INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Preston County Senior Center, Inc.
Kingwood, West Virginia

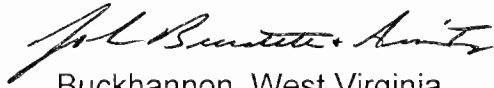

We have audited the accompanying statements of financial position of Preston County Senior Center, Inc. (a nonprofit organization) as of September 30, 2009, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Preston County Senior Center, Inc. as of September 30, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated May 11, 2010, on our consideration of Preston County Senior Center, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

Our audits were performed for the purpose of forming an opinion on the basic financial statements of Preston County Senior Center, Inc. taken as a whole. The accompanying schedules of expenditures of federal and state awards are presented for purposes of additional analysis as required by U. S. Office Management and Budget Circular A-133, Audits of State, Local Government, and Non-Profit Organizations, and West Virginia Department of Health and Human Services, and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

The purpose is to study and document the needs of the seniors, to encourage, promote and aid in the establishment of programs for seniors, to conduct programs of public education in the problems of aging, to utilize opportunities to establish demonstration programs, and to implement federal, state and local programs for the aging that no other agency is implementing.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: Unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

In accordance with SFAS No. 116, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions. NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Summary of Significant Accounting Policies (Continued)

Allowance for Doubtful Accounts

The Organization uses an allowance method of accounting for bad debts. Management feels the accounts and grants receivable shown on the statement of financial position are fully collectible.

Property and Equipment

Fixed assets acquired by the Center are considered to be owned by the Center. However, Federal and State funding sources may maintain equitable interest in the property purchased with grant monies as well as the right to determine the use of any proceeds from the sale of these assets. The Federal and State Funding sources have a reversionary interest in those assets purchased with its funds for the estimated useful life of the asset.

Property and equipment are carried at Cost or, if donated, at the approximate fair value at the date of donation. The Center follows the practice of capitalizing such assets over their estimated useful life if the recorded cost or fair value exceeds \$ 1,000.

Depreciation is computed using the straight-line method. In addition, all property and equipment purchased with grant monies must be used in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

The net fixed asset balance has been recorded as a separate component in unrestricted net assets.

Federal Grants

Grant Monies are received on a reimbursement basis in which the Center requests monies based upon expenditures made; this is utilized for Title III-B, Title III-D, Title III-E, and Transit grants. Upon completion of a grant year, any unexpended grant funds has to be approved for carryover. Title V funds are received on an as need basis in which the Center requests monies that it feels it will need in the immediate future. Any unexpended funds must be returned to grantor.

Title III-C monies are received on a meal reimbursement basis, but not to exceed the total grant award. Upon completion of the grant year, any expended monies are restricted for future Title III-C program operating expenses.

Total federal and state grant revenues for the year ended September 30, 2009, were \$ 1,292,344 and \$ 524,050, respectively.

Donated Services.

The members of the Board of Directors receive no fees for performing their duties as members, officers, or special committee members. However, no revenues or expenses have been recognized in these financial statements in relation to such volunteer services.

Preston County Senior Center, Inc. receives its grant support primarily from the Upper Potomac Area Agency on Aging, Inc. Support received from those grants is recognized on a "net funded" basis whereby the Federal and State Grant funding is recognized on a last-dollar-in basis. When using this basis, related expenses incurred are "netted" first by project income and local match in determining grant funds to be recognized. Preston County Senior Center, Inc. receives client fee, Medicaid (Continuum of Care) income, and Medicaid Waiver income for billable client in home services and recognized these fees and income when earned.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Preston County Senior Center, Inc.
Kingwood, West Virginia

We have audited the financial statements of Preston County Senior Center, Inc. (a nonprofit organization) as of and for the year ended September 30, 2009, and have issued our report thereon dated May 11, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Preston County Senior Center, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Preston County Senior Center, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Preston County Senior Center, Inc.'s internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control.

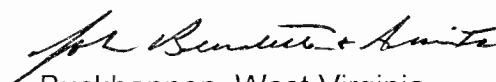

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Preston County Senior Center, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, the audit committee, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors
Preston County Senior Center, Inc.
Kingwood, West Virginia

Compliance

We have audited the compliance of Preston County Senior Center, Inc. (a nonprofit organization) with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended September 30, 2009. Preston County Senior Center, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Preston County Senior Center, Inc.'s management. Our responsibility is to express an opinion on Preston County Senior Center, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, "*Audits of States, Local Governments, and Non-Profit Organizations*". Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Preston County Senior Center, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Preston County Senior Center, Inc.'s compliance with those requirements.

In our opinion, Preston County Senior Center, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2009.

Internal Control Over Compliance

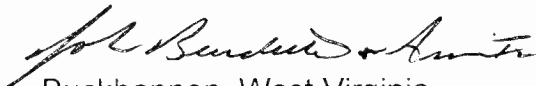

The management of Preston County Senior Center, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Preston County Senior Center, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Preston County Senior Center, Inc.'s internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the audit committee, management, others within the organization and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
