J.J. Rose
A.J. Root
David Thornton
Linda Lyter

Guest: None

The meeting was by Zoom meeting. The meeting was called to order at 10:05 a.m. by Brad Cochran, Board Chairman. Quorum was present.

The Oath of office was given to AJ Root, New Board member by Brad Cochran, Board Chairman.

Minutes for the April 7, 2023 meeting were read. Motion to accept by JJ Rose, seconded by A.J. Root. Motion passed.

Finance report was presented. Finance Report was presented by Linda Lyter, Finance Officer. Motion to accept the finance reports by J.J. Rose, seconded by A.J. Root. Motion passed.

Correspondence received by the Board. Asset Management Certification Cover Sheet from the West Virginia Purchasing Division, completed and returned by Executive Director.

Asset Management Coordinator Designation Form from Purchasing Division, completed and returned by Executive Director. Letter from WV Legislature Joint Committee on Government and Finance wanting information on number of issued licenses and number of employees of the Board, completed and returned by the Executive Director. Annual Certification of debt of the Board form from the State Treasurers office, completed and returned by the Executive Director.

There were no complaints brought before the Board.

There were 5 S.I.T. Applications to review and approve. They were Carol Bush-Randolph County, Mark Abbott- Wyoming County, Jacob Pennington- Clay County, Christopher Davis- Mid Ohio Valley, and Kimberly A. Stake- Berkeley County. J.J. Rose made the motion to accept all applicants, seconded by Delores Cook. Motion passed.

There were 4 Advancements to Sanitarian to review and approve. They were Courtney Holcomb-Bennett- Clay Cauty, Alexandra Demastes- Jefferson County, Ronald G. Porter- Cabell County, Benjamin Shreve- Monongalia County. A motion was made by A.J. Root to approve, seconded by JJ Rose. Motion passed.

There was no advancement to RS to review and approve.

There were no SIT waivers needed for being a SIT longer than three years.

The Status of Changes to the Sanitarian Classifications developed by the Public Health Sanitation Division and reviewed and approved by the Board was discussed. Judy Vallandingham, Division Director, was not in the meeting. The issue was tabled until the next Board meeting.

Brad Cochran discussed new requirements for the Board within bills passed by the legislature mostly related to the website. He stated that he was working on these requirements to bring the website into compliance.

Discussions related to the pending retirement of David P. Thornton R.S. Executive Director. He stated that he had enjoyed working with and for the Board for many years and it would be missed. Various Board members stated that he would be missed.

Actions related to finding a new Executive Director. Brad Cochran stated that the only person that had shown an interest in taking the position at this point was Michelle Cochran. He then recused himself and dismissed himself from the call. Lloyd White as Vice-Chair then led the discussion on hiring Michelle with all other members participating except Delores Cook who could not hear the discussion through the telephone line. Lloyd White made the motion to hire Michelle Cochran as the Interim Executive Director at the same salary as the Current Director with A.J. Root seconding the motion. It was a unanimous vote of passage. Brad Cochran was then contacted and re-entered the meeting. He stated that he would still see if there are any other interested parties. He will call a special meeting later if more candidates apply and/ or determine that there is a need to finalize the appointment.

No CEH reviews were needed.

Motion was made by Lloyd White to adjourn the meeting, seconded by Warren Elmer.
Motion passed. The meeting adjourned at 11:00 AM.

The minutes were taken by David P. Thornton, Executive Director.

A handwritten signature in cursive script, reading "Brad Cochran, P.S.", is written over a horizontal line.

