INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Community Action of South Eastern West Virginia, Inc. Bluefield, West Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of Community Action of South Eastern West Virginia, Inc. (a nonprofit organization), which comprise the statements of financial position as of August 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Action of South Eastern West Virginia, Inc. as of August 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of state grant receipts and expenditures is presented for purposes of additional analysis as required by West Virginia Code 12-4-14, and is not a required part of the financial statements. The schedules of budget to actual grant revenues and expenses are presented for purposes of additional analysis, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated April 28, 2016, on our consideration of Community Action of South Eastern West Virginia, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Community Action of South Eastern West Virginia, Inc.'s internal control over financial reporting and compliance.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial reporting entity:

The Community Action of South Eastern West Virginia, Inc. (CASE) is a private, not-for-profit organization that serves the economically disadvantaged citizens of Mercer County, Summers County, and Monroe County of West Virginia. CASE is governed by a volunteer Board of Directors that is tripartite in nature in that; 1/3 of the members are elected or appointed government officials, 1/3 are from the low-income sector, and 1/3 are from the private sector. All of CASE's programs are geared towards helping the low-income, elderly, and handicapped achieve greater self-sufficiency.

Basis of financial statement presentation:

CASE's financial statements are presented in accordance with accounting principles generally accepted in the United States of America on an accrual basis. Consequently, revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. In addition, CASE is required to report information regarding its financial position and activities according to the three classes of net assets; unrestricted, temporarily restricted, or permanently restricted based on the existence or absence of donor imposed restrictions. All net assets at August 31, 2015 and 2014 are unrestricted.

Cash and cash equivalents:

Cash and cash equivalents consist of cash on hand, demand deposits, and money market funds. For purposes of the statement of cash flows, the organization considers all unrestricted highly liquid investments with an original maturity of three months or less to be cash equivalents.

Cash is held in banks located in West Virginia and is insured by the Federal Deposit Insurance Commission (FDIC) up to \$250,000 per financial institution.

Valuation of receivables:

Receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

Inventory:

Inventory is comprised of material supplies for the Weatherization program, stated at cost using a perpetual inventory system, and homes held for sale, built from Community Housing Development Organization (CHDO) funding, stated at their historical cost.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Principles of consolidation:

The consolidated financial statements include the accounts of CASE and its subsidiary, Property Management Services, Inc. All significant intercompany balances and transactions have been eliminated in consolidation.

Property, plant, and equipment:

Property, plant, and equipment consist of items with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost. Donated property, plant, and equipment are recorded at fair value at date of donation. The costs of normal maintenance and repairs that do not materially add to the value of an asset or its life are expensed.

Property, plant, and equipment are depreciated using the straight-line method over the following estimated useful lives:

Buildings and improvements	10-30 years
Furniture and equipment	3-10 years
Vehicles	5 years

Accrued liabilities:

Accrued liabilities consist of accrued payroll and payroll taxes earned as of August 31.

Accrued leave:

Accrued leave consists of accrued vacation and sick leave time earned as of August 31. CASE allows employees to accrue up to a maximum of 480 sick and 80 vacation hours.

Unearned revenue:

Unearned revenue consists of amounts received which have not been used for their intended purpose.

In-kind contributions:

Contributions of services are recognized if the services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. Contributed services that are recognized are valued at the estimated cost that would be incurred by CASE to purchase similar services. Donated space is valued at the estimated fair rental value.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Supporting services:

Supporting services are costs for activities not directly related to the purpose for which the Organization exists. Supporting service expenses are broadly categorized as management and general purpose expenses that have not been identified as, or allocated to, program service expenses.

Income taxes:

CASE is a nonprofit corporation classified under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes derived from its nonprofit activities. For the year ended August 31, 2015, management believes that CASE has no material uncertain tax positions to be accounted for in the financial statements. As of August 31, 2015, tax years ending on or after August 31, 2012 remain subject to examination.

Reclassifications:

Certain amounts in the prior year financial statements have been reclassified to conform to the current year's presentation.

Concentration:

CASE received approximately 57% of its support for the year from the federal government in the form of grants and cost reimbursement programs.

Estimates:

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities and assets, and the reported revenues and expenses. Accordingly, actual results could differ from those estimates.

