We have audited the accompanying statements of financial position of Raleigh County Community Action Association, Inc. These financial statements are the responsibility of Raleigh County Community Action Association, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Raleigh County Community Action Association, Inc. as of December 31, 2010 and 2009, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2011, on our consideration of Raleigh County Community Action Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting

and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations* schedules of grant support, revenue and expenses compared to grant budgets (non-GAAP basis) and the schedule of state grant receipts and expenditures and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. RALEIGH COUNTY COMMUNITY ACTION ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2010 AND 2009

1. **Summary of Significant Accounting Policies**

Nature of Activities – Raleigh County Community Action Association, Inc. (RCCAA) is a non-profit community action agency, which provides services to low-income individuals and families in Raleigh County, West Virginia. Raleigh County Community Action Association, Inc.'s headquarters are located in Beckley, West Virginia. The Organization is funded primarily through grants and other agreements with the federal and state government.

Basis of Accounting – The financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Temporarily Restricted Net Assets – The temporarily restricted category is comprised of funds whose use has been limited by donors to a specific time period and/or purpose. Temporarily restricted net assets are primarily comprised of property and equipment purchased with grant funds which restrict the use and disposition of the property and equipment. RCCAA records a release of these restrictions over the life of the assets.

Unrestricted Net Assets – The unrestricted category is comprised of funds whose use is limited only to the extent that the Organization's by-laws limit the activities of the Organization. Contributions with donor-imposed restrictions that are met in the same year in which the contribution is recognized are reported as changes in unrestricted net assets.

Property and Equipment – Raleigh County Community Action Association, Inc. purchases the majority of its property and equipment with funds provided by restrictive grants. Property and equipment purchased with funds from such grants are subject to restrictions regarding use and disposition. Property and equipment are recorded at cost and depreciated on the straight-line method over their estimated useful lives as follows:

Building	30 years
Vehicles	5 years
Other Equipment	3 to 5 years

Inventory – In accordance with grant award budgets approved by funding sources, inventory is charged to expense in the period during which it is purchased instead of being recognized as an asset and being expensed as it is used. However, due to the nature of the program the garage inventory values have been determined on a weighted average cost method and are stated at the lower of cost or market.

Revenue and Expense Recognition – The financial statements have been prepared on the accrual basis of accounting. Grants restricted for specific purposes are reported as revenue when qualifying expenses have been incurred. Grants received in advance for incurring qualifying expenses are recorded as deferred revenue. Revenue from fee-for-service contracts is recognized in the accompanying financial statements when the services have been provided.

RALEIGH COUNTY COMMUNITY ACTION ASSOCIATION, INC.
NOTES TO FINANCIAL STATEMENTS (CONT'D)
FOR THE YEARS ENDED DECEMBER 31, 2010 AND 2009

Deferred Revenue – Deferred revenue represents unexpended/unearned funds received as of December 31, 2010 and 2009.

Income Taxes – Raleigh County Community Action Association, Inc. is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

Contributed Services and Space – Contributions of services are recognized if the services received create or enhance nonfinancial assets, or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. Contributed services, which are recognized are valued at the estimated cost that would have been incurred by Raleigh County Community Action Association, Inc. to purchase similar services. Donated space is valued at the estimated fair rental value.

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosure. Accordingly, actual results could differ from those estimates.

Contributions – Contributions are recognized when the donor makes a promise to give the Organization that is, in substance, unconditional. All contributions received by the Organization have been unrestricted and therefore have been reported as increases in unrestricted net assets, unless specifically designated to specified programs.

Cash and Cash Equivalents – For purposes of the Statement of Cash Flow, the Organization considers cash to be cash and cash equivalents.

Concentrations of Credit Risk Arising from Cash Deposits – Cash on hand and deposits with financial institutions either in checking, savings, or repurchase agreements are presented as cash in the accompanying financial statements.

The Organization maintains its cash in bank deposit accounts at financial institutions. The balances in the banks are insured by the Federal Deposit Insurance Corporation or by additional pledged securities. As of December 31, 2010 the actual bank balances amounted to \$513,296, while the carrying amount was \$529,989. Furthermore, as of December 31, 2009 the actual bank balances amounted to \$614,528, while the carrying amount was \$554,255.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of
Raleigh County Community Action Association, Inc.
Beckley, West Virginia

We have audited the financial statements of Raleigh County Community Action Association, Inc. (a nonprofit organization) as of and for the year ended December 31, 2010, and have issued our report thereon dated September 20, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Raleigh County Community Action Association, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Raleigh County Community Action Association, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Others Matters

As part of obtaining reasonable assurance about whether Raleigh County Community Action Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, others within the organization and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND
MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE
WITH OMB CIRCULAR A-133**

To the Board of Directors of
Raleigh County Community Action Association, Inc.
Beckley, West Virginia

Compliance

We have audited Raleigh County Community Action Association, Inc.'s (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Raleigh County Community Action Association, Inc.'s major federal programs for the year ended December 31, 2010. Raleigh County Community Action Association, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Raleigh County Community Action Association, Inc.'s management. Our responsibility is to express an opinion on Raleigh County Community Action Association, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Raleigh County Community Action Association, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Raleigh County Community Action Association, Inc.'s compliance with those requirements.

In our opinion, Raleigh County Community Action Association, Inc. compiled, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2010.

Internal Control Over Compliance

Management of Raleigh County Community Action Association, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Raleigh County Community Action Association, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Raleigh County Community Action Association, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Board of Directors, management, others within the entity, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
