December 19, 2022

The Honorable Jim Justice
Governor of West Virginia
State Capitol, Building 1
Charleston, West Virginia 25305

Dear Governor Justice,

The West Virginia Board of Respiratory Care is pleased to provide you with our annual report for the period of July 1, 2021, to June 30, 2022, in accordance with Chapter 30-1-12 of the West Virginia State Code.

The mission of this agency is to protect the public in providing competent and qualified respiratory therapists for the citizens of West Virginia. The West Virginia Board of Respiratory care provides oversight of the licensing of respiratory therapists, provides guidelines for licensing requirements, renewal of licenses, continuing education requirements, and investigations and/or prosecution of license violations.

The Board of Respiratory Care consists of seven members appointed by the governor with the advice and consent of the senate. Members consist of one lay person, one practicing physician currently licensed to practice in West Virginia with certification, clinical training and experience in the treatment of pulmonary diseases, and five members engaged in the practice of respiratory care for five years immediately preceding their appointment.

The Board of Respiratory Care works with state and national organizations to maintain the highest standards of the practice of respiratory care to ensure the citizens of West Virginia are protected and offered the highest quality of care in the practice of respiratory therapy. Respiratory Therapists have been one of the leading professions in the treatment and care of COVID-19 patients in all aspects of the healthcare field.

Please contact our office with any questions or comments regarding the information contained in this report.

Respectfully submitted,

Tracy S. Matthews, MBA, RRT, LRTR
Board President

OVERVIEW OF ACTIVITIES

Members of the Board of Respiratory Care are appointed to serve in a voluntary capacity. The Board members are selected from various regions of the state and are practiced in home care and acute care. The Board is composed of five respiratory therapists, one physician and one lay member. The composition of the Board provides a knowledge base to ensure the public that all facets of respiratory care and private citizen's input are represented.

The West Virginia Board of Respiratory Care is an active participant in meetings across the state and national level. Their participation in these meetings addresses the areas of licensing, professional regulation, standards of care, clinical practice guidelines and overall changes to the healthcare delivery system. Several members of the board attend and are active in the American Association of Respiratory Care with a nationwide organizational capacity of over 49,000 members. With this continued involvement, the West Virginia Board of Respiratory Care and licensed practitioners in the State of West Virginia are abreast of national issues facing the current and future delivery of respiratory care services.

The Board also participates in the National Board of Respiratory Care's Disciplinary Database and the National Practitioners Data Bank – Health Practitioners Data Bank which are national databases of final disciplinary actions taken against respiratory care practitioners in all licensure states.

Respiratory practitioners holding a license to practice in the State of West Virginia are categorized into associates, certified therapists, and registered therapists. As of June 30, 2022, the West Virginia Board of Respiratory Care maintained a total of 1,841 active licenses, 79 inactive licenses, 31 active student permits, and 115 Emergency COVID-19 Permits for practitioners in its database. On March 26, 2020, the board suspended certain sections two rules; Establishment of Fees 2.2.1, 2.2.3, and Student Temporary Permits 2.1.1, 2.3.1, 3.1.6 to allow the board to expedite the issuance of licenses and/or permits to fast track more Respiratory Therapist into the

healthcare field during the Covid-19 pandemic. The board further suspended the entire rule of Continuing Education Requirements to allow Respiratory Therapists to dedicate their time and effort in caring for the patients in the State of West Virginia. On September 19, 2022, both aforementioned suspensions have been rescinded by the board and are in full force and effect.

The board continues to recognize the National Board of Respiratory Care's examination as the criteria for licensing respiratory therapists and other credentials in the practice of respiratory care in the State of West Virginia. This national examination provides for interstate endorsement of licensees without further testing. The national examination is computerized and is offered to graduating students at more than 100 testing locations nationally. The West Virginia Board of Respiratory Care issues a license to practice when an applicant completes the educational requirements of graduation from a Respiratory Care Educational Program of a COARC accredited school and by passing at minimum, the entry level examination, and payment of appropriate fees. All applicants are verified with the National Board of Respiratory Care Disciplinary Database and the US Department of Health and Human Services Healthcare Providers Disciplinary Database. Moreover, if an applicant previously held or is currently licensed in another state, the applicant is verified by those states for any disciplinary action which may be completed or pending.

Fiscal Year 2021-22 Board Activity

During fiscal year 2021, the board launched a new website at www.wvborc.com designed and hosted by the WV State Treasurer's Office. No physical travel was conducted by the board. The new website allows licensees to request name changes, verifications, and to renew their license online. New and reinstatement license applications are also performed online in real time. The board continues its efforts to become paperless and efficient for its licensees and employers. The board conducted three board meetings by teleconference; September 8, 2020, March 31, 2021, and June 14, 2021. The Board conducted two official hearings and issued three official Consent Agreements.

During fiscal year 2022, the board continued Covid-19 protocol on non-travel and conducted three meetings by teleconference; September 22, 2021, February 23, 2022, and May 17, 2022. One hearing was conducted and one Consent Agreement was issued. Due to Covid-19, the board continued to operate by remote access and appointment only. Meetings, webinars, conferences continue to be attended by teleconference.

The West Virginia Board of Respiratory Care continues to operate a web site at www.wvborc.com with links to the West Virginia State homepage, various national organizations, and continuing education sponsors for respiratory care. Various forms, online license renewal payments, license verifications, and other information are available from the web site in continuing efforts for public communication. All monies and payments are processed by the West Virginia Treasurer's Office or the Treasurer's Office E-Gov for the board.