NOTE 2 – ACCOUNTS RECEIVABLE

Accounts receivable consist of the following:

		<u>2015</u>	<u>2014</u>
Grants receivable	\$	925,713 \$	1,053,130
Fee for service receivable		134,315	190,083
Other receivables		1,934	3,044
Total	\$_	1,061,962 \$	1,246,257

rate of 5.875%, final payment January 2019		
collateralized by the buildings, originally		
due January 2014.	248,545	273,569

NOTE 5 - LONG-TERM LIABILITIES (CONTINUED)

	<u>2015</u>	<u>2014</u>
Note payable to Branch Banking & Trust; Hope Development Project, interest rate of 5.875%, final payment January 2019 collateralized by the building, originally due January 2014.	103,484	119,210
Note payable to Branch Banking & Trust; Warehouse, interest rate of 6.375% final payment January 2019, collateralized by the building, originally due March 2014.	74,635	84,093
Note payable to Branch Banking and Trust; 2010 Dodge Ram 2500 interest rate of 4.50% final payment August 2017, collateralized by the vehicle.	13,340	19,857
Note payable to Ramey Chevrolet, Inc.; 2014 Jeep Patriot interest rate of 3.250% final payment May 2017, collateralized by the vehicle.	10,639	17,010
Total Notes Payable	857,753	954,195
Less current portion	(93,034)	(83,501)
NOTES PAYABLE, NET OF CURRENT PORTION \$	764,719 \$	870,694

Principal maturities on notes payable for the next five years and in the aggregate are as follows:

Year ending August 31		
2016	\$	93,034
2017		101,393
2018		93,793
2019		569,533
2020 and thereafter	<u></u>	-0-
TOTAL NOTES PAYABLE	\$	857,753

NOTE 6 – LINE OF CREDIT

CASE has a \$100,000 operating line of credit arrangement with Branch Banking and Trust Corporation (BB&T). The credit line was secured by the "Security Agreement" made January 30, 2009 with an interest rate that fluctuated with changes in the prime rate.

NOTE 7 – RETIREMENT PLANS

CASE has adopted a defined contribution annuity for its employees qualified under Section 403(b) of the Internal Revenue Code. The plan covers all full-time employees of the organization who have completed one year of service. The contributions to the plan are discretionary and are determined each year. For the years ended August 31, 2015 and 2014, CASE contributed \$106,599 and \$103,091, respectively to the Section 403(b) plan. CASE has also adopted a Section 457(b) deferred compensation plan for a select group of management employees. The organization's contributions to the plan are discretionary and determined each year. For the years ended August 31, 2015 and 2014, CASE contributed \$17,635 and \$24,033, respectively, to the Section 457(b) plan.

NOTE 8 – OTHER POST-EMPLOYMENT BENEFITS

CASE participates in the West Virginia Retiree Health Benefits Trust Fund (RHBT), a cost-sharing, multiple-employer defined benefits post-employment healthcare plan administered by the West Virginia Public Employees Insurance Agency (PEIA). RHBT provides medical benefits to eligible retired employees of participating employers. Eligibility is primarily established through participation in certain defined benefit plans. Annual OPEB Cost: CASE's annual OPEB cost (expense) for the plan is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

NOTE 8 – OTHER POST-EMPLOYMENT BENEFITS (CONTINUED)

Actuarial Methods and Assumptions: Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations. However, the preparation of any estimate of future postretirement costs requires consideration of a broad array of complex social and economic events. Future changes in reimbursement methodology, the emergence of new and expensive medical procedures and prescription drugs option, changes in the investment rate of return, and other matters increase the level of uncertainty of such estimates. As such, the estimate of postretirement program costs contains considerable uncertainty and variability and actual experience may vary significantly by the current estimated obligation.

The following table shows the components of CASE's annual OPEB cost for the year, the amount actually contributed to the Plans, and changes in CASE's net OPEB obligations, as well as the assumptions used to calculate the net OPEB obligation.

		<u>2015</u>	<u>2014</u>
Annual required contribution	\$	158,186 \$	89,277
Interest on net OPEB obligation	_	-0-	-0-
Annual OPEB cost	_	158,186	89,277
Contributions made	_	-0-	-0-
Increase in net OPEB obligation		158,186	89,277
Net OPEB obligation, beginning of year	_	2,634,094	2,544,817
Net OPEB obligation, end of year	\$_	2,792,280 \$	2,634,094

An actuarial valuation report for PEIA is prepared annually in accordance with standards set forth by the Governmental Accounting Standards Board (GASB) to determine the unfunded portion of each participant's future liability. CASE's financial statements are prepared in accordance with standards set forth by the Financial Accounting Standards Board (FASB). Information valuing the liability in accordance with FASB standards is not available. Based on the GASB valuation, CASE's unfunded liability at year end was \$2,634,094. Management believes that the differences in the basis are immaterial to the financial statements. In addition to the ARC amount, CASE paid \$178,904 and \$206,492 to PEIA during the years ended August 31, 2015 and 2014, respectively which is considered as the pay as you go amount.