Board Meeting Minutes December 11, 2023 10:00 A.M. Zoom Conference Meeting

- Meeting was called to order by Chairman, Brad Cochran at 10:05 am.
- Verification of Quorum
 - Attendees:
 - Brad Cochran, Chair
 - Lloyd White, Vice Chair
 - Warren Elmer – by phone
 - AJay Root
 - JJ Rose
 - Delores Cook – by phone
 - Linda Lyter, CFO
 - Michelle Cochran, Executive Director
- Minutes of Last Meeting
 - Verification that minutes of last meeting were sent to all Board members and that they had each had the opportunity to review the minutes.
 - Lloyd White made a motion to accept the minutes as presented. JJ Rose seconded the motion, motion carried.
- Finance Report
 - Linda Lyter presented the financial report. She indicated that in addition to the information presented in her written report, that Michelle had brought an additional \$1150 for deposit on 12-8-2023. It would be deposited within the next few days. Lloyd made a motion to accept the financial report. The motion was seconded by Delores. Motion carried.
 - Linda reported that she has asked permission from State Purchasing to purchase a new laptop for the Board without going through the statewide contract. A computer can be purchased for several hundred dollars less than going through the contract. If she is given permission, she will make the purchase out of her own funds and request reimbursement. She was hoping to hear a decision from purchasing soon. Brad reported that the new computer was needed as quickly as possible as the current one seems to be on its last legs, was taking forever to open programs, and frequently gave warnings that there wasn't enough memory to carry out tasks. Michelle alerted Linda that Adobe software was going to be needed on the new computer so that the annual legislative report can be compiled.

AJay shared that a program called Kofax is an alternative to Adobe. It is used by the Mineral County HD with very little problems.

- Correspondence
 - Michelle reported that she had received a call from the Tom Judy questioning why the Board had not purchased Workers Comp coverage. She had discussed the issue with Linda. Linda was going to reach out to Tom on behalf of several Boards who had received similar calls. She had never received a return call from Mr. Judy.
- Election of Chair and Vice Chair for 2024
 - Lloyd White made a motion to keep Brad Cochran in the position of Chair. No other nominations were made. Lloyd made a motion to close nominations and keep Brad as Chair, seconded by AJay. Motion carried.
 - Brad made a motion to keep Lloyd as the Vice Chair. No other nominations were made. AJay made a motion to close nominations and keep Lloyd as Vice Chair, JJ seconded. Motion carried.
- Review and Action on Complaints
 - Michelle explained that an email complaint had been received late on December 7th, so it was too late to change the agenda which indicated that no complaints had been received. Since the complaint was received by email, it was not on the official form and did not contain all the information required. Delores made a motion to go into executive session to discuss the details of the complaint as received. AJay seconded the motion. Motion carried.
 - Following discussion of the complaint details, AJay made a motion to come out of executive session. Seconded by JJ and the motion carried.
 - The actions to be taken related to the complaint are:
 - The Board directed Michelle to reach out to Judy Vallandingham, Public Health Sanitation Division Director, to informally discuss the issue, the knowledge her staff had of the issue, and any actions taken by her staff related to the issue.
 - Lloyd White will reach out informally to the Health Officer for the LHD in question to alert him to the issue and give him a chance to address the issue.
 - If the Board receives a formal complaint on the correct form with all the required information, the Board will initiate a formal investigation of the complaint allegations.
- SIT Applications Reviews and Approvals
 - Michelle presented the application of Jordan Moore who has successfully completed Sanitarian training and OJT per the letter from the State Training Officer, Suzzette Dellinger. Jordan had submitted the application along with the appropriate fee. Lloyd made a motion to approve Jordan Moore for the SIT classification. AJay seconded the motion. Motion carried.
- S Reviews and Approvals
 - Michelle reported that there were no SIT's who had achieved the 2 years experience and were ready to be moved to the S level.
 - Michelle presented an application for reinstatement from Carrie Perry who had been on maternity leave for about 16 months. Lloyd made a motion to accept the

application allowing reinstatement of Carrie without need for additional training other than the 15 hrs of CEHs required for the year. Delores seconded the motion. Motion carried.

