passed all of the required fields except the speaking part. The second exam she did not pass the speaking part. The third time she did however pass the speaking part of the exam.

III. Executive Session at 10:30am

- Don motioned to go into Executive Session. John seconded motion with all in favor.
- Details were discussed regarding TOEFL scores being combined.

Melanie made a motion to come out of the executive session at 10:30am. Lesleigh seconded the motion with all in favor.

- Don made a motion to accept for licensure any TOEFL scores for any foreign applicant who has taken the examinations as of this date and has not passed all of the fields in one score as long as they have passed them all in a series of test within a two year period can be combined. However, from this day forward a person has to pass all the sections in one test. Shannon seconded the motion with all in favor.

IV. Approval of Minutes

- a) March 17, 2010
- Jack advised to add Lesleigh Sprouse to Members Present.
 - Melanie motioned to approve March 17, 2010 minutes with one amended change. Jack seconded the motion with all in favor.

V. Chairman Report

a) CE Audit Complaint

- The Board discussed answering the CE Audit complaint letter from HealthSouth.
- Don made a motion to respond to the letter to HealthSouth answering and addressing their questions and concerns. Seconded by Melanie with all in favor.
- The Board made policy that future CE audits need to have all communications in writing explaining that the licensee has the option to have the CE approved or to have the Board review the CE. If the licensee choose to have the Board review their CE's during the next Board meeting and the Board does not approve the CE, their license could go into lapsed status immediately.

b) aPTitude Model for FSBPT

- The Board verified the CE information from the FSBPT and approved the accuracy of the aPTitude form.

VI. Executive Secretary Report

a) Financial Report March, April, May Budget

- Shannon recommended an audit be performed by the Legislative office. Don suggested that Trish create a list by object codes and compare this year to last two year. At that point the Board can then identify categories where expenses were higher, examine the information and decide if an audit is necessary. The Board agreed to have Trish create a spreadsheet for past and current expenditures and email it to all of the Board members. The Board members will further discuss in a future meeting once we receive information to decide whether and audit is needed.

b) Budget 2010/2011 Approval

- Trish went over the Budget and the Board approved.

c) Unemployment Remaining

- Trish advised the Board that the remaining Unemployment is \$2166.00 and that it would be paid in July.

d) Expenditures

- Trish advised that the expenditures are reducing due to less postage, office supplies, etc.

e) Office Purchases

- Trish requested to buy two office chairs, a laptop, and two office phones. Shannon motioned to approve the office purchases and Melanie seconded with all in favor.

f) Retirement Health Benefits Trust (RHBT) Annual Required Contribution (ARC)

- Trish explained that we currently owe approx. \$17,000 for the ARC and it's accumulating \$600-700 a month per employee. Trish advised that she was told by the Budget office that we were not required to budget for this expense and this is a growing problem and was advised that the State is getting a team to check what is owed by other state agencies.
- Shannon requested that Trish find out additional information regarding (ARC) and she would like this discussed at the next Board meeting.

g) Personnel Billing

- Trish informed the Board that the personnel billing is not new and it is \$50 per quarter per employee, for a total of \$400 a year to Department of Personnel (DOP). Kate Campbell with the Attorney General's Office did research for the Board of Barbers and advised that if you have exempt employees you do not have to pay this bill and that it would be up to the Board if they wanted to pay. Kate advises the bill be paid due to the fact that we use DOP for a lot of reasons. Trish informed the Board that other Boards have paid this bill in the past. The Board agreed to continue with this payment.

h) Holiday Time

- Trish requested that the office staff be allowed to work unconventional holidays and bank the days to use at another date. The Board agreed that the office staff would be allowed to bank up to 3 holidays at one time.

VII. Adverse Actions

- Lesleigh explained the definition of an Adverse Action to the Board and how the Federation sends the office notices of new actions.
- Trish stated that we received adverse actions on applicants and licensee's who are being disciplined in various states for not completing continuing education requirements and other penalties. The board made it a policy that an audit be done for on applicants and/or licensees who have had adverse actions taken against them regarding their CEU's.
- The Board decided that the lapsed/inactive PT/PTA's with adverse actions against them would need to be documented in case they would ever want a WV License again. The Board made it a policy that in the future if the office staff would receive an adverse action on a PT/PTA regarding CE, they would need to mail an audit letter to the licensee.

VIII. Executive Session at 11:30am

- Lesleigh made the motion to go into executive session at 11:30 am and Melanie Seconded the Motion with all in favor.
- The Board discussed disciplinary and adverse actions.

Don motioned to come out of Executive Session at 12:40 pm. Melanie seconded the motion with all in favor.

IX. Adverse Actions

- Lesleigh discussed an Adverse Action that was sent to the Board for an active WV licensee. The licensee lapsed in 2009 and re-activated their license in 2010. On the application to re-activate their license, they marked that they did not have their license or registration suspended or revoked under the Laws of another state. The adverse actions showed that they lost their license by 2 other Boards before the licensee signed their application. The applicant signed the application that they “affirm that this Application contains no willful misrepresentation or falsifications and that this information given by me is true and complete to the best of my knowledge”.
- Melanie made a motion to file a Complaint against the licensee regarding the adverse action. Kate will need to write a complaint for fraudulently obtaining a license and Lesleigh will need to sign it. John seconded the motion with all in favor.

