Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

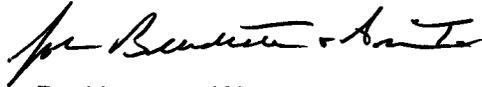

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Council of Senior Citizens of Gilmer County, Inc. as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Council of Senior Citizens of Gilmer County, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS**

Note 1. Summary of Significant Accounting Policies

The Council of Senior Citizens of Gilmer County, Inc. is a nonprofit organization whose purpose is to improve the quality of life for senior citizens in Gilmer County, West Virginia. The purpose of the Organization is to study and document the needs of the seniors, to encourage, promote and aid in the establishment of programs for the seniors, to conduct programs of public education in the problems of aging, to utilize opportunities to establish demonstration programs, and to implement state and local programs for the aging that no other agency is implementing.

This summary of significant accounting policies of the Council of Senior Citizens of Gilmer County, Inc. is presented to assist in understanding the Organization's financial statements. The financial statements and notes are the representation of management, who is responsible for their integrity and objectivity.

Basis of Accounting

The financial statements of Council of Senior Citizens of Gilmer County, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

Note 1. Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The Organization has adopted a \$ 3,000 capitalization policy whereby all property and equipment over \$ 3,000 is depreciated using the straight-line method over its estimated useful life. In addition, all property and equipment purchased with grant monies must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Federal grant awards are classified as refundable advances until expended for the purposes of the grants since they are conditional promises to give.

Federal And State Grant Revenue

Grant monies are received on a reimbursement basis for Title III-B, Title III-D, Title III-E, Title VII and LIFE grants. Upon completion of a grant year, any unexpended grant funds has to be approved for carryover to the next grant year.

Title III-C monies are received on a meal reimbursement basis but not to exceed the total grant award. Lighthouse and FAIR are drawn down per unit of service as are Medicare and Waiver personal care services.

Total federal and state grant revenues for the year ended September 30, 2014, were \$ 202,152 and 367,922, respectively.

In planning and performing our audit of the financial statements, we considered Council of Senior Citizens of Gilmer County, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Council of Senior Citizens of Gilmer County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

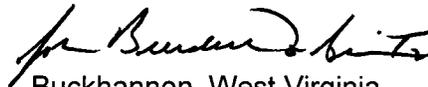

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Council of Senior Citizens of Gilmer County, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

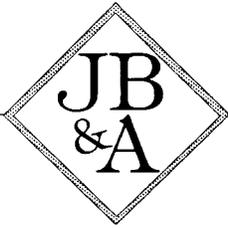

We noted certain other matters that we reported to management of Council of Senior Citizens of Gilmer County, Inc. in a separate letter dated June 24, 2015.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

To the Board of Directors
and Senior Management
Council of Senior Citizens of Gilmer County, Inc.
Glennville, West Virginia

In planning and performing our audit of the financial statements of Council of Senior Citizens of Gilmer County, Inc. for the year ended September 30, 2014, in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

However, during our audit we became aware of some matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. A separate letter on pages 17 and 18, dated June 24, 2015 contains our communication of significant deficiencies or material weaknesses in the Organization's internal control. This letter does not affect our report dated June 24, 2015, on the financial statements of Council of Senior Citizens of Gilmer County, Inc.

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various Organization personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

Accrual Basis Accounting Records

The Organization's policy is to prepare its financial statement on the accrual basis of accounting and therefore all accrued revenue and expenses should be recorded in the general ledger at year end.

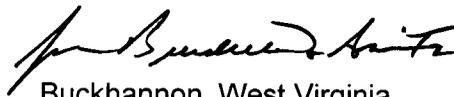

Accrued liabilities and accounts receivable should be recorded in the general ledger at September 30, 2014. Although acceptable for the auditor to help convert the Organization from cash to accrual basis there are advantages for maintaining books on the accrual basis. The most important being more accurate financial reporting with better matching of income and expenses during the year.

Organizational Structure

The size of the Organization's accounting and administrative staff precludes certain internal controls that would be preferred if the office staff were large enough to provide optimum segregation of duties. This situation dictates that the Board of Directors remain involved in the financial affairs of the Organization to provide oversight and independent review functions.

We wish to thank the Executive Director and her staff for their support and assistance during our audit.

This report is intended solely for the information and use of management, Board of Directors, and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.