- RS Reviews and Approvals
 - Michelle presented the applications of Robert Posey and Robert Dillon for reinstatement as RS. Both of these individuals had been gone from the profession in WV for a number of years. A list of the regulations that had changed since Mr. Dillon had last been licensed was presented. Discussion determined the need for training and competency on any regulation that had changed since they were last employed. Michelle relayed the CEH's that each individual has already undertaken for the current year. Lloyd made a motion that each individual be approved with the requirement that each individual must attend training class and be able to show competency for Food, Sewage and any other regulation that had changed since they had left employment as a Sanitarian in WV. Delores seconded the motion. Motion carried.
- SIT Waivers for those being a SIT more than 3 year.
 - Michelle indicated that Brad contacted the health departments of several individuals who had been in the SIT classification for more than 3 years. All of these individuals work in other roles beside Sanitarian (for example, Threat Prep. Coordinator) and were not working enough hours as a Sanitarian to show 2 years of Sanitarian duties to be able to move them out of the SIT status.
- Legislature activity related to the Board.
 - Michelle reported that the list of Sanitarians currently licensed by the Board were uploaded to the website as required by the Legislature. The lists will be updated after the beginning of the new year and will be posted on the website at that time with a goal to post updated lists quarterly.
- Presentation by Judy Vallandingham on the status of changes to Sanitarian Classifications
 - Judy Vallandingham was not present to discuss the status of changes to Sanitarian classifications being developed by the Public Health Sanitation Division and to be reviewed and approved by the Board for presentation to the Personnel Division. However, discussion was held about discrepancies in the DOP job classifications and the Board rules/regs. The Board directed Michelle to reach out to DOP to discuss the changes that need to be made to the classification descriptions to alleviate any discrepancies.
- Discussion on Executive Director position
 - Michelle indicated that she had reached out to several folks to see if they were willing to become the Executive Director since she had agreed to take on the role only in an interim basis to allow Dave Thornton to retire due to his personal illness. She has been unsuccessful in finding anyone willing to take on the role. She has concern about continuing in the role long term because her business is steadily growing, and it is becoming difficult to find adequate time to dedicate to doing the job as thoroughly as needed. She encouraged the Board to continue to search for a new Director and to consider increasing the pay for the Director to make the position more enticing. The Board should also consider making changes to antiquated processes which would make the role more efficient. Many

of the processes in place still as they were back in the 1990's and include such things include online payments, changes to the licensing database/platform, CEH submittal process, etc. Upgrades to these processes would cost the Board money to get into place but should be considered. Michelle realizes that such things cannot be afforded currently but the Board needs to consider raising the cost of each license to bring the Board into the next millennia.

- Several Board members expressed their thanks to Michelle for stepping forward to help the Board out. The Board agreed to continue to search for a permanent Director and Michelle agreed to stay on for a while longer while the search continues.
- Discussion about raising the license fees ensued. Linda Lyter shared that the Board would need to have any draft changes ready to go to the Legislature by July for introduction into the Legislature in the 2025 session.
- CEHs
 - Discussion of CEH submittal review process currently in use. Although the former Executive Director reviewed and approved CEH's, Michelle could not find anything in the rule or law that gives that authority. Therefore, Michelle has been reviewing CEH submittals and providing a recommendation for approval/denial to the Chair and Vice Chair who make the decisions. Is there a need for a 3rd person to be a part of the review process as a tie breaker if the chair and vice chair disagree about approval?
 - Brad told the Board that there had been quite a bit of pushback and concern voiced by various State and Local staff about the approval/denials of various CEH requests. He had received a request for a CEH policy from the State Training Officer. Brad presented a draft CEH guidance policy for the Board's review and consideration. The Board reviewed the draft policy and made a few minor changes to add clarity.
 - Lloyd made a motion for the Board to continue the current CEH review/approval process and to adopt the CEH policy drafted by Brad as modified during the discussion. The motion was seconded by AJay. The motion carried.
- Michelle alerted the Board that there are several policies on Board website which are out of date with incorrect code references or not signed need updated and signed. Michelle was directed to update the documents and repost them.
- Michelle questioned when and why the requirement for the submission of a transcript was removed from the application. She explained that the lack of transcripts is problematic for several reasons including the Board's need to verify degrees for approval of applications and future advancements as required in rule/law. Start dates are also needed on the applications submitted to the Board to know when future advancements are appropriate. Delores made a motion to require at least a copy of an applicants transcripts with their application and to make changes to the application requiring submission of the transcripts along with a place for applicants to fill in their start date. AJay seconded the motion. Motion carried.
- Michelle indicated that she also had questions about whether tenure started when hired or when training was completed for requirement of 2 years experience for advancement from SIT to S or S to RS (when pass the exam). She had also been receiving questions about whether people qualify for positions coming from DOP. The law/regs are

ambiguous on when the 2 years begin. Therefore, a legal opinion was sought from the Board's counsel. The opinion of the Counsel is that the 2 years begins from the start date, not when the person is approved as an SIT by the Board.

