### INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Taylor County Senior Citizens, Inc.
Grafton, West Virginia

We have audited the accompanying statement of financial position of Taylor County Senior Citizens, Inc. (a nonprofit organization) as of September 30, 2010 and the related statements of activities, functional expenses, and cash flows for the year then ended, which collectively comprise the Organization's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Taylor County Senior Citizens, Inc. as of September 30, 2010, and the respective changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated April 21, 2011, on our consideration of Taylor County Senior Citizens, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of Taylor County Senior Citizens, Inc. taken as a whole. The schedule of federal awards and schedule of state awards and other assistance are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Taylor County Senior Citizens, Inc.
Grafton, West Virginia

We have audited the financial statements of the business-type activities of Taylor County Senior Citizens, Inc. as of and for the year ended September 30, 2010, which collectively comprise the Organization's basic financial statements and have issued our report thereon dated April 21, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Taylor County Senior Citizens, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Taylor County Senior Citizens, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Taylor County Senior Citizens, Inc.'s internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies, or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed in the accompanying schedule of findings and responses we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described as items #10-01 and #10-02 in the accompanying schedule of findings and responses to be material weaknesses.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Taylor County Senior Citizens, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Taylor County Senior Citizens, Inc.'s responses to the findings identified in our audit are described in the accompanying schedule of findings and responses. We did not audit Taylor County Senior Citizens, Inc.'s responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the Board of Directors of the Taylor County Senior Citizens, Inc. and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

## TAYLOR COUNTY SENIOR CITIZENS, INC. SCHEDULE OF FINDINGS AND RESPONSES FOR THE YEAR ENDED SEPTEMBER 30, 2010

### #10-01 Segregation of Duties

**Criteria:** Responsibilities of approval, execution, recording and custody associated with all financial transactions should be distributed among the accounting staff to the highest degree possible.

Condition: Analysis of the internal control system indicated a lack of segregation of duties.

Cause: The Organization has a limited number of employees who are responsible for the approval, execution, recording and custody associated with all financial transactions. This limits the degree to which these responsibilities can be segregated.

Effect: Because of the lack of segregation of duties, internal control elements do not reduce to a relatively low level the risk that irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

**Recommendation:** Responsibilities of approval, executing, recording and custody associated with all financial transactions should be distributed among the accounting staff to the highest degree possible.

Entity's Response: To the extent possible, the Organization has segregated the responsibilities of approval, execution, recording and custody associated with all financial transactions. Any further segregation of duties would not be economically feasible.

### #10-02 Qualification and Knowledge

Criteria: Internal control should be implemented to the degree possible in recording the entity's financial transactions and the preparation of financial statements.

Condition: Analysis of the internal control system indicated a lack of skills, training, and knowledge in the recording of financial transactions or preparation of financial statements. More specifically, this should include all required financial statement presentations and all required financial statement note disclosures, as required by generally accepted accounting principles.

Cause: Individuals responsible for the accounting and reporting function lack the particular skills, training, and knowledge to apply generally accepted accounting principles in recording the entity's financial transactions or preparing its financial statements.

# TAYLOR COUNTY SENIOR CITIZENS, INC. SCHEDULE OF FINDINGS AND RESPONSES (CONT'D) FOR THE YEAR ENDED SEPTEMBER 30, 2010

Effect: Because of the lack of skills, training, and knowledge, internal control elements do not reduce to a relatively low level the risk that risk that irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

**Recommendation:** Individuals responsible for the accounting and reporting function should be trained to apply generally accepted accounting principles in recording the entity's financial transactions or preparing its financial statements. However, we recognize that providing this training is not economically feasible.

Entity's Response: To the extent possible, the individuals responsible for the accounting reporting function have been trained to perform their assigned duties. It would not be economically feasible for Center to train its employees to apply generally accepted accounting principles in recording the entity's financial transactions or preparing its financial statements.
