# INDEPENDENT AUDITOR'S REPORT

August 25, 2017

Pride Community Services, Inc. 699 Stratton Street, PO Box 1346 Logan, WV 25601

To the Board of Directors:

### **Report on the Financial Statements**

We have audited the accompanying financial statements of **Pride Community Services**, **Inc.** (a nonprofit organization) (PRIDE), which comprise the statements of financial position as of December 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to PRIDE's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PRIDE's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of PRIDE as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Other Matters

The financial statements of PRIDE for the year ended December 31, 2015, were audited by another auditor who expressed on unmodified opinion on those statements on July 15, 2016.

### Supplementary and Other Information

Our audit was conducted to opine on PRIDE's financial statements taken as a whole. The accompanying supplementary information shown on pages 15-27 is presented for purposes of additional analysis and is not a required part of the financial statements. The Schedule of Expenditures of Federal Awards presents additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and is not a required part of the financial statements.

The statements and schedules are management's responsibility, and derive from and relate directly to the underlying accounting and other records used to prepare the financial statements. We subjected these statements and schedules to the auditing procedures applied in the audit of the financial statements. We also applied certain additional procedures, including comparing and reconciling statements and schedules directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves in accordance with auditing standards generally accepted in the United States of America. In our opinion, these statements and schedules are fairly stated in all material respects in relation to the financial statements taken as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 25, 2017, on our consideration of PRIDE's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering PRIDE's internal control over financial reporting and compliance.

# NOTE 1 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NATURE OF OPERATIONS – PRIDE Community Services, Inc. (PRIDE) is a nonprofit community action agency located in Logan, West Virginia created to provide services to low-income individuals, families and the elderly in Logan County, West Virginia. The organization is funded primarily through grants and other agreements with the federal and state government.

UNRESTRICTED NET ASSETS – Unrestricted net assets are comprised of funds whose use is limited only to the extent that the organization's by-laws limit the activities of the organization. Contributions with donor-imposed restrictions that are met in the same year in which the contribution is recognized are reported as changes in unrestricted net assets.

USE OF ESTIMATES – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

REVENUE RECOGNITION – Contributions and grants with donor imposed conditions are reported as revenue when qualifying expenses have been incurred or other conditions have been met. Cash received but not yet expended for these conditional grants is recorded as refundable advances. Use of this cash is restricted to the purposes of the grant contribution. Unrestricted grants and contributions are recorded as revenue in the period received.

PROPERTY AND EQUIPMENT – Property and equipment with a cost of \$1,000 or more are capitalized at cost and depreciated over the estimated useful lives of the assets. Useful lives are 30 to 39 years for buildings, 15 years for land improvements, and 4 to 7 years for office equipment and vehicles.

CONTRIBUTED SERVICES AND SPACE – Contributions of services are recognized if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. Contributed services that are recognized are valued at the estimated cost that would be incurred by PRIDE to purchase similar services. Donated space is valued at the estimated fair rental value.

CONTRIBUTIONS – Contribution income is recognized in the period in which PRIDE received restricted or unrestricted assets or unconditional promises of future donation. Contribution income shall be classified as increases in unrestricted, temporarily restricted or permanently restricted net assets based on the existence or absence of such restrictions. Unconditional promises to give that are to be collected within one year shall be recorded at fair value, less any reserve for uncollectible promises, as estimated by management. Unconditional promises to give that are collectible in excess of one year are recorded at their discounted net present value.

INCOME TAXES – PRIDE is a nonprofit corporation classified under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes derived from its nonprofit activities. For the year ended December 31, 2016, management believes that PRIDE has no material uncertain tax positions to be accounted for in the financial statements. As of December 31, 2016, tax years ending on or after December 31, 2013 remain subject to examination.

# NOTE 1 -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

CASH AND CASH EQUIVALENTS – For purpose of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents.

INVENTORY – Weatherization inventory is considered immaterial and, therefore, is charged to expense in the period during which it is purchased instead of being recognized as an asset and being expensed as it is used. Inventory for the HOME program is recognized as an asset and is expensed as it is used. Inventory cost is calculated using the average cost method. Inventory is valued at the lower of cost or market.