- Discussion of the number of records in the Board's possession and whether all of the records need to be kept. The Board currently has 13 or more boxes of past documents including agendas, applications, financial records, etc. The Board does not have a record retention policy. Linda explained that several Boards have record retention policies but there is nothing in Chapter 30 related to record retention. She believes that all applications must be kept but that financial documents could be destroyed after 7 to 10 years. She said that the Cultural Center may be interested in housing the older documents. Linda would explore record retention requirements from other Boards and provide it for the Board's review.
- Michelle alerted the Board to emails she had received from Grady Bowyer who currently maintains the Board's website and other websites under the Association of Boards. Grady suggested that the Board may want to obtain in independent website domain so that we are not reliant on others to update our website as needed. AJay offered to develop a website for the Board on Godaddy. The cost for a secure site would be nominal. He would develop the site and then provide access to several folks to enable updates to occur. Lloyd made a motion for AJay to develop an independent website for the Board. The motion was seconded by JJ. Motion carried.
- A motion to table the remaining topics and adjourn was made by Lloyd and seconded by Delores. Those include:
 - Discussion of possible office relocation
 - Discussion of database upgrades/Licensure platform changes – meeting with Thentia
- The next meeting was set for March 8, 2024 at 10 am. Discussion of moving back to meeting 4 times a year will be undertaken at that meeting.
- Meeting adjourned at 12:30 pm.

Meeting minutes were taken by Michelle Cochran, Interim Executive Director.

Brad Cochran, Chairman
WV Board of Sanitarians

**WEST VIRGINIA
STATE BOARD OF SANITARIANS**

Kanawha Charleston Health Department
PO Box 927
Charleston, WV 25323

Board of Sanitarians
February 2, 2024
10:00 AM
Zoom Conference Meeting

Brad Cochran called the meeting to order at 10:06 am.

Verification of quorum. Members present

- Brad Cochran, Chair
- Lloyd White, Vice-Chair
- Warren Elmer
- J.J. Rose
- A. Jay Root
- Delores Cook
- Linda Lyter, CFO
- Michelle Cochran, Interim Executive Director

Lloyd White made a motion to accept the minutes from December 11, 2023 Meeting. Warren seconded the motion. Motion carried.

Finance Report was provided by Linda Lyter. Linda also provided an update on the computer and software purchase. The computer was received during the last week but she had forgotten about purchasing the adobe software. A. Jay said that there was a cheaper alternative to Adobe and that he would provide information about that alternate software to Linda. Warren made a motion to approve the finance report as received. A. Jay seconded. Motion carried.

Michelle reported that there was no correspondence received other than from the licensees about CEH's and the renewal process.

Michelle reported that she had been unable to connect with the PHS Division Director due to the holidays and travel to discuss the unofficial complaint. Lloyd White reported that he had not been successful in getting in touch with the Health Officer of the local health department either. Brad expressed concern that staff at the health department in question are continuing to perform inspections on their own without having completed

training class. Both Lloyd and Michelle promised to continue to try to engage the others on the topic.

The following individuals have or will meet the requirements to move from SIT to S classification in the next couple of weeks: Charles Withrow on 11/21/23, Melissa O'Brien on 2/15/24, Jacob Pennington on 2/16/24, and Alexandria Stotler on 2/14/24. JJ Rose made a motion to move the individuals to the S classification as they reach their 2-year tenure mar. Seconded by Warren. Motion carried.

Discussion was had about the need for the Board to approve Classification Status at each meeting. The Board would like for the issue to put on the next agenda to allow automatic advancement when individuals meet the requirements for advancement.

Discussion was had about the need for signature of all Board members on the various certificates. There is significant cost in sending each certificate to each Board member for approval and then to the licensee. Michelle asked if there was a reason for or a need for every Board member to sign the certificates. It has always been done that way, but significant cost savings could be realized if the certificates were only signed by the chair and vice-chair. There was no known reason for every Board member to sign the certificates. JJ Rose made a motion to have only the Board Chair to sign the certificates. A Jay seconded. The motion carried.

Discussion was held regarding the Executive Director Position. Linda Whaley has expressed interest in the position. Warren made a motion, seconded by Lloyd to offer the position to Linda. The motion carried.