The board is committed to collaboration with other health related or licensing agencies and organizations in West Virginia and nationally, to identify needs, improve public access, and provide information about education, licensure practice, discipline, and accountability for health professionals. To this end, the board has continued to provide open public communication through its website and staffed office located at 106 Dee Drive in Charleston, West Virginia, 25311.

Reappointments of Rodney Vest and Dr. Ihle were also made by the Governor. Regina Gillispie has withdrawn her name for reappointment. Barbara Folden will be considered after June 30, 2022.

CE Broker Presentation – Catherine Como

Ms. Como presented the board with the services CE Broker could provide to in regard to monitoring the licensees continuing education units for the board. This would be at no cost to the board. The board would need to provide CE Broker with basic licensee information to enable CE Broker monitor.

Discussion ensued after presentation. The board raised concerns in providing licensee information to CE Broker citing security issues. Many licensees have opted out of the board releasing their information. Currently, the board is preparing to enter its first year of CE reporting providing the Governor removes the State of Emergency. The last CE reporting was in 2018. Tracy Matthews motioned to entertain CE Broker's services next year as the Board is required by WV State Code to audit and approve continuing education CSR3. Barbara Folden seconded. Motion carried.

EverChek Presentation – Ashley Kittrell

Ms. Kittrell presentation to the board, via teleconference, included a request to obtain licensees basic information via file transfers so they may provide healthcare facilities with real time licensee background checks and verifications for employment/discipline. Documents from Ms. Kittrell was provided to all board members for review.

Discussion ensued after presentation. The board raised concerns in security of file transfer of licensee basic information. The board asked questions on the method of verification of license information is offered to the public currently. Nancy Massey stated she provides licensee verifications via email, fax, and telephone to healthcare facilities, etc. She further explained the board provides the public with the capability to officially verify a license of record from its website which is hosted by the state government treasurer's office e-gov division offered to state agencies. The file transfer would have to be performed by treasurer's IT department. Tracy Matthews motioned to entertain this request after January 1, 2023, with concerns of internal staff change, file transfer security, multiple companies requesting the same information from the board, and the Treasurer's IT additional work on behalf of the board. Rodney Vest seconded. Motion carried.

Executive Session (Personnel issues and Disciplinary Cases) – Rodney Vest motioned to enter executive session. Dr. Ihle seconded. Motion carried.

Exit Session – Dr. Ihle motioned to exit executive session. Rodney Vest seconded. Motion carried.

Discipline Review –

22-45 Soldano; LRTC2544 – Barbara Folden motioned for the board to find probable cause to move forward with formal hearing. Rodney Vest seconded. Motion carried.

22-45 Scott Hare; LRTC02454 - Barbara Folden motioned the board to find probable cause to move forward with formal hearing. Chris Henderson seconded. Motion carried.

Richard Dials –

Letter was received asking for the board to allow Mr. Dials to be licensed in the State of West Virginia. Rodney Vest motioned to reaffirm the previous board's decision not to consider licensing Mr. Dials until his license discipline is in good standing in the State of Kentucky. Barbara Folden seconded. Motion carried; Nancy Massey will send notification to Mr. Dials of this decision.

DASCO Complaint – Rodney Vest will conduct investigation into Dasco permitting unlicensed personnel to perform procedures requiring a licensed therapist to perform.

Personnel Vacancy –

Tracy Matthews discussed the salary range of Administrative Secretary position. Barbara Folden motioned for \$37,500 as starting salary during probationary 90 period. Chris Henderson seconded. Motion carried. Note: Governor's across the board salary increase for July 1, 2022, will be added to the starting salary. The board is to start the hiring process as soon as possible.

Student Permits –

Tracy Matthews drafted an updated version of the Student Permit Rule to expand the scope. A discussion ensued by the board and expressed need for additional changes which will be presented for approval at the next meeting.

RPSGT Inquiry –

Tracy Matthews provided statement for persons having the RPSGT credential may work under that scope. This includes utilizing positive pressure and oxygen in a Sleep Lab setting. It would not cover setting up positive pressure or oxygen in an acute condition as patients admitted or send through the ED. Chris Henderson motioned that Tracy prepare a Position Statement to be posted to our website. Rodney Vest seconded. Motion carried.

Legislative Update –

Chris Henderson presented HB2024 TeleMed; Discussion ensued on how the TeleMed bill will impact Respiratory Therapist in O2 set ups. The board will monitor this offering.

Administrative Review –

No P-Card purchases to report.

FY22 Budget/Revenue and FY23 was copied to each member.

Copier contract was awarded to Komax. Nancy has ordered new 450i copier. Due to delay in shipping the copier will not be delivered before the close of the fiscal year.

The two tablets and cell phones have been ordered.

Conference Attendance –

Dr. Ihle will be attending the World Conference on Lung Cancer. She will be accepting research award. The board will incur the travel cost as approved by vote of the board during the February 23, 2022, meeting.

Safety Committee –

Nancy Massey addressed the board in review of office safety, PII privacy, and electronic security issues. The board is in compliance as addressed and checklist was performed.

Adjourn –

Barbara Folden motioned to adjourn. Rodney Vest seconded. Motion carried.

Recording – Nancy Massey