X. Disciplinary Committee Report (Don Sensabaugh and Jack Spatafore)

- a) **Case No. 2008-01** (Original complaint received 04/01/2008, 18months = 10/01/2009)
 - Shannon reported her findings for random visit on 03/17/10.
 - Cynthia Fox (Investigator) reported her findings for the random visit on 05/26/10.
 - Trish was requested by the Board to overnight Shannon’s findings from her random visit to Cynthia.
 - Cynthia requested additional documents from the respondent. Trish will generate a letter requesting the needed documents.
 - The Board requested a report to be generated from Cynthia on the next Board Meeting June 18, 2010.
 - Don motioned to pay Cynthia & Shannon’s invoices for investigation. Melanie seconded the motion with all in favor. Shannon abstained from voting.
- b) **Case No. 2009-02** (Original complaint received 01/29/2009, 18 months = 07/29/2010)
 - The Board reviewed the complaint and discussed.
 - Trish gave an update on this case. The person who has the complaint against him signed the consent. License were suspended.
- c) **Case No. 2010-01** (Original complaint received 03/16/2010, 18 months = 09/16/2011)
 - The Board reviewed the complaint and discussed.
 - Disciplinary Committee motioned there is probable cause to believe they are in violation of WV code 30-20-10. 3; b-3; b-4;b-7, and recommend license be suspended for 1 year and to offer a Consent Decree Agreement in lieu of a hearing. John seconded the motion with all in favor.
 - Melanie made a motion; Shannon seconded with all in favor that the Board will need to request more information from the Complainant regarding the PT supervising visits. Board wants to request the dates and times of the visits that were reported as fraud, who was the PT supervising the PTA, did the PT have knowledge of this situation (and if not why).
 - Trish will generate the letter to Complainant.
 - Trish will consult with Kate regarding the Statement of Charges and the Consent Agreement & Order and Lesleigh will sign.
- d) **Case No. 2010-02** (Original complaint received 05/14/2010, 18 months = 11/14/2011)
 - The Board members left the room, while Jack and Don reviewed this case together. The Board returned once the decision was made.
 - Don motioned to dismiss due to no finding of probable cause and that the Complainant and Respondent should be advised. Melanie seconded the motion with all in favor.

XI. New Business

- a) Newsletter
 - The Board members agreed that the newsletter be mailed out by August 1, 2010. Trish will need to send a copy of the newsletter to the Board members to review before mailing out. Melanie is working on the CE part of the newsletter, including the changes, where to find approved CE’s and how many hours are required. The Board

recommended Trish to put various things in the newsletter such as picture of Governor signing the Statue, new Statue and our new location, TOEFL Scores, Disciplinary, and introduce the new executive secretary.

b) WV License Software Purchase Update

- Trish explained that she discussed with other Boards who they use and the cost.
- Trish informed the Board that she had a meeting with Bill McClanahan at the Office of Technology. At this time there is nothing that can be purchased from them. The Office of Technology is working on one standard software design that would be efficient for all WV Boards. Trish will inform the Board of any further updates.

c) Rent Payment Update

- Trish informed the Board that she spoke to David Bailey and advised the Landlord agreed to waive the outstanding balance.

d) Additional Investigators

- Trish informed the Board that Lesleigh and Shannon have both asked to bring up hiring additional investigators.
- Shannon suggested searching for an Active PT to send to training to become an investigator for the Board.
- Lesleigh gave the Board members information for Clear training in Nashville, TN in September.
- Shannon made the motion to secure an additional investigator and authorizes the cost for Clear training. Don seconded the motion with all in favor.

XII. House Bill 4140 Rule Changes

a) Public Comment - Eric Tarr, Eric Shaw and Jason Webb expressed their suggestions for the proposed Rule Changes.

- Jason Webb spoke regarding Continuing Education, fees, and general regulations. He recommended that Continuing Education hours and Fees be separated into their own rules.
- Eric Tarr suggested changes to the proposed Rule.
 - Add to the definition of “Physical Therapy Aide” section 2.4.a. “A physical therapy aid works under the direct supervision of a physical therapist”.
 - Request section 5.3. state that it is a separate series.
 - Add a section regarding Ethics in 8.2.
 - Request in section 9.1., supervision may be general or onsite. Regardless of the level of supervision required, the PT will make the initial visit and PT will make the final decision discharge.
 - Request to include that PTA’s must have 1,000 hours of experience would have to take place for a PTA to work in an outpatient or hospital setting only.
- Requested changing Continuing Education hours from 20 to 24 hours and volunteers to have 20 hours.
- Jason Webb discussed that the Statue states that the 30-20-6 (18.b) Board shall promulgate an Emergency rule.
- Lesleigh discussed the Emergency Rule and the Proposed Rules need to be turned into the Secretary of State’s office by June 30, 2009. She went over the process of Comment Period and advised we have to allow 30 days for comment.
- Jason Webb explained the process of the Emergency Rule process and explained that we need to do the Proposed Rule and the Emergency Rule. His opinion is that we should only suggest the supervisory ratio for the Emergency Rule.

b) The Board discussed changes to House Bill 4140 Rule.

- Add all definitions to match the Statue.
- Add to the definition of “Physical Therapy Aide” section 2.4.a. “A physical therapy aid works under the direct supervision of a physical therapist”.
- Add to section 5.3 “...20 contact hours of Board approved continuing education within the two year licensing period. If the licensee does not complete the 20 contact hours within the license period, that the licensee will be placed on delinquent status and will be subject to all fees associated with delinquent status”.
- Add sections 5.5 and 5.6 to further explain the continuing education and when we could make the license delinquent and they would be paying delinquent fees. 5.5. “Delinquent licensee is responsible for penalty fees including but not limited to: application fee, delinquent license fee, and the current year renewal fee. A licensee must also complete and show proof of Board approved continuing education requirements. 5.6. “To reinstate an “inactive” license, the licensee must submit an application for renewal along with a non- refundable application fee and license renewal fee.”
- Jack and John will review the Association’s proposal of CE hours and will report recommendations to the Board at the next Quarterly meeting and that time the Board will discuss and decide on CE policy.
- Expand on the CE requirements on the internet.