Michelle brought up several issues of which the Board should be aware and take under consideration related to the Executive Director position for the future. This includes the need to consider increasing the cap on number of hours and salary that the Director can work in a year. The files are a mess and have not been kept up. Part of that might have to do with the abilities of the person in the job, but also that the position is very busy in just getting the bare minimum done. The job has much more to do than she had anticipated. Brad, having watched her in the role, has also been surprised at how busy the position is. It should be noted that Michelle took on the role during the busiest time of the year and it is possible that perhaps there might be time to do some of that work that has been neglected during other less busy parts of the year. Michelle has provided Brad with a copy of her invoices and her timesheets that document all the activities and the amount of time they take. The Board will take her words under advisement, but nothing can be done at this time since the Board does not have adequate funding to make increases at this time. Discussion ensued about raising the registration fees to a minimum of \$100. Linda counseled that the draft rule changes need to be submitted to her by early May. She suggests asking for an amount higher so that negotiations with the Legislative Rule Making Committee can reach a figure that is acceptable to both parties. Brad said he had already started working on changes to the language of the rule since there are other changes that need to be made. Linda said she would work with Michelle on trying to develop some cost estimations, monies available, and needed funds to cover increased costs. Brad and Linda will work together to have the draft changes ready for review at the next Board meeting.

Brad reported on several bills currently in the 2024 Legislative session with could impact the Board. HB4599 is a carryover bill that would allow the Legislature to sweep funds from Boards where the fund accumulates to an amount which exceeds twice the annual average revenue over the preceding 4 years of the Board or \$10,000 whichever is greater. Linda thinks that the bill won't pass. HB5117/SB411 are the same bill entered on both sides which would create a waiver for licensing fees for military personnel and low-income individuals. This is redundant to what is already in law/rule.

On the topic of CEHs, there were several issues for discussion. The first was clarification of chart for credit hours regarding CE's, CEH's, and CEU's. Lloyd had sent a chart which had caused some confusion about the differences between CE's and CEH's. After Brad had reviewed the NEHA website, he found that CEs were based on hours of training. Therefore, CE's and CEH's are the same thing to NEHA and he believes that the Board should be treating them as the same too. CEU's are different. 1CEU = 10 CEH's. If it is less than 1 CEU credit, the credit will be per the chart that Lloyd has provided.

Brad has received a request to speak on behalf of the Board at the next Liaison Committee meeting about the changes in policy that the Board has undertaken recently related to CEHs.

In the past, the Board has failed to collect the late fees from Sanitarians who failed to get the 15 hours within the year. Legislative Rule 20-4, section 5.6 states that there is a 60-day grace period for individuals who did not get 15 hrs. to get the remaining hours but they are required to pay a \$50 penalty. There were 3 individuals this year who failed to get the 15 hrs. of CEH's by the end of 2023. 2 of those individuals have made efforts to get the hours needed and will have to pay the \$50 fee. The third individual has decided to retire and will not be working by the end of the 60-day grace period.

Michelle reported that she has not had time to update all of the documents that need to be updated and loaded to the Board website. It is still on her to-do list.

Linda reported that she has not had time to explore the record retention issue that was discussed at last Board Meeting. It is still on her to do list.

A. Jay reported that he had called Go-Daddy on the day of the meeting to check on prices for an independent website. It would cost the Board \$685.34 for 3 years. He is willing to create the website if the Board decides it wants to pursue this.

Michelle reported that she has not had time to call DOP about the changes that need to be made to the Sanitarian classifications. It is still on her to-do list.

Items that were tabled from last meeting:

- Discussion of possible office relocation. Linda reported that the Funeral Board had discussed the possibility of letting the Sanitarian Board share their space, but since the Board cannot afford to help share the costs (which will be rising), the Board was not supportive of the idea. Michelle reported that while there had been some problems of having the Board located at the LHD in the past, she had experienced

not problems during her time there. As a matter of fact, they had gone out of their way to be helpful in the recent computer crash. And, they allow the Board to use the printer/scanner, etc. without requesting reimbursement for paper, space, etc. However, due to past problems, she recommends that files, etc. remain locked. The Board decided to stay in the current location.

- Discussion of data base upgrades/licensing platform changes-meeting with Thentia. Michelle relayed that she had had a call with Thentia about their licensing platform and all of its capabilities. While the current databases desperately need attention, fixing, upgrades, etc. the cost of \$5000 per year is not feasible for the Board at this time. Linda mentioned that several other Boards are also in conversations with Thentia and other companies and that it might be more financially feasible for several of the small Boards if they are all undertaken at the same time.