NOTE 8 – OTHER POST-EMPLOYMENT BENEFITS (CONTINUED)

RHBT issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: West Virginia Retiree Health Benefits Trust, Building 5, Room 1001, 1900 Kanawha Blvd. East, Charleston, West Virginia, 25305-0710.

The PEIA Finance Board members voted to cap the state subsidy for PEIA retiree coverage for employees hired before 2010 at current levels, with no more than 3% growth a year. By doing this, the Employer is no longer exposed to ever increasing trends in healthcare costs, significantly reducing future retiree premium subsidy costs.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

The Organization's programs are generally funded from federal, state, and local sources, principal of which are programs of the U.S. Department of Health and Human Services. Federal and state grants received for specific purposes are subject to audit and review by grantor agencies. Such audits and reviews could result in request for reimbursements to grantor agencies for expenditures disallowed under the terms of the grants. The amount, if any, of expenditures which may be disallowed by grantor agencies cannot be determined at this time, although management believes such amounts, if any, to be immaterial.

The Organization is a Defendant in several administrative claims pending before the West Virginia Human Rights Commission, and the Circuit Court of Mercer County, West Virginia, filed by prior employees. The claims are in various stages of progress at this time and the potential outcomes of those claims are unknown at this time, as such no liability has been recorded in these financial statements relating to those claims.

In addition to the above-referenced claims, the Organization was a Defendant in an administrative claim with the Human Rights Commission in which the Defendant and Plaintiff reached a settlement of all claims in February 2016. The Organization denied all allegations in the settlement, but agreed to pay \$24,000 representing payment of alleged damages, and \$7,000 representing payment of attorney fees and expenses. All espenses were paid with Corporate funds. The claims were filed prior to August 31, 2015 and the settlement provides a reasonable estimate of loss, as such, a liability has been recorded and reflected in the financial statements.

NOTE 10 – RELATED PARTY TRANSACTIONS AND COMMON CONTROL

CASE is the managing partner and has a 1% interest in the Kennedy Center Limited Partnership with the authority to manage and control the partnership. This partnership was formed for the purpose of acquiring and renovating real estate and personal property to provide multifamily residential housing for low-income tenants.

NOTE 10 - RELATED PARTY TRANSACTIONS AND COMMON CONTROL (CONTINUED)

CASE is the managing partner and has a 1% interest in the Hinton Center Limited Partnership. This partnership was formed for the purpose of acquiring and renovating real estate and personal property to provide multifamily residential housing for low-income tenants.

For the years ended December 31, 2015 and 2014, CASE expensed \$32,115 and \$26,555, respectively, in loan payments as a result of CASE being the guarantor on the loans for the Hinton and Kennedy Centers.

CASE employs the husband of the executive director as the supervisor of Property Management Services, a wholly-owned subsidiary of CASE, formed to perform maintenance operations on various properties belonging to CASE. For the years ended August 31, 2015 and 2014, \$39,108 and \$38,594, respectively, was paid for his services.

NOTE 11 – COMMUNITY HOUSING DEVELOPMENT ORGANIZATION (CHDO)

The Organization receives grant funds from the U.S. Department of Housing and Urban Development, under the HOME Investment Partnership Program (HOME), whereas, the Organization has been recognized as a Community Housing Development Organization (CHDO). As a CHDO, the Organization may use HOME funds to construct single-family dwellings that are then sold to eligible participants below Fair Market Value. The program allows for a lien to be filed against the property for the difference between Fair Market Value and the selling price in order to protect against the participant selling the home at a gain. The lien is released after 10 years from the date of the transaction.

As of August 31, 2015 and 2014, the Organization had liens totaling \$68,650 and \$68,650, respectively.

NOTE 12 – SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through April 28, 2016, the date which the financial statements were available to be issued.

As mentioned in Note #9, The Organization entered into a settlement agreement after the Balance Sheet Date settling all claims for a pending matter in front of the West Virginia Human Rights Commission. As such, a liability in the amount of \$31,000 has been reflected in the financial statements. The liability was paid in full using Corporate funds.