ADVERTISING COSTS – Advertising costs are expensed as incurred.

SUBSEQUENT EVENTS – In preparing these financial statements, PRIDE has evaluated events and transactions for potential recognition or disclosure through August 25, 2017, the date the financial statements were issued.

### NOTE 2 -- CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand and deposits with banking institutions in checking accounts. Bank balances are insured by federal deposit insurance by the Federal Deposit Insurance Corporation (FDIC). Balances in these accounts sometimes exceed the federal deposit insurance limits; however, management believes the financial institutions to be creditworthy and believes that credit risk associated with these deposits is minimal. Management also obtains collateral for amounts in excess of FDIC limits. At December 31, 2016, the amount of cash in banks was covered by either FDIC insurance or collateral.

# NOTE 3 -- PROPERTY AND EQUIPMENT

A summary of property and equipment at December 31, 2016 and 2015 is as follows:

	2016	2015

Less: Accumulated Depreciation	(1,489,998)	(1,380,050)
Property and Equipment	\$ 1,296,851	\$ 1,311,591

# NOTE 4 -- DEFERRED REVENUE

Deferred revenue is comprised of funds received for services to be provided pursuant to a collaborative agreement between PRIDE and the Logan County Board of Education. On an annual basis, the Logan County Board of Education calculates an amount to be paid in ten monthly installments. These funds can be used to pay costs to enhance or supplement the Head Start program. Amounts not yet spent to enhance or supplement the Head Start program at December 31, 2016 and 2015 were \$86,579 and \$144,788, respectively.

# NOTE 7 -- CONCENTRATIONS OF CREDIT RISK

PRIDE provides various services to the elderly and low-income individuals on a thirdparty reimbursement basis. PRIDE bills the various funding sources in accordance with contractual agreements without requiring collateral or any other security. Grants and other receivables have been adjusted for all known uncollectible accounts. An allowance for bad debts has not been set up as the amount is not considered material.

### NOTE 8 -- CONTINGENT LIABILITIES

PRIDE's programs are generally funded from federal, state, and local sources, principal of which are programs of the U.S. Department of Health and Human Services and the U.S. Department of Agriculture. Federal and state grants received for specific purposes are subject to audit and review by grantor agencies. Such audits and reviews could result in requests for reimbursement to grantor agencies for expenditures disallowed under the terms of the grants. The amount, if any, or expenditures which may be disallowed by grantor agencies cannot be determined at this time.

### NOTE 9 -- RETIREMENT PLANS

<u>West Virginia Public Employees Retirement Systems</u> – PRIDE is a participating employer in the West Virginia Public Employees Retirement System (PERS). This is a cost sharing, multi-employer public employee retirement systems which covers employees of the state of West Virginia and various other governmental and non-profit entities. Under this plan, all full-time employees contribute 4.5% of their salary and the organization contributes 14% of the employee's salary through June 30, 2015. Effective July 1, 2015 PRIDE's contribution decreased to 13.5%. Trend information showing the progress of the system in accumulating sufficient assets to pay benefits when due is presented in their annual financial report. Copies can be obtained from the State.

<u>West Virginia Retiree Health Benefits Trust Fund</u> – PRIDE Community Services, Inc. participates in the West Virginia Retiree Health Benefits Trust Fund (RHBT) to provide certain other post-employment benefits (OPEB). RHBT is a cost-sharing, multiple-employer defined benefits post-employment healthcare plan administered by the West Virginia Public Employees Insurance Agency (PEIA). RHBT provides medical benefits to eligible retired employees of participating employers. Eligibility is primarily established through participation in certain defined benefit plans. RHBT issues a publicly available financial report that includes financials statements and required supplementary information. That report may be obtained by writing to: West Virginia Retiree Health Benefits Trust (RHBT), 601 57<sup>th</sup> Street, SE, Suite 2, Charleston, WV 25301-2345 or http://www.wvpeia.com.