Brad expressed his desire to conduct meetings four times per year and that the meetings be conducted via Zoom to help save travel costs. All Board member agreed to that and asked that Brad look at dates for meetings for next year and send those dates out to the Board members.

A. Jay made a motion to adjourn. Second by Warren Elmer. Motion carried.

Minutes compiled by Michelle Cochran, Interim Executive Director.

Brad Cochran, Chairman

WEST VIRGINIA STATE BOARD OF SANITARIANS

P.O. Box 927
Charleston, West Virginia 25323

Board Meeting Minutes
May 10, 2024
10:00 AM
Zoom Conference Meeting

- The Meeting was called to order by Brad Cochran, Chair @ 10:00 AM.
- Verification of quorum which was approved with 6 Board Members, along with the CFO and the Ex. Director.
 - Attendees Present:
 - Brad Cochran, Chair
 - Lloyd White, Vice-chair
 - AJ Root
 - JJ Rose
 - Warren Elmer by phone
 - Delores Cook by phone
 - Linda Lyter, CFO
 - Linda Whaley, Executive Director

Linda Whaley read the minutes of the previous meeting. The previous meeting was held on February 2nd of 2024. JJ Rose made a motion to approve the minutes as read. AJ Root seconded. The motion carried. A discussion was held regarding the need to read the minutes during the meeting as they are sent out to the Board members ahead of the meeting. It was decided that the members are to read the minutes prior to the meeting. The minutes can be approved or corrected during the meeting.

Financial Report: The financial report was given by CFO, Linda Lyter. The new laptop invoice has not been submitted. Brad and Linda Whaley will see if either one can find out who may have the invoice. Linda Lyter reported that the account is down to \$3,000.00 This is following the previous year's trend. However, due to the purchase of the laptop there is reason to be concerned that funds will not be available to cover all costs. Discussion was held regarding whether a rule change might help the budget. Questions were brought forward regarding an emergency rule. Linda Lyter stated that an emergency rule change request can be justified due to the required purchase of the new laptop and a change in staff. Lloyd and AJ both conjectured that local health departments should not object to the rule change to increase fees. Brad asked about the process of filing an emergency rule request. Linda Lyter stated that the forms must be submitted by the end of June. They are on the Secretary of State webpage. She will assist Brad with the filing. If the Emergency Rule Request is not challenged it can go into effect in 42 days. It was stated that many other Boards have higher fees than what we would propose. Brad also said that he found out that our IT costs are \$119.40 per month. Linda Lyter said that we have not been invoiced for these in 2023 or 2024. Lloyd White said that we should move forward with the emergency rule filing. AJ Root made a motion to file the Emergency Rule at the same time as the Rule Change Request. A second was given by Warren Elmer and the motion carried.

Correspondence: Linda Whaley said that she had received a W-9 from Mid-Ohio Valley and a form from the Census Bureau. Both were given to Linda Lyter. Linda Lyter stated that she had completed these and returned both to the respective agencies. Linda Whaley also stated that she had received several CEH requests.

Unofficial Complaint: An official complaint has not been filed regarding the unofficial complaint that had been mentioned. Brad had discussed the issue with the Public Health Sanitation Director. Lloyd said that since we had not received an official complaint and the issue had resolved to not take any further action. He will try to discuss this unofficially with the local Health Officer.

Rule Revision Status: Brad stated that he had sent out the rule revision with strikethroughs and there were no complaints. Linda Lyter said that Brad needed to take out the date. Brad will take care of that and send it back to Linda Lyter.

Fee Discussion: current fee is \$50.00. The increase being suggested is \$125.00. This would increase the budget to approximately \$ 20,000. Delores Cook made a motion to increase the fee to \$125.00 in the emergency rule and the proposed rule. 2nd made by Warren Elmer and the motion passed unanimously. (After the meeting Brad found that the last fee increase was in 2011. The fee increased from \$20.00 to \$50.00)

Board Member Expiration dates: Linda Lyter will follow up with the Governor's office to get new expiration dates for new members and/or re-appointments of current members.

Currently the expiration dates are: AJ Root—6/30/25, Brad Cochran—6/30/24, JJ Root—6/30/2022, Delores Cook—6/30/23, Warren Elmer—6/30/21, and Lloyd White 6/30/18.

Linda Lyter is working with the Governor's office for appointments. Brad said that there is one (1) public member position vacant.

