INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Wayne County Community Services Organization, Inc.
Huntington, West Virginia

We have audited the accompanying statements of financial position of Wayne County Community Services Organization, Inc. (a nonprofit organization) as of September 30, 2012, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wayne County Community Services Organization, Inc. as of September 30, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated June 7, 2013, on our consideration of Wayne County Community Services Organization, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audits were performed for the purpose of forming an opinion on the basic financial statements of Wayne County Community Services Organization, Inc. taken as a whole. The accompanying schedules of expenditures of federal and state awards are presented for purposes of additional analysis as required by U. S. Office Management and Budget Circular A-133, Audits of State, Local Government, and Non-Profit Organizations, and West Virginia Department of Health and Human Services, and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Note 1. Summary of Significant Accounting Policies (Continued)

Accounting Basis

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles, whereby revenues are recognized when earned and expenses are recognized when incurred.

Funds Receivable and Concentration of Credit Risk

The Organization provides various services to the elderly and low-income individuals in Wayne County, West Virginia on a third-party reimbursement basis. The Organization bills the various funding sources in accordance with contractual agreements without requiring collateral or any other security. Funds receivable have been adjusted for all known uncollectible accounts. An allowance for bad debts has not been created because the amount, if any, is not considered material.

Inventory

Inventory is charged to expense in the period during which it is purchased instead of being recognized as an asset until consumed.

Property and Equipment

In accordance with grant award budgets approved by funding sources, property and equipment is capitalized at cost in the period during which it is purchased and depreciated over its useful life using the straight-line method for financial reporting purposes. Maintenance and repairs are charged to expense when incurred. When equipment is sold or otherwise disposed of, the assets account and related accumulated depreciation account are relieved, with any gain or loss included in operations. Further, equipment lease payments are expensed when paid instead of equipment being capitalized and depreciated.

The property and equipment acquired is owned by Wayne County Community Services Organization, Inc. while used in the program for which it was purchased or in other future authorized programs. The funding sources, however, have a reversionary interest in the property and equipment purchased with grant funds; therefore, its disposition, as well as the ownership of any sale proceeds there from, is subject to funding source regulations.

Temporarily Restricted Net Assets

The Organization reports grants and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. The West Virginia Department of Transportation (DOT) has a reversionary interest in vehicles and property it grants to the Organization. Temporarily restricted assets were \$599,996 at September 30, 2012.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Wayne County Community Services Organization, Inc.
Huntington, West Virginia

We have audited the financial statements of Wayne County Community Services Organization, Inc. (a nonprofit organization) as of and for the year ended September 30, 2012, and have issued our report thereon dated June 7, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Wayne County Community Services Organization, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Wayne County Community Services Organization, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designated to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

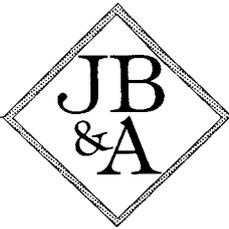

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Wayne County Community Services Organization, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, the audit committee, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, appearing to read "J. Buckhannon", is positioned above the typed name and date.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors
Wayne County Community Services Organization, Inc.
Huntington, West Virginia

Compliance

We have audited Wayne County Community Services Organization, Inc.'s (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct material effect on each of Wayne County Community Services Organization, Inc.'s major federal programs for the year ended September 30, 2012. Wayne County Community Services Organization, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Wayne County Community Services Organization, Inc.'s management. Our responsibility is to express an opinion on Wayne County Community Services Organization, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, "*Audits of States, Local Governments, and Non-Profit Organizations*". Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Wayne County Community Services Organization, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Wayne County Community Services Organization, Inc.'s compliance with those requirements.

In our opinion, Wayne County Community Services Organization, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended September 30, 2012.

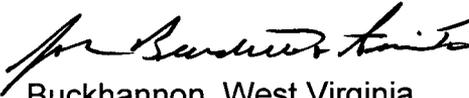

Internal Control Over Compliance

Management of Wayne County Community Services Organization, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Wayne County Community Services Organization, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Wayne County Community Services Organization, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the audit committee, management, others within the organization and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