<u>Funded Status of plans</u> – The funded status of each plan as of the most recent actuarial valuation date, is as follows (total plan assets and accumulated benefit obligation dollar amounts in thousands):

	C	Contributions of PRIDE							
Pension									
Fund	2016	2015	2014						
PERS	\$ 197,390	) \$ 172,517	\$ 166,589						
RHBT	\$ 79,29	9 \$ 67,030	\$ 71,000						

# NOTE 9 -- RETIREMENT PLANS (Continued)

<u>RHBT / OPEB LIABILITY</u> – All retired employees are eligible to obtain health insurance coverage through PEIA with the retired employee's premium contribution established by the Finance Board. The Finance Board has allowed retirees to obtain health insurance coverage at essentially the same premium rate as active employees with the difference between the retirees' premium contributions and the cost of providing health care to retirees subsidized by the State. It is this subsidy that has created the major portion of the OPEB actuarial liability.

Total OPEB expense consists of amounts currently due to fund the "pay as you go" retiree subsidy and additional amounts billed to participating employers for their portion of the overall plan's Annual Required Contribution (ARC). The "pay as you go" amounts are included with fringe benefits in the accompanying Statements of Activities. The amounts billed from the RHBT for the ARC are not required to be paid by the participating employers. OPEB costs are accrued based upon invoices received from PEIA based upon actuarially determined amounts. In accordance with professional standards, such amounts billed by unpaid are recorded as expenses with a liability for the cumulative amounts billed but unpaid. The annual amount of such ARC billings are identified separately in the Statements of Activities as a non-operating expense. Following is a summary of OPEB expense for the years ended December 31, 2016 and 2015.

	 2016	 2015
Current 'pay as you go' amounts	\$ 79,299	\$ 67,030
Amounts billed for ARC	 46,432	 62,949
Total	\$ 125,731	\$ 129,979

At December 31, 2016 and 2015, the liability related to OPEB cost was \$1,419,830 and \$1,373,398. As of the year ended December 31, 2016, there were four retirees receiving these benefits.

The West Virginia Legislature passed legislation to provide alternate funding sources for the RHBT OPEB unfunded liability. In addition, the PEIA Finance Board imposed limits on the retiree subsidy currently provided for PEIA premiums for retirees. Future increases in the subsidy will be limited to no more than 3% per year. These actions are expected to have a material impact on the amounts billed by the RHBT to PRIDE in the future, resulting in credits being issued to reduce the recorded OPEB liability.

<u>Other</u> – The organization also sponsors a defined contribution pension plan for those employees who are not eligible to participate in the West Virginia Public Employees Retirement System. Contributions to the plan for 2016 and 2015 were \$5,448 and \$6,346.

# NOTE 10 -- DONATED SERVICES AND OTHER

During 2016 and 2015, PRIDE received donated services from unpaid volunteers, the use of facilities without charge and other donated items. Such amounts have been recorded as revenue and expenses by the following programs in the accompanying financial statements:

	2016							
		lunteer Labor	-	se of cilities		Other		Total

# NOTE 11 -- HOME PROGRAM

PRIDE has been certified as a Community Housing Development Organization (CHDO) by the West Virginia Housing Development Fund (WVHDF) under the state HOME Investment Partnerships Program (HOME Program). PRIDE has entered into a HOME Program agreement with the WVHDF that provides funds to PRIDE in the form of deferred payment loans to be used for the construction of homes. The loans are secured by a deed of trust and a lien on the constructed homes. Loans only have to be repaid if PRIDE fails to provide affordable housing to low-income families in accordance with the HOME Program regulations. Loans payable to WVHDF in 2015 totaled \$138,736.