DOP Classification Updates: There were four (4) classification changes. No issues were noted, and everyone is happy to go with the changes.

Warren had to leave the meeting, but there is still a quorum.

Web page updates: Linda Whaley stated that all changes have been made.

Record Retention Policy: Brad and Linda Whaley are still looking into this.

BRIM—Linda Lyter stated that she needed to discuss a few things regarding BRIM, which is our insurance. She covered defensive driving, wearing seatbelts, no use of cell phones while driving, keeping our car insurance up to date. She cautioned us about keeping our files confidential. She also reminded everyone that the minutes are Draft until approved.

The next meeting is set for August 9, 2024, at 10:00a.m. Linda Lyter will arrange a zoom meeting for us.

Delores Cook made the motion to adjourn the meeting.

Brad Cochran, R.S., Chair

WEST VIRGINIA STATE BOARD OF SANITARIANS

P.O. Box 927
Charleston, West Virginia 25323

Brad Cochran, R.S.
Chairman

Linda Whaley
Executive Director

July 16, 2024

William Spencer, Legislative Budget Director
Joint Expenses
Building 1, Room W-314
1900 Kanawha Blvd., E.
Charleston, WV 25305-0610

Mr. Spencer:

In response to your letter dated July 8, 2024:

1. The West Virginia State Board of Sanitarians issued 149 licenses as of June 30, 2024.
2. The West Virginia State Board of Sanitarians has only one filled position. The Executive Director position is currently filled by Linda Whaley. She has a cap of \$3,500 in salary.

STATE OF WEST VIRGINIA
Department of Administration
Purchasing Division

Asset Management Certification Cover Sheet

Fiscal Year 2024

Agency Name: WV State Bd of Sanitarians

Agency State Level Department Number: _____

Agency Asset Coordinator: Linda Whaley

Telephone Number: 304 638 2814

Agencies are required to certify their inventory each year by completing this Asset Management Certification Cover Sheet and submitting it to the Purchasing Division by July 15. I hereby certify as true and accurate the following:

- The last physical inventory of all Reportable Assets under the department head's jurisdiction was completed as of June 24 (A physical inventory, which includes tangibly viewing all assets, is required once every MONTH/YEAR three years for all agency-owned assets).
- All assets under the department head's jurisdiction as of June 30, 2024, with an acquisition cost of \$1,000 or more, computer equipment with an acquisition cost of \$500 or more, all weapons, and vehicles that are leased for one year or more regardless of acquisition cost, were entered into the wvOASIS Fixed Asset Module for the current fiscal year and all shell-manual documents are final. The mass depreciation job is run every year in August.
- All obsolete assets under the department head's jurisdiction were retired in accordance with Surplus Property policy, procedures and guidelines.
- All real property under the department head's jurisdiction has been properly entered into the wvOASIS Fixed Asset Module. (**West Virginia Code** §5A-3-35 requires agencies to report real property to the Director of the Purchasing Division. By signing this form, the department head certifies that the agency has properly entered real property into wvOASIS and that wvOASIS will serve as the required report.)

Head of Spending Unit Signature: Linda Whaley

Head of Spending Unit Title: Executive Director

Date: 16 July 2024

To be submitted no later than July 15, 2024, to:

West Virginia Purchasing Division
C/O: Program Services Section, Surplus Property Unit
2700 Charles Avenue, Dunbar, WV 25064
FAX: (304) 766-2631
wvsasp@wv.gov

STATE OF WEST VIRGINIA
Department of Administration
Purchasing Division

Asset Management Coordinator Designation Form

Fiscal Year 2024

In accordance with the guidelines established by the West Virginia Purchasing Division, pursuant to the **West Virginia Code** §5A-3-34, each state agency must designate at least one individual in their agency to serve as that agency's asset coordinator. The coordinator will manage the agency's fixed assets and be provided signature authority to sign lost, stolen, and destroyed asset letters. This signature authority does not apply to the Asset Management Certification Cover Sheet or the Asset Management Coordinator Designation Form.

Complete the requested information below and submit along with your **Asset Management Certification Cover Sheet**, no later than July 15, 2024, to:

West Virginia Purchasing Division
C/O: Program Services Section, Surplus Property Unit
2700 Charles Avenue
Dunbar, WV 25064
FAX: 304-766-2631