In addition to the aforementioned, The Organization was named in a lawsuit filed in the Circuit Court of Mercer County on December 3, 2015 asserting claims under the Whistleblower Act. The Organization denies all claims and intends to defend itself. The litigation is in the early stages and no outcomes are known or predictable.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Community Action of South Eastern West Virginia, Inc. Bluefield, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Community Action of South Eastern West Virginia, Inc. (a nonprofit organization), which comprise the statement of financial position as of August 31, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 28, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Community Action of South Eastern West Virginia, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action of South Eastern West Virginia, Inc. 's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action of South Eastern West Virginia, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR
PROGRAM AND ON INTERNAL CONTROLOVER COMPLIANCE IN ACCORDANCE
WITH OMB CIRCULAR A-133

To the Board of Directors Community Action of South Eastern West Virginia, Inc. Bluefield, West Virginia

Report on Compliance for Each Major Federal Program

We have audited Community Action of South Eastern West Virginia, Inc.'s (a nonprofit organization) compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of Community Action of South Eastern West Virginia, Inc.'s major federal programs for the year ended August 31, 2015. Community Action of South Eastern West Virginia, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Community Action of South Eastern West Virginia, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Action of South Eastern West Virginia, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Community Action of South Eastern West Virginia, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Community Action of South Eastern West Virginia, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2015.

Report on Internal Control Over Compliance

Management of Community Action of South Eastern West Virginia, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered Community Action of South Eastern West Virginia, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Action of South Eastern West Virginia, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

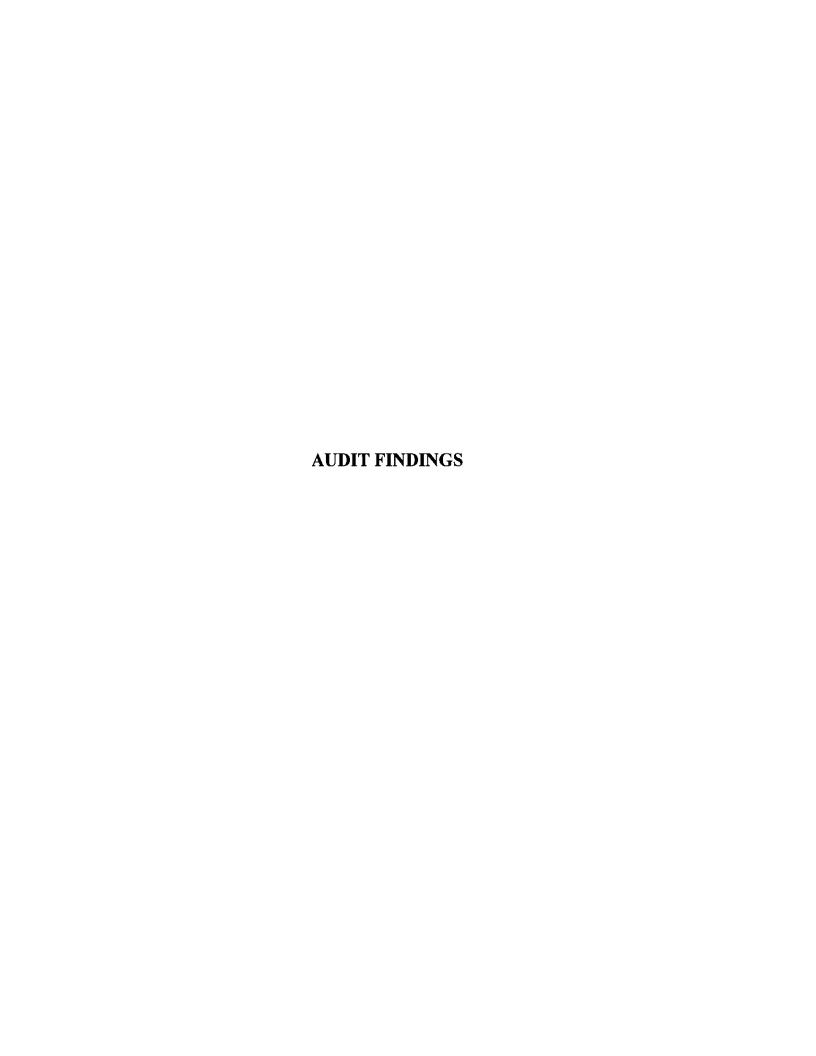

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
