INDEPENDENT AUDITORS' REPORT

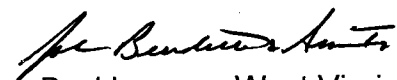

To the Board of Directors
Tucker County Senior Citizens, Inc.
Parsons, West Virginia

We have audited the accompanying statements of financial position of Tucker County Senior Citizens, Inc. (a nonprofit organization) as of September 30, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Tucker County Senior Citizens, Inc. as of September 30, 2012, and the changes in its net assets and its cash flows for the year then ended, in conformity with auditing standards generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 14, 2013, on our consideration of Tucker County Senior Citizens, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

NOTES TO FINANCIAL STATEMENTS**

Note 1. Summary of Significant Accounting Policies

The Tucker County Senior Citizens, Inc. is a nonprofit organization whose purpose is to improve the quality of life for senior citizens in Tucker County, West Virginia. The purpose of the Organization is to study and document the needs of the seniors, to encourage, promote and aid in the establishment of programs for the seniors, to conduct programs of public education in the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is implementing.

This summary of significant accounting policies of the Tucker County Senior Citizens, Inc. is presented to assist in understanding the Organization's financial statements. The financial statements and notes are the representation of management, who is responsible for their integrity and objectivity.

Basis of Accounting

The financial statements of Tucker County Senior Citizens, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards, "Financial Statements of Not-for-Profit Organizations." The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Allowance for Doubtful Accounts

The Organization uses the allowance method for accounting for bad debts. Management feels the accounts and grants receivable shown on the balance sheet are fully collectible.

Inventories

Inventories of raw food, materials and supplies are deemed immaterial and are accordingly expensed as purchased.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The Organization has adopted a \$ 5,000 capitalization policy whereby all property and equipment over \$ 5,000 is depreciated using the straight-line method over its estimated useful life. In addition, all property and equipment purchased with grant monies must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Federal grant awards are classified as refundable advances until expended for the purposes of the grants since they are conditional promises to give.

Federal Grants

Grants Monies are received on a reimbursement basis; this is utilized for Title III-B, Title III-D, Title III-E, Title VII and LIFE grants. Upon completion of a grant year, any unexpended grants have to be approved for carryover to the next grant year.

Title III-C monies are received on a meal reimbursement basis but not to exceed the total grant award. Upon completion of the grant year, any expended monies are restricted for future Title III-C program operating expenses. Total federal and state grant revenues for the year ended September 30, 2012, was \$ 620,965.

Donated Facilities

The Tucker County Senior Citizens, Inc.'s facilities are owned by the Tucker County Commission, Tucker County, West Virginia. Since a recent appraisal is not available, a fair rental value was unable to be calculated and recorded as donated services in these financial statements.

**TUCKER COUNTY SENIOR CITIZENS, INC.
NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

Expense Allocation

Expenses are charged to programs and supporting services on the basis of periodic time and expense studies. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Estimates

In preparing financial statements in conformity with generally accepted accounting principles, management must make estimates based on future events that effect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as of the date of the financial statements, and revenues and expenses during the reporting period. Actual results could differ from these estimates.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Senior Management and
The Board of Directors of
Tucker County Senior Citizens, Inc.
Parsons, West Virginia

We have audited the financial statements of Tucker County Senior Citizens, Inc. (a nonprofit organization) as of and for the year ended September 30, 2012, and have issued our report thereon dated June 14, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Tucker County Senior Citizens, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Tucker County Senior Citizens, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

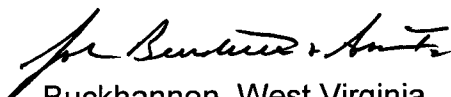

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designated to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tucker County Senior Citizens, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of Tucker County Senior Citizens, Inc. in a separate letter dated June 14, 2013.

This report is intended solely for the information and use of the audit committee, management, others within the organization and federal awarding agencies and pass-thru entities and is not intended to be and should not be used by anyone other than these specified parties.

MANAGEMENT LETTER

To the Senior Management and
The Board of Directors of
Tucker County Senior Citizens, Inc.
Parsons, West Virginia

In planning and performing our audit of the financial statements of Tucker County Senior Citizens, Inc. for the year ended September 30, 2012, we considered the Organization's internal control structure to plan our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control structure.

However, during our audit, we noted certain matters involving internal control structure and other operational matters that are presented for your consideration. This letter does not affect our report dated June 14, 2013, on the financial statements of Tucker County Senior Citizens, Inc.

We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control structure or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Segregation of Duties

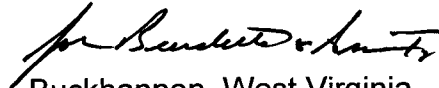

We noted that two employees are responsible for the accounting and financial duties. As a result, many aspects of the internal accounting control which rely upon an adequate segregation of duties are, for all practical purposes, missing in Tucker County Senior Citizens, Inc. We recognize that the Organization is not large enough to make the employment of additional people for the purpose of segregating duties practicable from a financial standpoint, but we are required, under our professional responsibilities to describe the situation.

Expense Allocation

During the audit we noted that fringe benefits and other expenses included in general and administrative could have been charged to specific programs. Doing so would reflect more accurately the cost of operating these programs.

We wish to thank the Director and her staff for their support and assistance during our audit.

This report is intended solely for the information and use of the Board of Directors, management, and others within the Organization.

Buckhannon, West Virginia