# NOTE 11 -- HOME PROGRAM (Continued)

Upon completion of constructed homes, PRIDE must sell the homes to qualified lowincome buyers. The buyers borrow a portion of the home purchase price from a thirdparty lender, and PRIDE makes a loan for the remaining portion. Under the provisions of PRIDE's loan to the homeowner, if the new homeowner maintains the unit as his or her residence for a predetermined period of time (10 to 15 years), none of the loan proceeds will be required to be paid back to PRIDE. However, if the home is sold prior to the end of that predetermined period of time, PRIDE will receive from the sales proceeds a prorated portion of the original loan amount. PRIDE has a seconded deed of trust, which grants a security interest in the residences sold. These loans are accounted for as program subsidy expense by PRIDE at the time the loan is made. Since the full loan is immediately expensed or will be paid back to PRIDE from sales proceeds, no receivable or allowance for uncollectible loans is recorded. If any amounts are subsequently collected from these loans, they would be accounted for as additions to temporarily restricted net assets at that time.

Upon sale of the homes to qualified buyers, revenue is recognized for the full amount of the WVHDF loan relieved. Cash proceeds received by PRIDE from initial home sales are recorded as additions to temporarily restricted net assets. According to the terms of the HOME Program, PRIDE must use the sales proceeds from a house constructed using the original program funds to construct another house that must be sold to a qualified byer under the loan program described above. The sale of this second house satisfies the temporary restriction, and the sales proceeds become unrestricted revenue to PRIDE. No second houses were sold during the years ended December 31, 2016 and 2015.

HOME Program housing inventory represents partially or fully completed houses that will be sold to qualified buyers under the program. Initial houses are constructed using original program funds from WVHDF. Second houses are constructed using sales proceeds from initial houses. Housing inventory is comprised of the following:

# PRIDE COMMUNITY SERVICES, INC. NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2016

# 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of **Pride Community Services**, **Inc.** (PRIDE) under programs of the federal government for the year ended December 31, 2016. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of PRIDE, it is not intended to and does not present the financial position, changes in net position, or cash flows of PRIDE.

# 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures may or may not be allowable or may be limited as to reimbursement. PRIDE has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

August 25, 2017

certified Public Accountants, A.C.

Pride Community Services, Inc. 699 Stratton Street PO Box 1346 Logan, WV 25601

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of **Pride Community Services**, **Inc.** (a nonprofit organization), (PRIDE), which comprise the statement of financial position as of December 31, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements and have issued our report thereon dated August 25, 2017.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered PRIDE's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PRIDE's internal controls. Accordingly, we do not express an opinion on the effectiveness of PRIDE's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of PRIDE's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

# **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether PRIDE's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of PRIDE's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering PRIDE's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE

August 25, 2017

Pride Community Services, Inc. 699 Stratton Street PO Box 1346 Logan, WV 25601

To the Board of Directors:

# Report on Compliance for Each Major Federal Program

We have audited the **Pride Community Services**, **Inc.'s**, (a nonprofit organization), (PRIDE) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of PRIDE's major federal program for the year ended December 31, 2016. PRIDE's major federal programs are identified in The *Summary of Auditor's Results* section in the accompanying schedule of audit findings.

# Management's Responsibility

PRIDE's management is responsible for compliance with requirements of laws, regulations, contracts, and grants applicable to its federal programs.

# Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of PRIDE's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200 *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about PRIDE's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of PRIDE's compliance.

Pride Community Services Independent Auditor's Report on Compliance with Requirements Applicable to Each Major Federal Program and on Internal Control Over Compliance Required by Uniform Guidance Page 2

# **Opinion on Each Major Federal Program**

In our opinion, PRIDE complied, in all material respects with the compliance requirements referred to above that could directly and materially affect each of its major federal programs for the year ended December 31, 2016.

### **Report on Internal Control Over Compliance**

PRIDE's management is responsible for establishing and maintaining effective internal control over compliance with the applicable compliance requirements referred to above. In planning and performing our compliance audit, we considered PRIDE's internal control over compliance with the applicable requirements that could directly and materially affect each major federal program, to determine our auditing procedures appropriate for opining on each major federal program's compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not to the extent needed to opine on the effectiveness of internal control over compliance. Accordingly, we have not opined on the effectiveness of PRIDE's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance has a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
